

Certificate of Class A Television Station Eligibility
Class A Television Station WOCK-CD, Chicago, Illinois

This certifies that WOCK-CD continued to satisfy the eligibility requirements for Class A television station status during the calendar years 2020, 2021, and 2022, by:

(1) broadcasting a minimum of eighteen (18) hours per day (except for any temporary periods of disruption of broadcasting as may be permitted under the FCC's rules or special temporary authority, if any); and

(2) broadcasting an average of at least three (3) hours per week of "locally produced programming" (as such term has been defined by the FCC, and again, except for any temporary periods of disruption of broadcasting as may be permitted under the Commission's rules or special temporary authority, if any).

Certified this 28th day of February, 2023.
