**Subject:** 6/14 Westhampton Beach FD blood drive

Hi Charlie,

It was a pleasure to meet with you. We really appreciate your support.

I am enjoying listening to you on the new country radio station.

We added a new drive at the Westhampton Fire Department on 6/14. All donors will receive a pair of Mets tickets. Is this something you can help us to promote?

Cathy Gibson will be emailing the list of drives that are open to the public.

Thanks again for your commitment to saving lives.

Warm Regards,  
Sue

March 6, 2011

Dear Mr. Caracciolo:

I am writing to express my sincere gratitude to you and the whole staff at My Country 96.1 for bringing country music back to Long Island. However, I am a resident of Nassau County, an area which your radio waves do not reach. I am currently a senior at Chaminade High School who commutes a total of about two hours to and from school every weekday. During this commute, I normally listen to my iPod which transmits FM radio frequencies to my car antenna. This is great for some purposes, but I am still trying to get into country music. I feel that if My Country 96.1 extends their airwaves into Nassau County, I would be able to diversify the country music artists that I listen to. I usually listen to 96.1 every night on my computer and absolutely love your station. In fact, many of my friends would love if 96.1 would extend their airwaves into Nassau County, a place where a surprising number of country music fans exist. This proposal for My Country 96.1 to broadcast in Nassau County would also be a wise decision on your part, fiscally. For example, WBAB has two stations to broadcast to all of Long Island, and therefore, they gain double the revenue. I believe if your station follows this approach, you will be able to increase your profits as well, along with allowing residents of Nassau County to hear the great voices of Toby Keith, Taylor Swift, Alabama, Garth Brooks, Kenny "The Gambler" Rogers, and more grace the airwaves of Nassau County. I thank you again for your time in reading this letter and your consideration of broadcasting in Nassau County.

Sincerely,

Richard Callahan

Donna Colb, Account Executive  
JVC Broadcasting My Country 96.1 FM  
3075 Veterans Memorial Highway, Suite 201  
Ronkonkoma, NY 11779

Dear Ms. Colb,

This letter is to express my sincere gratitude for scheduling the My Country 96.1 FM van in support of Clubhouse of Suffolk's 1<sup>st</sup> Annual Chili Cook-Off, held on October 22, 2011. It is due to the generosity of people such as you, which helped to make this successful event enjoyed by all. (We already have additional chili teams lined up and will be excited to do this again next year!) Thanks to your generous support, funds raised will benefit adults 18 years of age and older affected by mental illness and homeless Veterans, many who suffer from PTSD (posttraumatic stress disorder) and depression.

Once again, I thank you for your support.

With Gratitude,

  
Michael Stoltz, LCSW  
Executive Director
