Vanita Halliburton the co-founder of the Grant Halliburton Foundation joined me on the program to talk about the toll that the pandemic has had on people’s mental health with people feeling isolated and disconnected, especially young people. We talked about signs to be on the lookout for that someone may be spiraling in to depression or struggling with mental health issues and we talked about the work that the Grant Halliburton Foundation does to help youth dealing with mental health issues here in North Texas. We talked about the program that they have and how they have adapted to virtual programs for schools since many schools are still online and with limited access to be in schools for presentations. Guest: Jenny Harper the Market President of Big Brothers Big Sisters Greater Dallas

Of course the Coronavirus pandemic has changed the way that mentoring organizations meet up with their mentees from in person to virtual connections. Jenny Harper from Big Brothers Big Sisters Greater Dallas joined me to talk about mentoring in the age of Covid 19 and how they have actually increased the number of mentors because it is easier for people to take part in their programs. We talked about who can become a big and how the organization finds the littles and how they connect them with their mentor. Jenny talked about the time commitment that they expect from those who volunteer to be Bigs and the impact that the Bigs have on the lives of young people. Jenny shared Bigs in Blue which pairs a little with someone in law enforcement and Operation Bigs which helps children who have a parent in the military and also their program that helps those who have an incarcerated parent. Tammy Richards joined me on the phone to talk about volunteer opportunities in North Texas and the work that Volunteer Now does to connect volunteers to nonprofits in our area. Tammy talked about how things have changed as a result of Covid 19 but how the need is greater to help organizations that have been impacted by the economic shutdown. The need for help from food banks and school programs has increased and Tammy talked about what was most pressing right now and how volunteers are the backbone of our community. Tammy talked about all of the nonprofits that they work with here in North Texas and how every day there are opportunities for people to help out by donating an hour, two hours, weekly, monthly or yearly and every little bit has a huge impact on our community. Issues Covered: Economic Issues, Food Insecurity and Education.

Guest: Alison Reese the Executive Director of the Souper Bowl of Caring

Topic: The Coronavirus pandemic has had such a huge impact on the nation's economy and has forced many families to turn to food banks for help. As more and more food banks in North Texas step up to help families in need, some who never had ever turned to a food bank, the food banks are turning to citizens who can help to make donations of food and money so that they can continue their mission of taking care of those in need. The Souper Bowl of Caring, which is underway now through Super Bowl Sunday, highlights the issue of food insecurity in our area. In North Texas 1 in 5 kids is food insecure and that number is surely going to rise as a result of the pandemic.
