Re: Your request for carriage of KTCA/KTCI

Dear Ms. Speer:

I am writing on behalf of Twin Cities Public Television ("TPT") in response to your email of April 8, 2005 to Glenn Fisher. We are pleased that you wish to carry KTCA and KTCI on your service in La Crecent, Houston, Rushford, Caledonia and Eitzen. We hope that you will be able to carry it on channels 2 and 17 respectively in your system.

TPT is a **non-commercial broadcast station** broadcasting in analog on channels 2 and 17, and digitally on channels 16 and 35. As such, under Title 47 Part 76 of the FCC Rules and Regulations, retransmission consent is not necessary. In addition, please be aware that if the compulsory copyright license pursuant to 17 USC 111 does not cover your retransmission of our signal, and any additional payments are due, you are solely responsible for those payments.

Very Truly Yours,
