

Information Regarding Political Advertising Orders Placed by Charter-Spectrum

In Minnesota, some of the political advertising that appears on the Midcontinent Communications dba MIDCO cable system, has been purchased through Charter-Spectrum and sold on MIDCO's behalf.

Information about those orders are provided to MIDCO by Charter-Spectrum. Political orders for candidates and/or issue campaigns purchased through Charter-Spectrum, especially orders that run on multiple MIDCO systems in Minnesota, can also be found in the online public files that are maintained by Charter-Spectrum directly.

If you have questions about the contents of this online public file, please contact us:
