ABORTION

CROSSTALK

11/3/2022 54 MIN Jim Schneider and Brad Mattes
M-F 2:01PM, Schneider and Mattes, president of Life Issues Institute, discuss how abortion, a key
REPEAT 8:01PM issue, may be impacted by the upcoming November 8th election.

CROSSTALK

11/30/202 54 MIN Jim Schneider and Daniel Tomlinson
M-F 2:01PM, Beginning with Mother's Day weekend, pro-life organizations especially have come
REPEAT 8:01PM under attack by those engaged in extreme violence simply because there are states
that are forbidding the killing of children in the womb. Investigations into these
crimes have been slow. Schneider talks with Tomlinson, vice president of
advancement at CompassCare Pregnancy Services in New York, about this issue.
In June of this year, CompassCare Pregnancy Services' Buffalo facility was
attacked by Jane's Revenge, a pro-abortion domestic terrorist group. After many
months, the FBI has finally released some of the video surveillance footage
provided to them and have offered a \$25,000 reward for information leading to the
arrest of the arsonist(s). Are they finally doing something because of actions taken
by the House Judiciary Committee regarding the FBI? Tomlinson shares his
thoughts.

CENSORSHIP

CROSSTALK

12/5/2022 54 MIN Jim Schneider and Alex Newman
M-F 2:01PM, Communist China is a growing threat to the world and is guilty of many things.
REPEAT 8:01PM Civilian surveillance, censorship, citizen crackdowns, and climate pollution are just
some of China's concerning actions. In spite of all of this, China seems to get a
"pass," and at times even accolades, from those that are pushing for world
government. Schneider talks with Newman, an award-winning international
freelance journalist, about these things and more regarding the threat of China.

CROSSTALK

12/15/202 54 MIN Jim Schneider and R. Cort Kirkwood
M-F 2:01PM, When Elon Musk said he would make a bid for Twitter, there was an uproar from
REPEAT 8:01PM those on the "left." Many were concerned how he might upend the company and
what might get exposed. Many have left the company while others have been
released since Musk has taken over. In the wake of the ownership change, Musk
has called his organization both a social media platform as well as a crime scene.
There are revelations that backup previous allegations and that expose what was
going on behind the scenes; cover-up, disinformation, censorship, shadow banning
of conservatives, and more. Schneider talks with Kirkwood, a contributing writer to
The New American, about Musk's "Twitter Files."

CHILDREN/YOUTH

WPTH

CROSSTALK

10/3/2022 54 MIN Jim Schneider and Alex Newman
M-F 2:01PM, Schneider talks with Newman, an award-winning international freelance journalist, about some of the concerning things that are happening in America's education system today, especially public schools. Is there an agenda that is intolerant of Christianity? Is the education system fostering hatred toward America? Why are less than one-third of American students proficient at any subject? What data is being collected by educators and what are they collecting it for? Newman addresses these questions and more.
REPEAT 8:01PM

CROSSTALK

10/4/2022 54 MIN Jim Schneider
M-F 2:01PM, There's much going on in America that's causing disruption, confusion, chaos, and intimidation in order to cause divisions across America. We see this in various "targets" that Schneider discusses. One example: members of a Vermont women's high school volleyball team have been banned from utilizing their own locker room following a dispute over a transgender athlete using the facility.
REPEAT 8:01PM

CROSSTALK

10/10/202 54 MIN Jim Schneider and Randy Thomasson
M-F 2:01PM, Schneider and Thomasson, founder and president of savecalifornia.com, discuss how California continues to go downhill, moving away from conservative values. For example, California Senate Bill No. 107 encourages minor children to come to California for sex change operations and transgender drugs. It also allows California courts to remove such children from their parent's custody if they object. Issues such as this impact all of America.
REPEAT 8:01PM

CROSSTALK

10/17/202 54 MIN Jim Schneider and Pastor Curtis McMiller
M-F 2:01PM, From major cities to rural communities, record violence is taking place in the U.S. In addition to the shootings, murders, knifings, car jackings, reckless driving, and vandalism, there's also an epidemic of child sex crimes. Schneider talks with Pastor McMiller of Heritage Baptist Church in Kenosha, Wisconsin, about America's crime epidemic. Why is there a crime epidemic? Pastor McMiller gives five reasons: a departure from purity which has moved us away from righteousness, the delay in punishment, the depravity of politicians, the dereliction of parents, and the disconnect of certain preachers/pastors when it comes to the Word of God. How can this crime epidemic be stopped? Pastor McMiller provides three biblical solutions: we need to get back to the Word of God, we need to be willing to work, and we need those who will boldly stand up for what is right.
REPEAT 8:01PM

