Pure Nebraska 10:30-11:30p		Monday thru Friday
MomsEveryday: The TV Series 6:30-7p	Friday	

All of the above programs are locally produced News programs presenting a mix of news, weather, sports and issue-related Feature stories. Issue-responsive program segments are usually one to three minutes in duration unless otherwise indicated.

Webchannel: Nebraskans have a place on the Internet to go for local news and information. As more people turn to the Internet on a daily basis, people can count on KSNB to be the local news and information leader on the web. KSNB's website is an important source of local news stories of all kinds, community information, public service, and other internet resources. KSNB's home page offers links to topics, which include news, weather, sports, health, family, education, government and community. It also includes up-to-the minute video streaming of news stories, weather forecasts and includes special features such as [Live Streaming and Live Chat] watching live press conferences through web streaming. While stories are continually posted and eventually drop off of the top 30 or so visually displayed, they never actually leave the Webchannel Feature server making these accessible for viewers to conduct a search to retrieve each of these in the future. Video segments stay within the server approximately 1-2 days.

Regular NBC Network News Programs Carried by KSNB:

EARLY TODAY 4:00-4:30am	Monday thru Friday	
EARLY TODAY 4:30-5:00am	Monday thru Friday	
TODAY SHOW 11:00am	Monday thru Friday	7:00-

SATURDAY TODAY SHOW 9:00am	Saturdays	7:00-
SUNDAY TODAY SHOW 8:00am	Sundays	7:00-
MEET THE PRESS	Sundays	8:00-9:00am

All of the above programs are network news programs presenting a mix of news, weather, sports and issue-related Feature stories.

All KSNB Newscasts are closed captioned for the hearing impaired. Station conducts all weekly random EAS tests as well as monthly scheduled test in preparation of needed emergency announcements. Station airs Public File and Children's Programming Report spots as required.

ALCOHOL & DRUGS

Your Health (On-Going Series)

NBC Nebraska News at 5pm Everyday

Your Health is an ongoing new series giving daily reports on the latest in medical advancement and studies. These reports include health information and drug and alcohol related problems from national, international and local studies, reports, reputed organizations and the government and covers issues targeting several demographics: from women, to the elderly, youth and minority groups Your Money - This segment features tips and advice from financial experts as well as market reports and investing news.

Opioid Abuse (2/13/17 10pm :40)

Nebraska wants to make sure your understanding of opioid abuse is very clear. A new advertising campaign is seeking to raise awareness.

HRD Drug Program (2/14/17 6pm 1:38)

It is a big budget year for Nebraska and, if approved, millions of dollars will be headed towards Hastings. It is for a program that helps young men fight drug and alcohol dependency.

Marijuana (3/16/17 5pm 1:45)

Nebraska finds itself on a short list of states that do not approve of medical marijuana. Will that soon change? A proposed bill would make weed legal if it is prescribed.

Seward Meth Bust (3/25/17 10pm :35)

A drug bust in Seward County ended with deputies seizing over five and a half pounds of methamphetamine. The Sheriff's office arrested two suspects.

ANIMAL CONTROL & WELFARE/ PET HEALTH & LAWS

Star Over Rover (On-Going)

NBC Nebraska Today 6am Weekly

Interview on News 5 Today on Wednesdays We feature an animal weekly that is in need of a good home plus tips/advice on how to better take care of your own pets.

Heartland Pet Connection (On-Going)

NBC Nebraska Midday (News at 11:30am) Fridays

Interview on News 5 at 11:30am on Wednesdays with the Heartland Pet Connection. Tips and advice on how to take care of your pets. An animal that is in need of a good home is also featured.

G.I. Neglected Animals (1/8/17 10pm 2:04)

The Central Nebraska Humane Society is entering its 50th year of service to our communities. It is still working to fix its biggest challenge....finding homes for neglected and abused animals.

Spray/Neuter Month (1/27/17 10pm :50)

The Central Nebraska Humane Society wants you to get your pet fixed. Doing so not only helps control the animal population but it can also help prevent your dog from getting cancer.

Saving Your Pet (1/28/17 10pm :50)

Dangers for your family pets could be in your own back yard. An animal control officer says that leaving your pets outside all the time is not good.

