

## List of Issues for Q3 2011

### KIKU-TV

### Honolulu, Hawaii

In accordance with 47 CFR 73.3526(e)(11)(i) of the Federal Communications Commission's rules<sup>1</sup>, the station has prepared this report to identify the programs that have provided the station's most significant treatment of community issues during the preceding three month period.

#### Section I: Issues

The station has identified the following as significant issues facing our community this quarter:

1. Asian Culture in Hawaii – Asians comprise 57% of Hawaii's total population. Asian programming and events help preserve cultural ties.
2. Strengthening the Community – Supporting our community creates a stronger community for everyone.
3. Hawaiian Culture – Hawaii's people seek to preserve the legacy of its language and culture, including sports and arts.
4. Economy – Hawaii has one of the highest costs of living in the country. Residents struggle with high housing, gas, and food costs and reduced government services.
5. Japan earthquake and tsunami relief – Assisting in raising funds to help Japan's recovery efforts following the March 11 earthquake and tsunami.

---

<sup>1</sup>73.3526(e)(11)(i) TV issues/programs lists. For commercial TV and Class A broadcast stations, every three months a list of programs that have provided the station's most significant treatment of community issues during the preceding three month period. The list for each calendar quarter is to be filed by the tenth day of the succeeding calendar quarter (e.g., January 10 for the quarter October--December, April 10 for the quarter January--March, etc.) The list shall include a brief narrative describing what issues were given significant treatment and the programming that provided this treatment. The description of the programs shall include, but shall not be limited to, the time, date, duration, and title of each program in which the issue was treated. The lists described in this paragraph shall be retained in the public inspection file until final action has been taken on the station's next license renewal application.
