Dear Layne,

While we do not concede that your system is an MVPD, we ELECT retransmission consent for the below stations out of an abundance of caution. As a reminder, you have no right to retransmit our programming without an explicit agreement with us.

With respect to all communities within the Stations' "television markets" (as defined in 47 C.F.R. § 76.55(e)) served by cable systems owned or managed by your company (including those listed in EXHIBIT A hereto) between January 1, 2018, and December 31, 2020, the Licensee elects the following status for the primary video stream of the Stations' digital signal (licensee to check one box below):

☒ **Retransmission consent.**

☐ **Mandatory carriage ("must-carry") on the following (check one):**

- ☐ The Station's PSIP major channel number ("virtual channel").
- ☐ The cable channel on which the Station was carried on July 19, 1985.
- ☐ The cable channel on which the Station was carried on January 1, 1992.

Very Truly Yours,

Joshua N. Pila
