Ronkonkoma, NY 11779

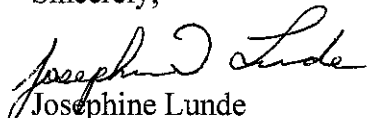

Dear Mr. Caracciolo:

I want to personally thank JVC Broadcasting for continuing to support the Town of Brookhaven's INTERFACE Thanksgiving Food Drive and Holiday Toy Drive in 2021. This year's JVC broadcast from Compare Foods in Patchogue greatly contributed toward helping so many families in need. Overall, 1,016 families received a hearty Thanksgiving meal, and the total amount of food collected came to 8,636 pounds. Additionally, food was also donated to several churches and food pantries. The Toy Drive held with JVC at Brookhaven Town Hall raised awareness and helped provide toys to 1,622 families and 7,300 children in need with the joy of opening a gift during the holiday season.

Due to the continued COVID-19 pandemic, this year's drives involved a few challenges. However, together, we were able to make the holiday season a little brighter for 2,638 families in need. Without JVC Broadcasting Company's caring commitment to our local communities, this would not have been possible.

Once again, JVC Broadcasting's contributions and commitment to the Town of Brookhaven Youth Bureau's INTERFACE Thanksgiving Food Drive and Toy Drive is greatly appreciated. We wish everyone at your company a very happy and healthy New Year and look forward to working with you in the future.

Sincerely,

Josephine Lunde
INTERFACE Coordinator
Brookhaven Youth Bureau