Dangerous Dogs (3/12/17 10pm 1:47)

The list of dangerous dogs in Grand Island keeps growing. The Central Nebraska Humane Society says codes concerning your pets could be changing.

Dogs Seized (3/24/17 10pm :45)

Merrick County authorities take action seizing twenty-one dogs from a residence they say is unfit for proper animal care. Three people are behind bars.

CONSUMER INFORMATION AND PROTECTION

Your Money (On-Going)

NBC Nebraska News at 5pm

Special consumer and money information keeps viewers "On the Money". This segment features tips and advice from financial experts as well as market reports and investing news.

Gas Tax Hike (1/3/17 10pm 1:30)

Drivers are seeing red as they now have to give up more green at the pump. It is because our states gas tax continues to grow and your Senators voted for it.

ATM Skimmers (1/11/17 6pm :40)

A warning when you fill up at the gas pump. Crooks are trying to steal your credit card information. The Sheriff's office has some advice so you can protect yourself.

Generator Safety (1/12/16 10pm :55)

Nebraskans know we are in for the long winter haul. There is a chance with winter storms that you can lose power. If you use a generator, it can be dangerous.

Used Car Shortage (2/22/17 10pm 2:10)

Car shoppers have changed their buying habits. They are purchasing more used cars rather than getting a new one. Dealerships are seeing a shortage in used cars.

Online Sales Tax (3/15/17 6pm 1:14)

Local retailers are excited about a proposal that would force online stores to collect state sales tax. They say this proposal can help level the playing field.

CRIME AND PERSONAL SAFETY**Stolen Cars (1/25/17 6pm 1:49)**

Leaving your car running unattended with the door unlocked can result in a theft. A remote start locks your car doors for safety and it is really useful when the weather is bad.

G.I. Burglaries (1/26/17 10pm :30)

A warning from police if you leave your house noticeably unoccupied during the day. Police say crooks like to target homes after you have left for your work day.

G.I. Violent Crime (2/7/17 5pm 1:55)

A rise in violent crimes is causing concern in the city of Grand Island. So much so that the police department is being forced to act quickly.

How Safe Is Your Device? (3/9/17 10pm 2:23)

The internet has become so entwined into our day to day lives. There are concerns about how those household items and the amount of personal information could be breached.

DIVERSITY/COMMUNITY INCLUSION**Boy Scouts (1/31/17 5pm 1:45)**

The Boy Scouts of America are now allowing transgender children to become members. We caught up with Boy Scout leaders here in Central Nebraska to hear what they have to say about the major move.

Immigration Rally (2/4/17 6pm :50)

People continue to fight the President's executive order on immigration. In Grand Island many are making their voices heard in a protest supporting immigrants who find shelter and jobs in Central Nebraska.

Light The Way Vigil (2/20/17 10pm :40)

A sign to refugees saying you are safe and you are welcome. Standing up for those who come to America for a better life. That is what people are doing in Nebraska and across the country as part of the "Light The Way Vigil".

Local Food Insecurities (2/26/17 10pm 1:58)

One in eight people in Nebraska struggle with hunger. People who do not know where their next meal will come from now have a new option in Gibbon. The Little Free Pantry is the community's project to fill a big need for people needing food.

Yazidi Community (3/3/17 10pm 2:03)

Lincoln hosts the largest Yazidi community in North America. The Yazidi Cultural Center was started in Lincoln so families could build a strong foundation and bring the community together.

Immigration Protest (3/12/17 10pm 1:23)

Protesters chanted, sang and raised their voices in Hastings. They lined up to show that they are against President Trump's immigration ban.

Immigration Struggles (3/21/17 10pm 2:54)

They came here with nothing but hope for a better life. We share personal stories about the struggles of immigration. An in-depth look at what can be a very long journey to the United States.

ECONOMICS/EMPLOYMENT/DEVELOPMENT

Your Money (On-Going)

NBC Nebraska News at 5pm

Special consumer and money information keeps viewers "On the Money". This segment features tips and advice from financial experts as well as market reports and investing news.

Trans-Pacific Partnership Local Reax (1/24/17 6pm 1:07)

President Trump's executive order on the Trans-Pacific Partnership is coming at a bad time. Local farmers say the industry is already going through some unfortunate times with the livestock sector hurting and the surplus of crops.

Solar Power Deal (1/24/17 10pm 1:35)

A large piece of land in Kearney will soon undergo a big transformation. The City Council is moving forward with an eleven million dollar solar energy product.

Nebraska Business Impact (1/31/17 6pm 2:14)

President Trump is taking aim at business. Ending a temporary freeze and setting new regulations in motion. Business owners here in the tri-cities say this order impacts everyone...even if you are not a business owner.

Railside Vacancies (1/31/17 10pm 2:16)

Attracting more businesses and people to downtown Grand Island is an ongoing priority. The addition of a new brewery is getting people excited about the direction of Railside.

Tech One (2/2/17 6pm 1:37)

The largest solar park in the state of Nebraska is being built right here in the tri-cities. An eleven million dollar solar panel project has been approved.

G.I. State Of The City (2/13/17 6pm 1:11)

The farm economy is hurting and it is hurting rural towns and cities in the process. That is one of the problems that Grand Island is trying to solve. They have begun a process designed to make the community pull together.

Mexico - Corn/NE Impact (2/14/17 6pm 2:05)

A Mexican leader wants his country to stop buying corn from the United States. Mexico is Nebraska's top market when it comes to foreign corn exports. This potential ban on U.S. corn is something local farmers do not want to think about.

Day After BG&S Fire (2/18/17 10pm 1:42)

Downtown Hastings businesses are dealing with the aftermath of a devastating fire at BG&S Transmissions. Businesses are still feeling the heat and seeing a change of pace.

Lutheran Services (2/18/17 10pm :45)

Two Nebraska refugee resettlement agencies are cutting staff positions in the wake of President Trump's executive order restricting refugees from entering the U.S. Lutheran Family Services has announced it will eliminate fifteen jobs.

Nebraska Retail (2/20/17 10pm :40)

Shoppers are heading to cities to buy what they need according to a new University Of Nebraska-Lincoln study. The study found a direct connection between population and retail activity. However, there are ways for small town shops to stay competitive.

Grand Island Housing Shortage (3/5/17 10pm :45)

Housing options are limited in the tri-cities. In Grand Island it is at an all-time low with just eighty-five properties listed for sale.

Bridges Program Cut (3/7/17 5pm :30)

More than thirty jobs are leaving Hastings. The State is shutting down a program that serves the developmentally disabled.

EDUCATION

GICC Drug Testing (1/3/17 10pm 2:05)

Grand Island Central Catholic will soon be randomly drug testing its students. School officials feel the decision is a necessary one and will ensure better learning in the classroom and many parents agree.

GINW - Chapman Vote (1/8/17 10pm :25)

The Grand Island Northwest school board is going to reconsider its vote to close the Chapman School at the end of this school year. The board will either ratify or rescind the vote they took last month.

NW District Complaint (1/21/17 10pm :30)

A group in support of keeping Chapman School open has filed a complaint with the Nebraska Attorney General's office. The group alleges that Northwest District Board's decision to close the school violated the State's Open Meetings Act.

School Choice (1/26/17 6pm 1:40)

Nearly fifteen hundred people gathered at the capitol steps for a school choice rally. They want to highlight how school choice has led to growth and opportunity for Nebraska students.

Travel Ban (1/30/17 10pm 2:30)

The executive order is clearly hitting home with many students in the tri-cities from all different colleges and universities. International students in the tri-cities are scared they may have to choose between their families and their education.

Elementary Crowding (2/1/17 6pm 2:14)

Growth is good, but it means we will need to make adjustments. We look at what that means for your child's education.

Student Force (2/1/17 6pm 1:35)

A Nebraska Bill that would change the way teachers handle students. If approved, it would allow teachers to use physical force as a form of discipline. Legislative Bill 595 is making local school officials squirm.

UNL In G.I. (2/6/17 10pm 2:16)

UNL is looking to the future and sharing its vision with Central Nebraska. UNL aims to grow the campus in areas important to the State.

Devos Vote Reaction (2/7/17 6pm 1:26)

Betsy Devos was sworn in as our new Secretary of Education. It is a major cabinet victory for President Trump but local educators are saying otherwise.

