"TENNESSEE HOME AND FARM RADIO" PUBLIC AFFAIRS FEATURE

This news and information feature is a production of the Tennessee Farm Bureau and is distributed daily by the Tennessee Radio Network (TRN). This feature is a news and information vignette and covers many current event topics related to rural communities and the industry of agriculture across Tennessee. It features local guests as well as experts from across the state speaking on various topics. This feature airs twice daily, Monday through Friday at 11:20AM and 4:20PM Central, and is two minutes in length. The feature is hosted by Tennessee Farm Bureau's Lee Maddox and Amy Beckham. Summaries of topics are listed below.

| Issues addressed during this quarter include: |  |  |  |
|---|--|--|--|
| DATE  | DESCRIPTION  |  |  |
| 01/01/2021 (Fri)                              | Today, a lot of us are hoping the start of the new year will bring better days as we all look towards containment of the coronavirus.  |  |  |
| 01/04/2021 (Mon)                              | The American Farm Bureau Federation is looking ahead to the 117th Congress. Chad Smith has more on AFBF's priorities in the new year.  |  |  |
| 01/05/2021 (Tue)                              | Weakley County farmer Andy Holt has taken a position with the Tennessee Department of Agriculture as Director of Business Development.   |  |  |
| 01/06/2021 (Wed)                              | Why do many of us fail to keep our New Year's resolution to start exercising? Gary Crawford has an expert with the answer.   |  |  |
| 01/07/2021 (Thu)                              | The American Farm Bureau Federation will kick off its virtual annual convention this weekend.  |  |  |
| 01/08/2021 (Fri)                              | Farmers in Henderson County are looking to diversify and take advantage of a new market opportunity for poultry farming.   |  |  |
| 01/11/2021 (Mon)                              | The farm economy outlook is improving thanks to trade, COVID-19 relief, and a market rally.  |  |  |
| 01/12/2021 (Tue)                              | Normally farmer delegates from all across the country would be gathering for the American Farm Bureau convention but because of the pandemic it was moved to an all virtual event.                               |  |  |
| 01/13/2021 (Wed)                              | Cannon County's Lou Nave has been elected once again to serve on the American Farm Bureau Women's Leadership Committee.  |  |  |
| 01/14/2021 (Thu)                              | The American Farm Bureau convention this year is almost complete and while farmers were hoping to be in-person at the 102nd annual meeting, COVID-19 caused it to go virtual.                                    |  |  |
| 01/15/2021 (Fri)                              | The American Farm Bureau has adopted their policy resolutions for the year after more than 350 delegates from across the county met virtually in their business session.   |  |  |
| 01/18/2021 (Mon)                              | Farm Bureau delegates voted on policy priorities for 2021 at the conclusion of the American Farm Bureau Federation Virtual Annual Convention. Micheal Clements shares what issues top the list for the new year. |  |  |
| 01/19/2021 (Tue)                              | The American Farm Bureau Federation is supporting Feeding America through sales of the #StillFarming to Feed America t-shirts.   |  |  |
| 01/20/2021 (Wed)                              | The latest update to the Coronavirus Food Assistance Program includes expanded eligibility for some commodities.   |  |  |
| 01/21/2021 (Thu)                              | The Biden Administration takes over in Washington and ag groups like Farm Bureau are hoping the transition is seamless for America's farmers and ranchers.   |  |  |
| 01/22/2021 (Fri)                              | Last year at the onset of the pandemic, we all saw empty meat counters at local grocery stores, and that caused the demand on local meat processors to skyrocket.  |  |  |
| 01/25/2021 (Mon)                              | The American Farm Bureau Federation released a report detailing how USDA NASS can improve accuracy and farmer confidence in survey results.  |  |  |
| 01/26/2021 (Tue)                              | The circumstances of a pandemic led the beef industry to shift its marketing and promotion focus on sales over the meat counter of grocery stores and supermarkets. Rod Bain reports.                            |  |  |
| 01/27/2021 (Wed)                              | The Department of Agriculture has updated the Coronavirus Food Assistance Program to provide relief to more producers. Micheal Clements shares who can apply for the relief.                                     |  |  |

"TENNESSEE HOME AND FARM RADIO" PUBLIC AFFAIRS FEATURE

This news and information feature is a production of the Tennessee Farm Bureau and is distributed daily by the Tennessee Radio Network (TRN). This feature is a news and information vignette and covers many current event topics related to rural communities and the industry of agriculture across Tennessee. It features local guests as well as experts from across the state speaking on various topics. This feature airs twice daily, Monday through Friday at 11:20AM and 4:20PM Central, and is two minutes in length. The feature is hosted by Tennessee Farm Bureau's Lee Maddox and Amy Beckham. Summaries of topics are listed below.

| Issues addressed during this quarter include: |   |  |  |
|---|---|--|--|
| DATE  | DESCRIPTION   |  |  |
| 01/28/2021 (Thu)                              | The University of Tennessee Institute of Agriculture has launched its new Tennessee Master Row Crop Certification program across the state.   |  |  |
| 01/29/2021 (Fri)                              | China purchased near record levels of U.S. farm products last year and that pace continues so far in 2021.  |  |  |
| 02/01/2021 (Mon)                              | Farmers like Jason Head of Montgomery County are concerned whether their H-2A workers from South Africa would be allowed to come to the U.S. given the travel ban now in place.   |  |  |
| 02/02/2021 (Tue)                              | Regardless of whether the groundhog sees his shadow or not, our farmers are gearing up for another planting season, but they will be mindful of the weather.  |  |  |
| 02/03/2021 (Wed)                              | President Joe Biden's nominee for Agriculture Secretary holds some of the same goals as the American Farm Bureau Federation. Micheal Clements shares what issues the administration will tackle.                            |  |  |
| 02/04/2021 (Thu)                              | One food safety expert says the food safety practices of many of us on Super Bowl Sunday might need further review.   |  |  |
| 02/05/2021 (Fri)                              | This week hundreds of farmers would have attended the West Tennessee Grain Conference in Dyersburg as in years past in person, but because of the pandemic, hundreds of farmers were able to successfully attend virtually. |  |  |
| 02/08/2021 (Mon)                              | Just looking at the upcoming forecast will make you shiver, as cold temperatures are expected throughout the week, and for farmers, this means extra care for livestock.  |  |  |
| 02/09/2021 (Tue)                              | Farm bankruptcies declined in 2020. However, as Micheal Clements shares, that doesn't necessarily mean the outlook for agriculture is improving.  |  |  |
| 02/10/2021 (Wed)                              | This week Governor Bill Lee delivered his state of the state address to state lawmakers and part of his budget proposals submitted are earmarked to invest in rural Tennessee.  |  |  |
| 02/11/2021 (Thu)                              | Its not everyday that a new tractor shows up on the farm, but that's exactly the case for 29-year old Kary Robinson of Franklin County.   |  |  |
| 02/12/2021 (Fri)                              | Tennessee's 7th District Congressman Mark Green says he's working to listen and support Tennessee farmers.  |  |  |
| 02/15/2021 (Mon)                              | A new Farm Bureau analysis offers a look at carbon sequestration by agriculture in the United States. Micheal Clements shares how the data reveals agriculture needs new technologies to advance sequestration efforts.     |  |  |
| 02/16/2021 (Tue)                              | West and Middle Tennessee farmers have been hit pretty hard this week with snow, sleet and extremely cold weather conditions and that means a lot of extra care for their livestock.  |  |  |
| 02/17/2021 (Wed)                              | Sometimes it takes events like this week's winter weather to really appreciate the job of our electric companies.   |  |  |
| 02/18/2021 (Thu)                              | What are the agricultural impacts of expanding extreme cold weather? Stephanie Ho has the story.  |  |  |
| 02/19/2021 (Fri)                              | A drop in government payments to farmers will cause a drop in overall farm sector income this year.   |  |  |

