2019

It is our endeavor to serve the public interest. Station KQIS Kiss 105.3 & 1340 broadcast programming responsive to issues of concern to the state of Arkansas and its listening public. The following is a brief description of these issues and the station's most significant programming treatment of them:

4-6-19

Our company was joined by representatives of the annual "Walk A Mile In My Shoes" campaign to address the issue of the rising cost of living and how that effects homelessness in our Northwest Arkansas community.

4-26-19

Our radio station and staff promoted, sponsored & hosted a banquet held in order to celebrate diversity and inclusion in education. The importance of these issues was celebrated by honoring community members who have played a vital role in these efforts.

5-2-19

Along with a local non-profit, the company was able to participate in a special art exhibit of "The Portal" that was focused on how the arts may be used to positively impact members of a community and bring people from all walks of life together.

5-22-19

Our facility and staff hosted a group of elementary students for a special end of the school year program. 2<sup>nd</sup> grade students from a local elementary were given a tour of our facility as well as a chance to learn about radio and its inner workings.

6-11-19

Our company joined up with a local non-profit "Pedal It Forward" to promote how exercise, particularly bicycle riding can benefit many people. Our efforts to support the nonprofit and raise awareness of the organization are able to impact our community in many different ways. From helping the youth become more active as well as helping veterans, parolees and many others become mobile and lead themselves down a prosperous path.

6-13-19

We were joined by the University of Arkansas Juneteenth Committee to promote the upcoming community festival. Many nonprofits as well as local resource groups were involved in efforts to not only celebrate Juneteenth, but to help push the community as a whole to further growth in key areas.

6-22-19

Our company participated in the annual Juneteenth celebration held at the University Of Arkansas gardens. The company utilized this opportunity to touch the community in a number of ways. Connecting our audience with a number of different resource groups as well as providing education through entertainment throughout the festival.

6-24-19

Our staff hosted the annual "Dream Big Experience" which provides a special group of aspiring teens with a closer look at different opportunities that radio and company can provide. We held a tour for the students as well as a special Q&A.
