

Quarterly Report
Jul, Aug, Sept (3rd qtr)
2019

It is our endeavor to serve the public interest. Station KQIS Kiss 105.3 & 1340
broadcast programming
responsive to issues of concern to the state of Arkansas and its listening public. The
following is a brief
description of these issues and the station's most significant programming treatment of
them:

7-27-19

The station joined different local organizations to put on a back to school program that included providing backpacks and hair cuts to the community as well as driving home the importance of education.

7-29-19

Members of our staff participated in a special event at the local town center to promote being registered to vote and to learn about local elections and the candidates and how their decision impact the community they live in.

8-4-19

The station once again participated in another back to school event (in the city of Springdale) providing more essential school supplies to families in need of assistance. Food and activates were also provided.

8-17-19

The station participated in the annual Secchi Day Science Fair. A community event based around the importance of clean water and the environment. Games,

giveaways and fun interactive activities complemented the educational forums at the event.

8-28-19

The station was a part of the annual Razorbash at the University of Arkansas. We providing different ways to interact with the students as well as let them know about the different types of opportunities that there are in our field of communication as well as specifically with our radio station through possible internships.

9-28-19

Our station took part in a special Kickball for Kids charity event. The event promoted the work being done at the local Children's Shelter. We worked alongside the Mayor of Bentonville, AR as well as the local offices of many organizations who all donated their time and efforts to help benefit the children at the shelter.
