Re: Operator Interests in Programming Certification

To Whom It May Concern:

Consolidated Cable Vision, Inc., owns and operates Consolidated Channel 18. Consolidated Cable Vision, Inc. is a wholly owned subsidiary of Consolidated Enterprises, Inc., which is a wholly owned subsidiary of Consolidated Telcom. Consolidated Channel 18 has been in operation since August 2008.

None of the aforementioned companies have any attributable interests in any other video programming besides Consolidated Channel 18 programming.

None of the aforementioned companies have any attributable interests in any other cable systems.

As an officer of Consolidated, I have authority to make this certification.

Sincerely,

Bryan W. Personne
Chief Executive Officer
