

Dear Roger & Janet

Words can't express my appreciation
for the use of your Country Cafe. You
are generous people. The practice session
have been so great. I also appreciate
the kindness extended to Al and making
him feel a part. He has expressed to
me that you are good people and
he has great admiration for both
of you for taking care of Heather.
The ladies had a wonderful time
at the Professional Women Luncheon. Al
& I listened to the CD and laughed
as if we had never heard the songs.
May God Bless

Daphne
