## January/ February/ March 2022

It is our endeavor to serve the public interest. Here on KQIS Kiss 105.3, we continuously broadcast issues of concern to Bethel Height and the surrounding listening public. The following is a brief description of these issues that were addressed during the 1st quarter. We continue to air daily and weekly briefings and updates in Bethel Heights on COVID-19, all it's new variants and vaccinations. We are also air PSA's informing the listeners up to date on various health concerns such as: Lung Disease, Colorectal Health Screenings, as well new COVID vaccination websites and testing centers.

Dom is the Voice of NWA and talked about food and healthy options with Jason Suel from KNWA on Fox 24. She talked about the NWACCP and the Break the Ice function for the community. Randy Coleman came by and talked about the importance of Black History Month and all the events at Fayetteville High School.

DJ D. Sewell talked with Nate Walls of Second Helping about equity for black women and how to help feed underserved communities in Northwest Arkansas. Also how and where to donate food to in NWA.

Heather Shelton came by to talk about how to start your own business and opportunities for minorities in entertainment in Bentonville, Arkansas.

Anthony Roman and Tommy Culpepper from the ALS foundation talked about how the community can help people with ALS and different programs that people with ALS can use for help.

Krystle Goodwin form the Single Parent Scholarship fund talked about different ways single parents can get their college paid. She also talked about support and funding for trade schools for single parents.
