

# The Fan KLGN ISSUES LIST

October 1 to December 31, 2023

Submitted January 10, 2024

---

The station is locally owned (Sun Valley Radio, Inc.), locally operated and involved in the community we serve. It is the valley's tradition station of local news, information, entertainment, public service and involvement in the everyday lives of the people who live in the area. We are in our 35<sup>th</sup> year of operation, providing Sports-Talk programming for Logan, Cache County, Northern Utah and Southern Idaho.

106.9 FM 1390 AM The Fan carries two hours of local sports talk, high school basketball and football. We are also the local affiliate for the Utah Jazz. We also program a variety of national sports talk programs; The Dan Patrick Show, The Herd with Colin Cowherd, The Doug Gottlieb Show and Fox Sports Radio.

Our local talk show, Full Court Press, a locally produced, sports talk show in the 4 to 6 pm hour weeknights. It is hosted by Eric Frandsen and Jason Walker, Monday through Friday afternoons. During these shows we invite local athletes and teams on-air to talk about their seasons. A show summary is attached.

Between October and December, KLGN was contacted multiple times by local law enforcement regarding road closures and severe traffic accidents. We broadcasted PSA's notifying listeners of the potential delays.

During the fourth quarter, KLGN continued broadcasting Sky View High School football and basketball games. The games' audio airs on the radio, with video available at [www.CacheValleyDaily.com](http://www.CacheValleyDaily.com).

In November and December, KVNU participated in and promoted Cares for Christmas, helping local families that need assistance for the holiday season but who didn't actively pursue help. These families were nominated by trusted individuals in our community and we helped promote what their needs were, asking our listeners to drop off donations at our station.

KLGN also continued to offer tours and spoke to groups interested in radio. These groups included Boy Scouts of America, Girl Scouts of America, church and school organizations.

KLGN always runs extra commercials and announcements to help in this period promoting fundraisers and events. Some groups running schedules were Child and Family Support Center, Cache Valley for Hope, Alzheimer's Coalition, Sub for Santa, Common Ground Outdoor Adventures, Chamber of Commerce, and other local groups having fund raisers to help ailing or needy people in our valley.

We also have a web site [www.1069thefan.com](http://www.1069thefan.com) and [www.CacheValleyDaily.com](http://www.CacheValleyDaily.com) which instantly updates sports, especially local sports, plus has local community events calendars, and free classified advertising, plus business links. We use social media sites Facebook and Twitter to also inform listeners.

---

We all live in our community and we believe in promoting all the good events and activities that our listeners are involved in, or could get involved in.