CROSSTALK

10/18/202 54 MIN Jim Schneider and William J. Federer
M-F 2:01PM, Schneider talks with Federer, president of AmeriSearch, Inc., about Socialism, deconstructionism, and the battle for the minds of students. M-F 2:01PM, Children are being targeted in our secular culture. Influences seek to lure children
REPEAT 8:01PM away from moral values, have them question right versus wrong, and sometimes
have them alienate themselves from their parents. Children are also being
indoctrinated into aberrant lifestyles with the intent of normalizing that which is
abnormal. In other words, so many children are simply headed in the wrong
direction and need to be reached for Jesus. Child Evangelism Fellowship is an
organization that is focused on reaching children around the world for Jesus.

fulfillment of Bible prophecy.

Many have left the company while others have been released since Musk has taken over. In the wake of the ownership change, Musk has called his organization both a social media platform as well as a crime scene. There are revelations that backup previous allegations and that expose what was going on behind the scenes; cover-up, disinformation, censorship, shadow banning of conservatives, and more. Pastor McMiller gives five reasons: a departure from purity which has moved us away from righteousness, the delay in punishment, the depravity of politicians, the dereliction of parents, and the disconnect of certain preachers/pastors when it comes to the Word of God. How can this crime epidemic be stopped? As we approached Christmas, unprecedented numbers of immigrants were making their way toward the southwest border of the U.S. in anticipation of the lifting of Title 42. Yuma County, Arizona declared a state of emergency, not only for health reasons, but also regarding the vast number of illegal immigrants using the key word "asylum" to gain entrance. The courts have stopped the lifting of Title 42, but for how long? Will the turnstile into the U.S. continue to operate unhindered as we enter the new year? Schneider and Krikorian, executive director of the Center for Immigration Studies, discuss these things and more regarding the ongoing and worsening immigration crisis at the United States' southern border.

Also, Howse and Cyrus talk about whether it's likely that Islamists from Russia are planning the next major terrorist attacks in the U.S. Additionally, Howse talks with Wood about his book titled, "The Evil Twins of Technocracy and Transhumanism." The following is a portion of a brief description of the book on amazon.com: "This is the everyman's introduction to Technocracy and Transhumanism that builds on my previous books on Technocracy. Both are primary to the World Economic Forum's Great Reset, in partnership with the United Nations, to replace Capitalism with an alternative economic system called Sustainable Development, aka Technocracy. Further, humans themselves are targeted by Transhumanists to change the human condition into Humans 2.0 via genetic engineering. Thus, Technocracy transforms the structure and economic system of the world, while Transhumanism transforms the people who live there."

Series: The World vs. the Kingdom of God

Monday, October 3 – God’s Kingdom is Not of This World

For over two hundred years the majority of the United States believed that marriage was between a man and woman. But that all changed in a fifteen year span. Unfortunately, the biblical view of marriage is just one foundational belief that society has jettisoned recently—and who knows what will go next. With so much in the culture that is upside down today, can the church make a difference? John MacArthur has an encouraging answer today on GRACE TO YOU.

Tuesday, October 4 – Bold Proclaimers of Gospel Truth (#1)

The apostle Paul suffered constant beatings . . . deprivation . . . and even a stoning. Yet, no matter how evil the world became or how often he was persecuted . . . the apostle Paul endured. But what gave this man of God the strength to say faithful . . . what truths did Paul cling to when his trials seemed impossible to endure . . . and then got harder? John MacArthur begins to answer that question today on GRACE TO YOU.

Wednesday, October 5 – Bold Proclaimers of Gospel Truth (#2)

In his book, *Seven Way to Fix the World* Christopher Barnettes suggests mankind needs to adopt a low energy lifestyle . . . listen to a diversity of opinions . . . and put more women in authority. And while some of his ideas could help, none of them would truly fix the world’s problems. If you could only do one thing to fix mankind greatest issues, what should you do? John MacArthur tackles that questions head on today as he continues his brand-new series called . . . *The World vs. the Kingdom of God*.

