RE: Station Chief Operator

It is an FCC requirement that each station have designated Chief Operator. The chief operator is to review the station logs least once each week to determine if required entries are being made correctly and to SIGN AND DATE the log upon completion of the review. The chief operator is also responsible for inspection and calibration of the transmission system, monitors, metering and control systems in addition to any equipment performance measurements or other tests as specified in the rules or terms of station authorization. [See 73.1870]

At KFNW the designated Chief Operator is Gregory Schmitke.

Signed  Station Manager Date 03/16/22

At KFNW the designated Assistant Chief Operator is Allen Jones. This person assumes the role of the Chief Operator when the Chief Operator is away from the station or for some other reason is unable to fulfill his/her duties.

Signed  Station Manager Date 03/16/22
