3	Internship program	<p>WTOK participates in an ongoing program in which interns from colleges are mentored in skills required for broadcast employment. A number of current employees came to WТОK through this program.</p> <p>During the Spring of 2016 three broadcasting interns came to WТОK. Two participated in helping produce News reports by writing, editing stories and assisted in the field for the News Department including practicing on camera before and after our News Shows. One came from Mississippi State University and the other one came to us from Hinds Community College. The third intern participated in helping in our Weather Department. She helped produce and edit weather forecast. Our Weather team helped her make mock weather cast and severe weather coverage. She also shadowed a reporter out on stories and observed the editing process for the final story.</p> <p>During the Summer of 2016 two broadcasting intern came to WТОK.