Dyslexia Bill (2/8/17 6pm 1:34)

According to the National Center for Learning Disabilities, students with dyslexia are more likely to drop out of school. A bill, if passed, would add a definition of dyslexia under state statute and will eventually pave the way for teachers to be better trained on methods of dealing with dyslexia in the classroom.

Chapman Decision (2/13/17 10pm 1:27)

Chapman School can keep its doors open, at least for now. However, some staff will lose jobs and many students will have to transfer elsewhere.

Grand Island Public School Changes (3/3/17 5pm 1:25)

The Grand Island Public Schools district has made some changes to its schedule. The changes will go into effect this coming school year.

Student Loan Bill (3/10/17 6pm 2:18)

Students set to graduate college this year may have some good news. A bill has been introduced has potential to take a big weight off of students shoulders and put a big chunk of change in business owners pockets.

New G.I. Elementary (3/13/17 10pm 1:10)

The school board for Grand Island meeting is all about reviewing the district's vision, goals and action plan process to better serve its students. One topic of discussion that will have a physical impact is construction of a new elementary school.

Stand For Schools (3/14/17 6pm :45)

Education is taking center stage. If a proposed bill passes, charter schools would be allowed in Nebraska.

Nebraska Science Test Scores (3/21/17 6pm 2:10)

If you have a child in one of Nebraska's public schools, chances are they are scoring better in science than other students nationwide. We dig through the results of the National Assessment of Educational Progress.

ENVIRONMENT/NATURAL DISASTER/WEATHER

Storm Damage (1/3/17 6pm :50)

Winds are chilling, but hopefully not damaging, like those of Christmas Day that reached 75 miles per hour. Downed power poles in north Grand Island are one of a few visible reminders of the Christmas night storm.

Wintry Weather (1/12/17 10pm 1:25)

As the weekend approaches keep the weather on your mind. We are tracking chances for wintry weather that means snow, rain and ice.

Utilities Weather Prep (1/13/17 10pm :45)

The possible ice storm this weekend has many people in the tri-cities getting prepared for power outages. The Utility Director in Grand Island says they have extra workers on standby just in case the storm hits.

Hastings Ice Prep (1/14/16 10pm :40)

As the ice nears many people are grabbing last minute essentials. People took to the dry roads today to grab milk, bread, water and batteries in case the power goes out.

Weather/Roads/Closings (1/15/17 10pm 2:45)

Conditions across Nebraska continue to worsen as we deal with an ice storm. Much of the state is under some kind of winter warning.

Fire Nuts & Bolts/Out Of Control Burn (2/15/16 10pm 1:46)

We could use the rain. Much of Central Nebraska is at a high or very high risk for fire danger. We saw a portion of wildlife reserve get charred after a controlled burn got quickly out of control.

Weather/Traffic Trouble (2/24/17 10pm 1:25)

It was not so much the snow that caused problems around the area. It was the high winds that created white-out conditions, snow drifts and icy roads.

Winds/Fire Danger (3/6/17 6pm 3:32)

High winds across the tri-cities are posing a serious threat. Sixty mile per hour winds are a factor in this increased fire danger.

Wind Impact (3/7/17 5pm 1:32)

Another red flag warning day. We take a look at how the winds and increased fire danger impact our local emergency crews. Strong winds and dry ground are a killer combination for grass fires.

Solar (3/8/17 5pm 1:40)

Is Grand Island going green? Just a few weeks ago the city of Kearney said yes to a solar energy project. Now, the city of Grand Island may soon be jumping on the bandwagon.

These reports include health information and drug and alcohol related problems from national, international and local studies, reports, reputed organizations and the government and covers issues targeting several demographics: from women, to the elderly, youth and minority groups.

Carbon Monoxide (1/17/17 10pm 2:00)

The danger with carbon monoxide is that it is an odorless, colorless gas that can make you ill. A high enough concentration can kill you if it is not detected early. One of the best ways to protect yourself and your family is to install a battery operated carbon monoxide detector.

Carseat Tips (2/7/17 10pm :45)

Even though a used carseat may be cheaper...it may not be the best choice. In fact, most manufacturers recommend replacing carseats that are more than six years old. For those who cannot afford a brand new car seat there is help.

Avoiding Bad Childcare (3/22/17 5pm 1:50)

The thought of a child being harmed or neglected is making local child care workers stomachs squirm. They say it is never right for a child to be left in improper care and that parents need to do their research before choosing a day care.