|---|---|--|
| DATE  | DESCRIPTION   |  |
| 02/22/2021 (Mon)                              | Farmers must pay H-2A workers more in 2021, as defined by a report from the Department of Agriculture. Micheal Clements shares what this means for agricultural employers.  |  |
| 02/23/2021 (Tue)                              | Even though the FFA Goodwill Tour is a little different with the pandemic, the message for support is still strong.   |  |
| 02/24/2021 (Wed)                              | University of Tennessee at Martin Chancellor Dr. Keith Carver talks about the student experience under the pandemic.  |  |
| 02/25/2021 (Thu)                              | With the state capitol and legislative office still under Covid protocol, Farm Bureau leaders across the state are connecting to their lawmakers virtually.   |  |
| 02/26/2021 (Fri)                              | American Farm Bureau Federation President Zippy Duvall told lawmakers farmers are part of the solution to climate change.   |  |
| 03/01/2021 (Mon)                              | Tennessee's 6th District Congressman John Rose, now in his 2nd term in Congress was recently recognized by the Tennessee Council of Cooperatives for the job he's done and is doing to promote our most important industry.   |  |
| 03/02/2021 (Tue)                              | Governor Bill Lee continues his recognition and unwavering support for the state's ag industry.   |  |
| 03/03/2021 (Wed)                              | A veterinarian, beef industry partner and expert in teaching and community engagement, Dr. Ashley Stokes has officially taken the lead as the new Dean of UT Extension.   |  |
| 03/04/2021 (Thu)                              | Every ten years, we go through the process of counting ourselves through the U.S. Census. And afterwards, the state comptroller's office studies and maps these numbers to draw new district lines.   |  |
| 03/05/2021 (Fri)                              | USDA's returning Secretary of Agriculture is returning to the agency with a greater appreciation for issues like trade.   |  |
| 03/08/2021 (Mon)                              | The Madison County Farm Bureau along Valley View Agri Systems has donated over \$6,800 to the Madison County Fire Department for grain bin rescue and training equipment.   |  |
| 03/09/2021 (Tue)                              | The post Leadership on the Farm appeared first on Tennessee Farm Bureau.  |  |
| 03/10/2021 (Wed)                              | Recently, leaders of the state's ag and forestry industry came together in person in Lebanon for the third annual Ag Industry Partners meeting.   |  |
| 03/11/2021 (Thu)                              | Representative Curtis Halford, state House member and Chairman of the Agriculture and Natural Resources Committee, understands agriculture is our most important industry and even still, understands agriculture needs a voice in Nashville.                                     |  |
| 03/12/2021 (Fri)                              | After 38 years at Tennessee Farmers Cooperative, CEO Bart Krisle is stepping down to enjoy more time with his family, but his time and memories at CO-OP will continue on.  |  |
| 03/15/2021 (Mon)                              | It has been years in the making and now it's a reality. Vonore, TN-based manufacturer Genera is now producing takeout containers that originate from the farm.  |  |
| 03/16/2021 (Tue)                              | First responders from seven lower Middle Tennessee counties just completed a course on grain bin awareness and rescue training.   |  |
| 03/17/2021 (Wed)                              | Every year the Tennessee Young Farmers and Ranchers gather with folks from the Tennessee Council of Cooperatives to have their Young Leaders Conference, and this year, despite the ongoing pandemic and challenges there, it was still a great event for leadership development. |  |

"TENNESSEE HOME AND FARM RADIO" PUBLIC AFFAIRS FEATURE

This news and information feature is a production of the Tennessee Farm Bureau and is distributed daily by the Tennessee Radio Network (TRN). This feature is a news and information vignette and covers many current event topics related to rural communities and the industry of agriculture across Tennessee. It features local guests as well as experts from across the state speaking on various topics. This feature airs twice daily, Monday through Friday at 11:20AM and 4:20PM Central, and is two minutes in length. The feature is hosted by Tennessee Farm Bureau's Lee Maddox and Amy Beckham. Summaries of topics are listed below.

