RE: Issues and Programs – 3rd Quarter 2019 (July - September 2019) / KVEG-FM

KVEG continues to support education and the Clark County School District by supplying music, deejays, street teams, and mixers at various school events. Through these events, KVEG proactively reaches out to the youth of the Las Vegas community with the message of promoting the advantages of obtaining a quality education.

During the month of September 2019, the KVEG street teams visited middle schools and high schools in the Clark County School District with appearances at 1 dance, 1 family night, 1 First Friday, 2 lunches, and 1 rally.

KVEG was also a positive presence in our community as we participated in various non-profit activities.

In addition to the schools visited by KVEG 97.5 FM, 312 public service announcements were aired during the 3rd Quarter of 2019, from the non-profit organization Nevada Broadcasters Association.