New Year Resolution (1/2/17 6pm 1:42)

People want to look good and feel good for the New Year. For some people the feeling fades and Taco Johns starts looking better and better. How people can stay motivated to hit the gym rather than the drive- thru.

School Sickness (1/8/17 10pm :50)

As students head back to school parents are asked to be mindful of cold and flu season. Germs can spread quickly inside the classroom.

HPV Vaccinations (1/11/17 6pm 1:25)

Pediatricians say you could start your children on the HPV vaccine as young as nine and continue until age twenty-six. But, unfortunately, vaccination rates remain low across the country.

Flu vs. Common Cold (2/26/17 10pm 1:25)

We take an in-depth look at the serious health risk the flu can turn into. How you can tell when the common cold is something more serious.

Aplastic Anemia (3/1/17 10pm 2:32)

A cancer so rare that your chances of getting it are one in a million. We share one teen's incredible story. It is a battle that takes a lot of will to beat. She and her family say her fight has opened their eyes on the importance of blood donations.

Dandruff Woes (3/18/17 10pm 1:51)

Lack of moisture is actually affecting our skin including your scalp. If what you see is not dandruff ...what is it?

Nebraska Healthcare Report (3/19/17 10pm :32)

The House of Representatives will vote on a bill that would repeal and replace the Affordable Care Act. Critics of the plan say Nebraska would see larger than average increases because it has a disproportionate share of older and low income residents.

Allergy Season (3/21/17 5pm 1:35)

Warmer temps may make some smile, but for others, it makes them sneeze. It is only the second day of spring and many say their allergies are already kicking in.

Brain Damage Resources (3/23/17 6pm 1:58)

Brain injuries . . . they are traumatic and can happen to anyone at any age. According to some who live with these injuries day in and day out, there is a real lack of resources here in Nebraska.

Health Care Vote Delay (3/23/17 10pm 1:40)

There are families on edge... waiting for the outcome of this fierce battle. The Republican play could mean major cuts to state Medicaid budgets and fewer services of children according to a non-partisan analysis.

Healthcare (3/24/17 10pm 2:05)

After hours of trying to persuade moderate Republicans President Trump and House Speaker Paul Ryan come up short on passing the GOP Healthcare bill. Now... what's next?

LOCAL SPORTS & OTHER EVENTS OF IMPORTANCE

5th Quarter (On-Going Segment)

Thursdays & Fridays at 10pm

High school games including volleyball, basketball, football, etc., are highlighted along with star athletes in the community.

PrepZone Weekly

30 minute weekly program Saturdays 9am

PrepZone Weekly is a weekly local program produced/hosted by our Sports team. The program focuses on high school athletics, including all sports participation including but not limited to football, volleyball, basketball, wrestling, track, softball, baseball, golf, swimming, gymnastics, and Speech & Debate. Interviews with athletes, parents, coaches, medical training staff and administrators can be included.

Ice Fishing (1/3/17 6pm :90)

For many fishermen seeing that fresh icy glaze over the lake gets their blood pumping. Before drilling in to the ice they need to be keeping their eyes peeled for danger zones.

NSAA Vote (1/11/17 10pm :25)

All the districts are discussing what is being called the "Success Rule". This is a rule that would implement a point system. If sports programs accumulate 10 success points for four straight years they would have to go up a class.

Cattleman's Classic (2/18/17 10pm 1:43)

There are cowboys, horses, and of course, a good ole' fashioned rodeo. The annual Cattlemen's Classic is officially underway in Kearney. What started way back the early 90's has grown year after year.

Nebraska 150 (3/1/17 Various Newscasts, Various Lengths)

Happy Birthday to all of us. The State of Nebraska hits a landmark birthday this March 1st. It is a day for celebration across the State. Some events are already in the books but there is more to come.

State Basketball (3/2/17 6pm & 10pm 2:03)

A lot of you are probably traveling to Lincoln for the Girls State Basketball Tournament. Games are being played at Pinnacle Bank Arena, the Devaney Center, Lincoln North Star and Lincoln Southwest.

