Owner- Scott Insurance and Financial Services

**What are the most important needs and problems facing your community? What are the major needs and problems facing your community as they concern your group or organization?**

Making college more attainable for more young people by starting the saving process early, through parents, guardians and other family members is key to success. We have a number of new options that allow people to set money aside in advance that won't "break the bank," while still caring for a young persons other needs.

COMMUNITY LEADER ASCERTAINMENT SURVEY

Station: WFLS, WWUZ, WWVB, WNTX      LOCATION: on the phone

Person Interviewed: with Jason Fried AND David Heinemeier Hansson

Address:

Phone:

City, State, Zip:

Age: 12-17 18-45 46-65 over 65

Ethnicity:

**Occupations, organizations, interests, and titles:**

Jason and David—authors of the *New York Times* bestseller REWORK, and founders of the trailblazing software company 37signals

**What are the most important needs and problems facing your community? What are the major needs and problems facing your community as they concern your group or organization?**

The practice of working remotely—or telecommuting, as it's often referred to—has been quietly on the rise for years. But the announcement in early 2013 that Yahoo! planned to dismantle its remote work program put the practice at the center of a heated global debate. In **REMOTE: Office Not Required** (on sale October 29), authors Jason Fried and David Heinemeier Hansson move the debate forward, offering both employers and employees fresh insights regarding where—and how—work can happen in a way that optimizes both productivity and job satisfaction

He is currently a fellow and active member of the American Academy of Pediatrics and has published over 39 peer reviewed articles during his career.

**What are the most important needs and problems facing your community? What are the major needs and problems facing your community as they concern your group or organization?** Regarding influenza, the most important need facing the community is the need to get vaccinated. The most important protection against the flu is the seasonal flu vaccine. This year, for the first time ever, there are quadrivalent (4-strain) flu vaccines available that have the potential to provide broader protection against seasonal influenza.

President, Rappahannock United Way

**What are the most important needs and problems facing your community? What are the major needs and problems facing your community as they concern your group or organization?**

The most important need in our community is to help more households emerge from poverty and improve financial stability. We help children be ready for kindergarten; individuals graduate high school; individuals become workforce ready; individuals align spending and savings with income; individuals improve healthy behaviors to avoid health risk factors and reduce negative behaviors that are detrimental to family and individual safety.
