III. RECRUITMENT INITIATIVES

	Type Of Recruitment Initiative (Menu Selection)	Brief Description Of Activity
1	Participate in Events or Programs sponsored by educational institutions relating to career opportunities in broadcasting.	Vantage Project is an innovation of the Minnetonka Public Schools. In this innovative new program, students will work on a project team, on location, solving real-world problems and learning about the challenges of project-driven work. Under the direction of our KXXR Programming personnel the students are mentored in the area of Digital Media. The students have visited the station and have attended the KXXR morning show. The programming personnel keep in contact with the students via e-mail and/or text a couple times a month to give advice to the students on projects they are working on in class. This program has been in place since early October 2016.
2	Internship Program/Promotions Department	Our SEU hosts an ongoing internship program designed to provide participants with “hands-on” experience and teach them “the world of radio” to facilitate a successful career in broadcasting. The SEU recruits interns from a wide variety of educational institutions which include: the University of Minnesota; the University of Wisconsin; the University of St. Thomas; Sanford-Brown College; IPR/Institute of Production Recording; Hamline University; St. Cloud State University; and, The Minnesota School of Business. Additionally, internship opportunities are posted on station websites, which are updated regularly. The internships run twelve months and interns are expected to devote 5-to-15 hours per week to the SEU. Individual stations Promotion Directors supervise the interns during this reporting period, which included 3 interns for KQRS-FM and 4 interns for KXXR-FM.
