FIVE ISSUES FOR THE FCC - 3rd Quarter

7/1/14 – 7/30/14 Our station continued to update our listeners on volunteer and relief efforts needed to clean up from fatal storms in June. The storms caused millions of dollars in northeast Nebraska and killed two people. The storms displaced over 100 residents. We ran a series of stories on where, when, and how people could help out with the relief effort.

8/6/14 – 9/6/14 Historic horse racing became a hot topic of debate in the state and our community after lawmakers decided to put the issue on the November general election ballot. An anit-gambling group sued the state saying the issue was illegally stated on the ballot. The Nebraska Supreme Court eventually removed the issue from the ballot. During the discussion on the topic, we presented both pros and cons of the ballot measure to our listening in a series of news stories and interviews.

8/15/14 – 9/30/14 During this period when continued to offer residents periodic updates on the new high school for Columbus Public Schools. Voters in May approved a \$49.9 million dollar bond to build a new school. Over this month and a half period, we updated listeners on the progress of the new school leading up to the groundbreaking ceremony of the building. We also offered the opportunity for public comment on the plans of the new school.

9/9/14 – 9/29/14 We updated our listeners on the developing story involving the Lt. Governor of Nebraska. We informed listeners from the time a restraint order was issued on Lavon Heideman, to his resignation, to his eventual replacement. We ran a series of stories on what the position is responsible for and why it is required by state law to have a Lt. Governor.

9/1/14 – 9/30/14 Election season is in full swing and our station is providing ample information on candidates in each of the contested races. We ran a series of stories on candidates running for Governor, Senate, and other state offices. We offered information on dates and times of debates in various races.
