Re: Children's Programming Certification

Dear Nisha:

This letter is in connection with the Children's Television Act of 1990 and the requirement under FCC regulations that cable television systems maintain records sufficient to determine whether they are in compliance with the commercial content restrictions of the Act for "children's programming" which is defined as "programs originally produced and broadcast primarily for an audience of children 12 years old and younger."

As requested, this will confirm that for 2020, Game Show Network, LLC certifies that the Game Show Network is in compliance with the commercial content restrictions of the Act.

#### SENT VIA EMAIL

RE: <u>Certification of Compliance, Q4 2020</u>

Dear Partner.

This Letter is intended to assist you in satisfying your obligations under i) the Children's Television Act of 1990 (the "CTA"); and ii) the Telecommunications Act (Accessibility of Video Programming), and any FCC regulations relating thereto in connection with your carriage of our video programming services, Insight TV.

#### CTA

TV Entertainment Reality Network B.V. (trading as "Insight TV") hereby certifies that Insight TV did not air children's programs (as defined in the CTA) in Q4 2020, and we trust that this enables you to satisfy your obligations under the CTA in connection with your carriage of Insight TV.

#### **Closed Captioning**

In addition, Insight TV has established that a number of self-implementing exemptions apply to it. Section 79.1 (d) (Title 47, Chapter 1, Subchapter C, Part 79, Sub part A, §79.1) on Accessibility of Video Programming provides that any video programming or video programming provider that meets one or more of the following criteria shall be exempt from having to provide Closed Captioning:

A. 79.1 (d) (9): Programming on a video programming network for the first four years after it begins operations (...).

B. 79.1 (d) (12): No video programming provider shall be required to expend any money to caption any channel or stream of video programming producing annual gross revenues of less than \$3,000,000 during the previous calendar year (...). For the purposes of this paragraph, each programming stream on multicast digital television channel shall be considered separately for purposes of the \$3,000,000 revenue limit.

Ad A: With reference to paragraph 154 of the Report and Order (MM Docket No. 95-176) and footnote 552 of the 2014 Report and Order on Closed Captioning of Video Programming (CG Docket No. 05-231) the four-year exemption commences from the date the new network has launched. Since Insight TV only launched in the US as of October 2017, this exemption applies up until October 2021.

Ad B: In addition to the exemption of section 79.1 (d) (9), Insight TV is also exempt under section 79.1 (d) (12), as the annual gross revenue produced on Insight TV's US channels in the previous year has not exceeded the \$3,000,000 threshold, nor will it exceed such threshold in 2020.

Sincerely yours,

On behalf of Insight TV