POLITICS/GOVERNMENT

Property Tax & Schools (1/12/17 6pm 1:40)

Governor Pete Ricketts has a message for all Nebraskans in his State of the State Address and it is that we need to tighten our belts. We are looking a projected \$900 million dollar budget shortfall.

Ricketts In Kearney (1/18/17 10pm 1:20)

Ricketts says the revenue gap must be closed without increasing taxes. He has proposed a budget that limits spending increases to 1.7 percent a year for the next two years.

Nebraskans In DC (1/19/17 10pm 1:46)

Nebraskans are arriving in our nation's capital to see Donald Trump become President. Some will get a pretty good vantage point thanks to the free tickets they got from their Congressmen.

Trump Latino Reax (1/20/17 6pm 1:30)

Some of President Trump's comments and promises during his campaign have some members of the Latino community concerned. Local community leaders say they have a challenging four years ahead.

Family Payout (1/22/17 10pm :30)

Nebraska cares about our first responders and their families. A proposed bill would offer at least a fifty thousand dollar payout to relatives of a police officer or firefighter who dies on duty.

Kintner (1/23/17 5pm 2:10)

A Nebraska lawmaker who was previously embroiled in a cyber-sex scandal is back in the headlines. This time it is over a retweet that went viral during the Women's March.

Trump Pipeline (1/24/17 5pm :45)

A Presidential executive order greenlights two major pipeline projects. Now area farmers and the group Bold Nebraska are sounding off.

Kintner Resigns (1/25/17 10pm :45)

There will be an open spot in the Nebraska State Legislature. Senator Bill Kintner is stepping down and he does not want his resignation to be seen as a win for liberals.

Ricketts Presser (1/27/17 10pm :45)

Governor Pete Ricketts talks about the issues important to Nebraska tax payers including the next step in filling the Legislative seat.

Refugees In Grand Island (1/29/17 10pm 1:50)

The impact of a travel ban from President Trump is felt right here in the tri-cities. The 90 day ban is not only hurting refugee families it also may take some people's jobs away.

Tax Relief Plan (1/30/17 10pm :50)

A new bill would reduce the State's personal income tax rate to below six percent over eight years. Governor Ricketts says lowering the rate would encourage businesses to hire more people and invest more in their operations.

Nebraska Property Taxes (2/3/17 10pm :45)

Low commodity prices make it difficult for some farmers to pay market based property taxes. The Governor wants to base property taxes on the income the land produces rather than its market value.

Halloran On LGBTQ (2/4/17 6pm 1:42)

In the tri-cities people wanting change when it comes to gender identity laws are reaching out to Senator Steve Halloran. They asked Senator Halloran if he would oppose any bill which will define someone's gender.

Tax Plan Split (2/5/17 10pm :30)

A tax plan has created a split among Nebraska groups. Business owners are praising the Governor's proposal but farmers and ranchers say it does not do enough to address rising property taxes.

Brewers Bill (2/9/17 10pm :46)

Do you love craft beer? Your favorite frosty brew could get more expensive and harder to find if a bill passes. That is according to craft brewers who showed up to a rally.

Pro Choice/Life (2/11/17 10pm 2:11)

Joining nationwide protests...people in Lincoln rally on both sides of the abortion debate. The protestors remained peaceful but some of them got a little rowdy.

Death Penalty In Nebraska (2/12/17 10pm 1:01)

Nebraska has the green light when it comes to capital punishment. When will the executions resume? The state is actively searching for ways to acquire the drugs need to carry out executions.

Smoking Bill (2/16/17 5pm 1:35)

The legal age for smoking currently sits at eighteen but one proposal is looking to push it back to twenty-one. Smoking, chewing tobacco and alternative nicotine products, such as e-cigarettes, all apply to the bill.

TransCanada Latest (2/19/17 10pm :56)

TransCanada is not giving up...still hoping to get the Keystone X-L Pipeline built in Nebraska. With the permit application on file TransCanada is reviving its plans despite opposition.

Fischer Protest (2/21/17 10pm :42)

Senator Deb Fischer is facing backlash. 100 Demonstrators packed the sidewalk chanting and carrying signs. The bottom line: they want to see change.

Planned Parenthood (2/23/17 10pm :50)

Many people in the tri-cities are weighing in on the major policy change when it comes to healthcare. This includes passing bills that would strip Planned Parenthood of federal funding.