| Issues addressed during this quarter include: |  |  |  |
|---|--|--|--|
| DATE  | DESCRIPTION  |  |  |
|   |  |  |  |
| 03/18/2021 (Thu)                              | Agricultural ecosystem credit markets are an emerging revenue stream, and Farm Bureau has recently begun to explore those markets through its Market Intel series.   |  |  |
|   |  |  |  |
| 03/19/2021 (Fri)                              | Tennessee is blessed to have an abundant number of farmers markets and since the onset of COVID-19, they have been elevated to perhaps an even higher status.  |  |  |
|   |  |  |  |
| 03/22/2021 (Mon)                              | All this week, we're celebrating National Agriculture Week, and Tuesday is National Ag Day.  |  |  |
|   |  |  |  |
| 03/23/2021 (Tue)                              | Gov. Bill Lee has proclaimed today as Agriculture Day in Tennessee as there's no doubt it's our number one industry, providing an economic impact of more than \$80 billion each year and some 342,000 jobs.                           |  |  |
|   |  |  |  |
| 03/24/2021 (Wed)                              | This week at the Nashville Farmers Market team RFD-TV took home the "Best of Show" award in the National Ag Day Omelet Cook-Off.   |  |  |
|   |  |  |  |
| 03/25/2021 (Thu)                              | The agriculture industry is celebrating National Ag Week. As Micheal Clements shares, the week highlights the hard work by farmers and ranchers to keep Americans fed during the pandemic.   |  |  |
|   |  |  |  |
| 03/26/2021 (Fri)                              | Farmers, 4-H and the FFA had the opportunity to address the House Agriculture and Natural Resources Committee this week in Nashville as part of the overall celebration of National Ag Week.   |  |  |
|   |  |  |  |
| 03/29/2021 (Mon)                              | Every ten years, we go through the process of counting ourselves through the U.S. Census. And afterwards, the state comptroller's office studies and maps these numbers to draw new district lines.                                    |  |  |
|   |  |  |  |
| 03/30/2021 (Tue)                              | Hunter Grills of Dyer County was the winner of the Tennessee Young Farmers and Ranchers Achievement Award contest back in July and as the Young Farmer of the Year, Grills and his family receive a year's lease on a CASE IH tractor. |  |  |
|   |  |  |  |
| 03/31/2021 (Wed)                              | Over the weekend, parts of Middle and East Tennessee were hit hard with storms, causing massive amounts of flooding and detrimental damage.  |  |  |

| DATE      | TIME  | LENGTH | SHOW# | PGM  | DESCRIPTION  | DISTRIBUTOR  |
|-----------|-------|--------|-------|--|--|--|
| 1/3/2021  | 12:00 | 35:00  | 27400 | Reelfoot Forward: A West Tennessee Podcast | From the hustle of New York Fashion Week to overseeing the visionary process of music videos, editorials and merchandise design, Nashville stylist Krista Roser has an exciting career in the fashion industry. Originally, from Dyersburg, Tenn., Krista's passion for design was sparked by a college trip with University of Tennessee at Martin to New Orleans where she visited Saks Fifth Avenue for the first time. In this episode, she talks about styling runways, red carpets and helping establish the brands of new artists in country music.   | Discovery Park of America, Union City, TN<br>Host Scott Williams |
| 1/10/2021 | 12:00 | 23:00  | 27404 | Reelfoot Forward: A West Tennessee Podcast | If you haven't crossed paths with Union City socialite, regional-theater performer and business woman, Zoe Ramage, then it's about time we introduce you. Zoe loves small town life and the sense of community that comes with it. In this episode, Zoe shares her passion for tourism and how it led her to become next door neighbors with Discovery Park as the director of sales for the hotels at Houser Creek Crossing. If you love theater, travel and having fun, you'll be inspired by the time you get to spend with Zoe in this episode.  | Discovery Park of America, Union City, TN<br>Host Scott Williams |
| 1/17/2021 | 12:00 | 35:00  | 27400 | Reelfoot Forward: A West Tennessee Podcast | Known to her students as "Mrs. B," Lynn Brasfield is a cornerstone in the foundation of Dresden Middle School. In this episode, Lynn shares her passion for teaching and how her classroom is a safe space for students to freely discuss concerns about current issues. Lynn's story is one of remarkable circumstances. She grew up in Rutherford, Tennessee, and started high school when educational institutions began desegregation in the classroom. As an advocate for education, she explains that her classroom is a community of intrinsic learners. Every student that walks through Mrs. B's door is greeted by Bill Withers song "Lean on Me" and is taught by the philosophy that one should "teach to the heart and the mind will follow." | Discovery Park of America, Union City, TN<br>Host Scott Williams |
| 1/24/2021 | 12:00 | 39:00  | 27420 | Reelfoot Forward: A West Tennessee Podcast | Charles Brubaker's path has taken him from a childhood on the busy streets of Isahaya, Nagasaki in Japan to life with his six cats and two dogs living in the rural community of Martin in Northwest Tennessee. In this episode, he shares how he turned his early passion for art and illustration into a successful career as a storyboard artist, cartoonist and animator. After graduating from the University of Tennessee at Martin, he worked with animation historian Jerry Beck as a researcher on Pink Panther: The Ultimate Guide and has had his work in the popular SpongeBob SquarePants comic books and Mad Magazine. Today, his popular Ask a Cat and The Fuzzy Princess strips are popular among comic fans of all ages.                  | Discovery Park of America, Union City, TN<br>Host Scott Williams |
