We want to thank you for your contribution to a Great Fundraising Event at Ann & Dave's Kitchen. We are grateful for all the people that came together to honor our granddaughter, Rachel and to support the Arthritis Foundation. This cause is very important to us and we want to be a part of finding the Cure. Through the efforts of so many people, our event raised over \$5,000 in our fight against this devastating disease.

Thank you for your support,

Dear Helping Hand Supporter:

Thank you for your outstanding support of the 2019 Helping Hand Auction. We appreciate your personal support of our local auction efforts and all that they benefit. Running a benefit like Helping Hand takes lots of supporters. And this year was no different. We are so appreciative of your generous donations in the way of funds and resources. The support you have given will go to benefit many groups and individuals across our community this coming year!!

We plan to distribute to 85 local organizations and groups at our annual meeting to be held in April of 2019. At that time we will recognize our top fund raising communities and groups. We salute all who helped us raise over \$325,000 before expenses this year. That represents over 10,500 items that were sold. Another terrific year!!!

Each day at the auction, we try to recognize our faithful sponsors, like you, for your generous support and donations. Thank you for giving us your time, talents, goods and resources to help us meet our needs. We also want to remind you that all the funds that will be distributed will go to groups in our Paris and Henry County area. So we raise the money locally and we give the money locally.

We hope we can count on you for your continued support in 2020! We want to continue to be able to offer a "helping hand to those in need in our community."

Yours truly,

Mary Kate Ridgeway
