5	3/19/2019	Provision of training to management	The station's parent company, Quincy Media, Inc., has made available (on a mandatory basis) to the station a series of workplace training courses (video modules) created by Kantola Training Solutions. These modules are intended to educate employees and managers about non-discrimination, harassment, and other workplace-related issues. All personnel at the station are required to participate and complete Kantola modules on a regular basis. Each module is followed by a quiz, which must be completed. Certificates of completion are maintained in personnel files of managers and non-managers alike. As of 3/19/19, all employees at the station were required to participate in a session entitled "Harassment & Diversity." This course requires each employee to individually view an online presentation lasting approximately 20 minutes, followed by a 10 question quiz. The module provides a different viewpoint depending on whether the individual is a manager or non-manager; in that way both managers and non-managers are provided with training appropriate to their relative position.	42	General Manager Creative Services Supervisor General Sales Manager Local Sales Manager
