

Lightner Communications 1771 Beaver Dam Road Claysburg, PA 16625 (814)-239-8323

May 8th, 2023

**Disclosure: Late Filing of EEO** 

Lightner Communications was unable to file anything in our public file for a period of 3+ Weeks. When trying to log into the public file owner dashboard, most of our stations didn't show up! The stations that did show up, you couldn't log into.

See ticket below.

Subject: FCC Help Case HD0001160251 Resolution

The information you requested from the FCC can be found below in the body of the

If you have any questions contact us at

To: <matt@lightnerelectronics.com>

(877) 480-3201.

Thank You!

email.

Case Id: HD0001160251

Summary: FRN Log In (Owner)

Description: Hello I'm trying to upload Political files to the OPIF and I can't get into a majority of my stations. The previous logins I just used for quarterly reports does not

work. Logging into the Owner Dashboard for FRN 0026576223 shows the following stations missing:

WRTA-AM 67505 (Need to upload political)

WBRX-FM 60909

**WTRN-AM 1056** 

WKFO-AM 69975

Also it has an old station in there where the callsign has been changed WWGE 63425. It also shows the correct call letters under another entry WYUP as 63425.

Thank You

66777777

Good afternoon,

The Online Public Inspection File (OPIF) Team advises a work ticket has been created to address this issue. We were not given a timeframe for implementation. You may check the site periodically and if they advise us this is resolved we will also let you know. If you happen to follow-up on this issue in the future, please provide us with the case number/ID in the header of this email. Thank you.

If you have any further questions or need additional information, please submit a help request at <a href="https://www.fcc.gov/wireless/available-support-services">https://www.fcc.gov/wireless/available-support-services</a> or call the FCC Licensing Support Center at (877) 480-3201.

Sincerely,

FCC Licensing Support Center 8:00 AM – 6:00 PM EST, M – F
