Public Affairs Programs

RADIO HEALTH JOURNAL: A 30-minute syndicated radio magazine of in-depth public affairs. It looks at economics, government reform, consumerism, education, substance abuse, domestic and child abuse, urban/rural problems, poverty, food safety, etc. Broadcast Sundays at 5:00AM.

GREEN COUNTRY SPEAKS A program hosted by KMYZ on-air personality Chuck Stikl every Sunday Morning at 6:00AM. It tackles a wide range of topics that include charitable organizations, politics, social action, family, the arts and culture, health, family issues, nature and the area we live in.

Quarterly Issues/Programs List

1ST quarter of 2024

KMYZ-FM / Pryor, OK

The following is a list of programs aired that have provided the station's most significant treatment of community issues.

DATE	Time	Duration	Topic	Issue	Description
1/7	6:00	10:51	IF YOU HAVE A BRAIN, YOU'RE AT RISK FOR A SEIZURE -- LET'S TALK ABOUT IT	cannabis; seizure; neurology; nervous system; cbd; thc; deep brain stimulation; vulnerable populations; FDA; cannabinoids; consumerism; brain surgery; contamination; bioaccumulates	While seizures are more common in very young and old age groups, they can happen to anyone. Our experts break down what causes seizures, who is a candidate for brain surgery, and why cannabis is becoming a popular treatment option.

1/21	6:00	12:28	MENTALLY ILL INMATES: SAFETY AND JUSTICE OR SUFFERING AND VENGEANCE?	incarceration; mental illness; mental institutions; jail; prison; criminals; psychosis; community care; public health; public safety; healthcare; consumerism; public policy; health policy	American prisons are full of people with mental illness, but does the system actually fulfill its promise of reform for these inmates? Dr. Christine Montross, a psychiatrist, says many of them aren't getting the correct help that will make a difference in their lives – and make our society a safer place when they're released. She breaks down the prison system and offers alternatives programs to solve this crisis.
2/4	6:00	9:22	PRYOR PUBLIC LIBRARY PROGRAMS AVAILABLE	Community, literacy, education	The Pryor Public Library has many programs to offer the community including Adult Literacy programs, Toddler Storytime, books & Brews, Genealogy, and Health Resources. We go over details and a calander of events.
2/18	6:00	10:35	"EAT TO SURVIVE": WHY AMERICANS LACK PROPER EDUCATION ABOUT NUTRITION	nutrition; diet; public health; fiber; healthy lifestyle; gut microbiome; illness; immunity; cancer; chronic disease; obesity; diabetes; heart disease; supplements	Many children in America are taught about nutrition through the USDA's balanced food plate known as MyPlate. Unfortunately, these graphics don't accurately portray a proper (and realistic) diet, which leaves many people feeling confused and frustrated. Loni Love, a comedian, explains the obstacles she's faced during her journey towards a healthier lifestyle.
2/25	6:00	13:22	Pryor Public Schools Summer 4Explore Program	Public education; public health; public health; retraining	Lessons will be provided 4 days a week for math, reading and Action-based Learning. Transportation can be provided and breakfast and lunch will be provided. We discuss

					all the details and who qualifies.
3/3	6:00	13:33	Summer Nutrition Program	Food insecurities; Public health	The Cherokee Nation Summer Nutrition Program is now accepting applications for the Summer EBT for Children program. We discuss the program which is available to anyone
3/24	6:00	11:08	CANCER DRUG SHORTAGE: DECIDING WHO LIVES AND WHO DIES	cancer; manufacturing; generic drugs; FDA; chemotherapy; drug shortages; economics; consumerism; raw materials; breast cancer; supply chain issues; testicular cancer; colon cancer; patient safety	When a manufacturing plant in India halted production in 2022, cancer patients in America were told their chemotherapy drugs were experiencing a shortage and doctors had to decide who would get the remaining supply. Our experts explain the effects of this ongoing shortage and how we can make sure it doesn't happen again.
