Problems, Issues & Needs	Show	Description	Day, Date & Time Show Aired	
Affordable Housing shortage	AM Drive, Mid Day, Afternoon Drive and early evening . We added Weekend updates.	KLJN highlighted affordable housing projects that are coming to the South Coast of Oregon. Our morning show fielded phone calls from listeners who voiced strong support for additional affordable housing.	This matter remained as a priority issue on our station in the form of Public Service Announcements and ad lib solicited phone responses from our audience mostly on our morning program

Local Indian Tribe Heritage celebrations. November is Indian Heritage Celebration Month and, beginning in October, KLJN started a campaign honoring local/area Native American Indian Tribes and their contributions.	All Shows, Morning, PM Drive and evening	We saluted the contributions of local tribe, beginning in October and leading into the Official Tribal Flag Ceremony on October 28th. Each of our key dayparts, morning drive, mid day, and afternoon drive shows highlighted contributions of the local tribes and their joint efforts to improve the overall health and financial wellness of the entire Oregon South Coast. Live comments were supported with produced and live Public Service Announcements. These were carried from mid November through December live and produced.	6am through 10 PM weekdays and on weekends during the same time periods.

Dealing with growing crowds who gather annually to observe Christmas lights at Shore Acres State Park.	All prime time shows, AM Drive, Mid Day, and Afternoon Drive	For the first year, Shore Acres State Park has been forced to take reservations for people wanting to observe that annual lighting ceremony and subsequent crush of locals and outsiders who want to observe the Lighting Ceremony that takes place annually at Shore Acres. In an effort to minimize confusion and traffic, KLJN broadcast specific instructions to visitors at Shore Acres.	All daytime shows plus nighttime (midnite - 6am)