Thursday, October 6 – Gospel Glory in Post of Clay (#1)

You used to be able to assume that the average person on the street—in America at least—would have a basic knowledge of the gospel. But now it can’t be taken for granted that someone has heard about sin . . . the resurrection . . . or even about Jesus Christ. So in a society that becoming more and more biblically illiterate—how do you effectively preach the gospel? Do you need to master a new technique? Hear more on GRACE TO YOU with John MacArthur.

Friday, October 7 – Could Jesus Come Today? (#2)

He’s known as the church’s first martyr—Stephen. Acts 7 tells us that after being mocked, beaten, and stoned, he cries out, “Lord, do not hold this sin against them.” With his last breath, he did not insult his attackers or seek revenge, he obeyed and glorified Christ. Now, you’ll probably never have to face that kind of persecution. But like Stephen you live in a culture filled with people, institutions, and politicians that hate you. John MacArthur continues his brand-new series on GRACE TO YOU titled . . . *The World vs. the Kingdom of God*.

Monday, October 10 – A Plea to a Governor Who Mocks God

You may have heard about an open letter that John MacArthur wrote to California’s governor. It has prompted a lot of discussion about leaders who blaspheme God . . . and how the church should respond. That in mind, be here for a new interview called “A Plea to a Governor Who Mocks God”—we’re preempting our regular schedule to bring it to you . . . on GRACE TO YOU.

Tuesday, October 11 – Calling Rullers to Repentance (#1 of 2)

After California’s governor recently had billboards put up in politically conservative states, encouraging women there to come to California to have abortions, John MacArthur wrote an open letter to the governor . . . and then preached the message that you’ll hear on the next GRACE TO YOU. Tune in as we interrupt our regular schedule to air that message, titled . . . “Calling Rullers to Repentance.”

Wednesday, October 12 – Calling Rullers to Repentance (#2 of 2)

You may think the only way to make government better is by voting out the bad leaders. But when was the last time you prayed for bad leaders to become good leaders—for God to redeem the people in authority over you? John MacArthur recently called his church to pray for the repentance of California’s governor. Learn why as we break from our regular schedule . . . on GRACE TO YOU.

Series: The World vs. the Kingdom of God (Cont’d)

Thursday, October 13 – The Church has no Fellowship with the World (#2)

In the early twentieth century, a movement swept across Christianity that taught that the church should focus on fighting alcoholism, poverty, any other social ills. Now, while those are good desires, should they be at the heart of the church’s mission? What does Scripture say about the purpose of the church—why was it created and how should it function? Consider that today as John continues his study on how you can effectively serve the Lord and flourish spiritually even amid the social chaos that is commonplace today on GRACE TO YOU.

Friday, October 14 – Bible Questions and Answers, Part 58

John MacArthur’s going to take a break from walking you verse-by-verse through a passage of Scripture. Instead, he’s going to field questions about the Bible and the Christian life. The questions come from people at John’s home church in Los Angeles . . . they’re probably questions you’ve wondered about.

Series: Freedom from Sin

Monday, October 17 – Dying to Live, Part 1 (#1)

Maybe you just paid off your credit cards . . . or retired a car loan. But as significant as breaking financial shackles may be . . . breaking the bonds of sin is far more important. But can you even experience freedom like that in this lifetime? John MacArthur points you to the answer in his study called *Freedom from Sin* . . . here on GRACE TO YOU!

Tuesday, October 18 – Dying to Live, Part 1 (#2)

One theologian has said that holiness starts where justification ends . . . and if it doesn't start, we can suspect that justification never started either. What that means for you and me: If you don't see holiness in a professing believer, it could well be that person really isn't a Christian. So the question for us is . . . does holiness characterize our lives—have we experienced freedom from sin? John MacArthur brings us face to face with that issue today on GRACE TO YOU.

Wednesday, October 19 – Dying to Live, Part 2 (#1)

Romans chapter 6 talks about Christians experiencing the death of the “old man.” If you’re wondering what that means practically in your life, we encourage you to stay with us as John MacArthur continues the compelling study titled *Freedom from Sin* . . . on today’s GRACE TO YOU.

