**BOIL WATER ADVISORY**

**TO THE RESIDENTS OF LAMAR, SC**

**(June 27, 2023)**

The Lamar Public Works Department advises the residents of Sanko, Lane, Reynolds, Adams Circle, and South Darlington and all adjacent areas in the Town of Lamar, located in Darlington County, to vigorously boil their water for at least one (1) full minute prior to drinking and cooking. As a precaution, we would advise all citizens who purchase water from the Town of Lamar to adhere to that advisory.

A major line break in The Town of Lamar water system has resulted in a loss of pressure and service to many of the customers of the system. There has been no confirmed contamination of the system. However, because of the loss of pressure, customers are advised to vigorously .boil their water for at least one (1) full minute prior to drinking or cooking until otherwise notified by the Lamar Public Works Department. Also, any ice made from water that has not been boiled should not be used for drinking purposes.

The Lamar Public Works Department is presently working to correct the problem.

If you should have any questions concerning this Notice, you may call:

**James Howell [Mayor] (843) 496-5383**

**Elijha Enoch-Smith [Public Works Supervisor] (843) 468-3688**