Thursday, October 20 – Dying to Live, Part 2 (#2)

Why is it that . . . even knowing sin’s terror and consequences . . . we so often find it enticing? And how can you defend yourself from sin’s allure? John MacArthur is helping you answer those questions as he shows you why you can know true Freedom from Sin. That’s the title of his series here on GRACE TO YOU.

Friday, October 21 – Dying to Live, Part 3 (#1)

Yesterday, John examined the apostle Paul’s logical argument, really—a legal argument—explaining why and how Christians can lead holy lives. He’s continuing a study on how to experience true holiness . . . and the kind of freedom uniquely available to believers. Freedom from Sin—that’s John’s focus and the title of our study. That’s today on GRACE TO YOU.

Series: Freedom from Sin

Monday, October 24 – Dying to Live, Part 3 (#2)

There are many new additions being talked about these days—smartphones, plastic surgery, shopping. But far harder to break then even the worst addiction is our enslavement to sin. Yet if you’re a Christian, you have choice to not sin. But what sort of effort and timeframe does it take to break free from the grip it has on you? Consider that today on GRACE TO YOU, as John MacArthur takes us to the book of Romans for the answers

Tuesday, October 25 – Free from Sin, Part 1

The Bible makes clear you can’t serve opposing teams, enemy governments . . . or different masters. More than just common sense . . . you might say it’s a universal law. We’ll examine that concept today on GRACE TO YOU . . . as John MacArthur turns a new corner in our compelling study from Romans 6 and 7—the title . . . *Freedom from Sin*.

Wednesday, October 26 – Free from Sin, Part 2 (#1)

It’s where the enemy is met . . . where good strategy sustains you . . . or bad planning breaks you—a place of victory . . . or defeat. Well in this case, the enemy is sin . . . and the field of battle is you—your person. As far as intensity goes, there’s never been a more brutal war. As far as having victory goes . . . well, you may already have the keys to victory at your disposal. We trust John MacArthur’s lesson on GRACE TO YOU will help you find out for sure.

Thursday, October 27 – Free from Sin, Part 2, (#2)

Thanks for taking time out of your Thursday to join us on GRACE TO YOU . . . as John MacArthur continues a discussion of, frankly, some pretty difficult issues from the book of Romans. It’s all part of a series of lessons on how to experience . . . *Freedom from Sin*.

Friday, October 28 – Dead to the Law

When we think about dying, I suppose it’s human nature to have a couple of selfish thoughts: One, that we won’t die for some time yet . . . and two, that when we do die, it will be peaceful—easy, if you will . . . happening in our sleep, perhaps. Actually, though, you can be thankful if you experience one particular, violent death. John MacArthur explains today . . . as we continue our *Freedom from Sin* study with a message titled *Dead to the Law*.

Series: Freedom From Sin

Tuesday, November 1 – The Believer and Indwelling Sin, Part 1 (#1)

The challenge of the Christian life is to consistently think and act biblically. Yet no matter how many right moves you make, you don't make every right move—you still sin. Why is that? Why can something you truly hate still have so much power over you? Consider that today on GRACE TO YOU, as John MacArthur continues his look at the book of Romans in a series titled . . . *Freedom from Sin*.

Wednesday, November 2 – The Believer and Indwelling Sin, Part 1 (#2)

Every day you face decisions with eternal consequences. Of course, I'm not referring to decisions like . . . what you should wear to the office or eat for breakfast. I'm talking about the choice you face to either go to battle against any desire, attitude, or action, that contradicts God's law . . . or to allow sin to control you. Where do you stand in that war? How can you fight it more effectively? Consider that today on GRACE TO YOU as John MacArthur continues his study on how through Christ you can know . . . *Freedom from Sin*.

Thursday, November 3 – The Believer and Indwelling Sin, Part 2 (#1)

Only as a Christian do you have the capacity to feel the weight of sin . . . because you're spiritually alive—you're sensitive to sin . . . a sensitivity you should be cultivating daily. The apostle Paul certainly did . . . and from Paul, you'll better understand the horrible nature of sin . . . and how to experience freedom from it. So keep listening . . . as John MacArthur continues his study on GRACE TO YOU titled . . . *Freedom from Sin*.

Friday, November 4 – The Believer and Indwelling Sin, Part 2 (#2)

A good thought to keep in mind as you battle against sin. Sometimes you will defeat it . . . other times, sin will batter and bruise you. But the question is . . . do you have the drive to keep fighting your sinful flesh? If you don't, what does that say about your spiritual condition? Questions to keep in mind today on GRACE TO YOU as John MacArthur continues his current titled . . . *Freedom from Sin*.

Monday, November 21 – What Makes Christians Most Thankful (#2)

This Thursday—Thanksgiving Day here in the United States—provides the perfect opportunity for you to pause and reflect on the things you're thankful for. But have you ever wondered . . . what should make Christians most thankful? John MacArthur tackles that crucial question today on GRACE TO YOU . . . a practical lesson you'll hear in a few moments.

Tuesday, November 22 – In Everything Give Thanks (#1)

Thankfulness—it's foundational to your spiritual health . . . and one the easiest attitudes to neglect—even on the day bearing its name! So how do you cultivate a thankful attitude . . . both this holiday week in the United States and all year? Consider that today on GRACE TO YOU in a message John's titled . . . "In Everything Give Thanks."

Wednesday, November 23 – In Everything Give Thanks (#2)

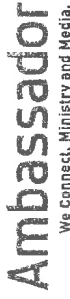

Tomorrow is Thanksgiving Day here in the United States . . . a wonderful time to reflect on God's goodness. Of course, for Christians, every day should be a day of thanks . . . because of the profound blessings we have in Jesus Christ. That in mind, John MacArthur has a timely message today on GRACE TO YOU titled "In Everything Give Thanks" . . . helping you see the many, many reasons you have to give thanks no matter what you're facing today—or face in the future.

Thursday, November 24 – Rejoicing Always (#1)

It's become a day more associated with travel, eating, and football games than what American President Abraham Lincoln envisioned. It was in 1863 the president declared the first official Thanksgiving, a time for remembering "the gracious gifts of the Most High God." And what's perhaps most significant about Lincoln's declaration is that it came in the middle of the U.S. Civil War . . . a reminder that even during serious troubles, God is gracious, merciful, and deserves our thanks. So even if you're facing a time of testing today—Thanksgiving Day in the United States—join John MacArthur here on GRACE TO YOU as he looks at why, if you know Christ, you can rejoice in any circumstance.

Friday, November 25 – Rejoicing Always (#2)

It's easy to be happy and content when things are going your way. But how can you be thankful when you're mistreated . . . falsely accused . . . even when your life is in danger because of your faith? Bottom line, why should you still be grateful even when life is hard? John MacArthur shows you biblical answers to that question today on GRACE TO YOU as he continues a special week of broadcasts. Today's sermon is titled . . . "Rejoicing Always," and it just might help you cultivate thankfulness all year long.

Series: Getting in Step with the Christian Walk

Monday, November 28 – The Lowly Walk, Part 1 (#1)

It may seem like a waste of time . . . learning to put your right foot in front of your left . . . and do it as the same time as the rest of a platoon. But the truth is, if you can't march . . . if you can't follow simple orders . . . you'll never master the more complex and difficult challenges of military life. In the same way, there are a few simple tasks—marching orders—you must master if you're a Christian. John MacArthur explains today GRACE TO YOU in a study he's titled . . . *Getting in Step With the Christian Walk*.

Tuesday, November 29 – The Lowly Walk, Part 1, (#2)

Imagine it's one of the most basic commands in Scripture . . . that every Christian walk in a manner worthy of the gospel. So, what does that walk look like? How do you know if your life . . . well . . . honors Christ? And when you fight temptation . . . when sin frustrates you and your Christian walk stumbles . . . how should you respond? John MacArthur answers important questions like those here on GRACE TO YOU, as he continues his current study titled . . . *Getting in Step with the Christian Walk* . . . a series covering the basic steps you can take to live a life that honors Christ.

Wednesday, November 30 – The Lowly Walk, Part 2 (#1)

Thanks for tuning in for this mid-week edition of GRACE TO YOU, as John MacArthur continues his foundational study titled . . . *Getting in Step with the Christian Walk* . . . with a look at the remarkable power of God's Word. It's practical insight that can help you navigate a strained relationship . . . a stressful job . . . a moment of temptation . . . any circumstance.
