ABORTION/PRO-LIFE ISSUES

CROSSTALK

1/17/2023 54 MIN Jim Schneider and Pastor Jim Harden
M-F 2:01PM, Many pro-life organizations have been attacked since a draft of the U.S. Supreme
REPEAT 8:01PM Court's majority opinion in the Dobbs v. Jackson Women's Health Organization
case was leaked last year. Investigations into these crimes have been slow.
Schneider talks with Pastor Harden, president and CEO of CompassCare
Pregnancy Services in New York, about these issues. CompassCare Pregnancy
Services' Buffalo facility was attacked on June 7th of last year and yet there still
haven't been any arrests in the case. Pastor Harden provides an update on the
situation. Also, Pastor Harden talks about the issue of tech companies, such as
Google, censoring pro-life organizations on their platforms.

NO WOMAN STANDS ALONE

1/20/2023 26 MIN Brad Mattes et al.
FRI 12:00PM, This program is a Sanctity of Life radio special by Mattes. In this post-Roe world,
REPEAT SAT what is the Church's responsibility to women for whom abortion is no longer an
1/21/2023 option? With the dramatic change in abortion law in 2022, believers now have the
opportunity to demonstrate their concern for both baby and mother (and father).
Mattes, president of Life Issues Institute, anchors this all-new special designed for
offering the uplifting message that we are poised to demonstrate our Christian
conviction in a new era. Other people in this program include Pastor Brad Bramlet,
Amy Ford, Alveda C. King, PhD, Heather Lawless, and Jill Stanek. They make up a
team of men and women who are already actively engaged in ministry and who
share insight on ways we can support moms and their babies.

occurred this past Sunday as Vice President Kamala Harris spoke to an audience of

decision. Schneider plays audio clips of and comments on her speech. He also

abortion, there are some that have or are working to make abortion even less
restrictive. Such is the case with Minnesota as seen in the proposed legislation
known as the Protect Reproductive Options Act (PRO Act). This legislation would
make abortion legal up to the moment of birth. Schneider and Bratrud, director of
communications at Minnesota Family Council, discuss this and other proposed
legislation in Minnesota regarding abortion.

Series: Benefiting from Life's Trials

Monday, January 16, 2023 - "From Trouble to Triumph, Part 1" (#1)
King Solomon said that God ordains a time for everything . . . including heartache. In other words, trials don't just happen. God sends them your way. But why would a loving God want you to go through trouble . . . how could it possibly help you? John MacArthur answers those questions in the study he begins on the next GRACE TO YOU. It's titled . . . Benefiting from Life's Trials.

Tuesday, January 17, 2023 - "From Trouble to Triumph, Part 1" (#2)

A great preacher said that all trials serve two purposes: To better acquaint you with your own sinful heart . . . and with your Lord and Savior. It's easy for people who have made it through trials to agree with a saying like that. But what do you do when you're suffering never seems to end? Bottom line, how can you be sure God will get you through the toughest times? John MacArthur has encouraging answers today on GRACE TO YOU as he continues his series titled Benefiting from Life's Trials.

Wednesday, January 18, 2023 - "From Trouble to Triumph, Part 2" (#1)

Trials take countless forms . . . and no one is exempt from hard times—or even tragedy. But no matter what you're going through now, and no matter what you face in the future . . . you can know peace . . . even in your darkest days. John MacArthur will help you see that today on GRACE TO YOU as he continues his study called . . . Benefiting from Life's Trials.

Thursday, January 19, 2023 - "From Trouble to Triumph, Part 2" (#1)

If it were up to us . . . we'd never volunteer for hardship. But like an athlete who grows stronger the harder he trains . . . your faith gains endurance as you face more and more testing. John MacArthur's helping you understand that principle in his current study . . . Benefiting from Life's Trials. On the next GRACE TO YOU, John considers another key to handling testing—how you think about the troubles you face.

Friday, January 20, 2023 - "The Purpose of Trials"

If God is good and all-powerful—and He is—why do you and I . . . why does anyone . . . suffer? Bottom line, if God really loves you, why does He allow you to go through trials? Well, as John MacArthur will show you on GRACE TO YOU, trials can actually be good for you! That's right . . . hard times can be a blessing from God. How? Find out as John continues one of his most helpful studies. It's called . . . Benefiting from Life's Trials.

Benefiting from Life's Trials.

Tuesday, January 24, 2023 - "From Trouble to Triumph, Part 3" (#2)

Maybe you've noticed that not long after a trial hits, you find yourself facing a series of related and challenging issues like where to look for a new job . . . how to make room at home for an elderly parent . . . or even life-and-death decisions for a family member in the hospital. When situations like that arise how can you know you're making the right decisions? John MacArthur points you to biblical answers today on GRACE TO YOU as he continues his study called Benefiting from Life's Trials.

Wednesday, January 25, 2023 - "Whose Fault is Our Temptation?" (#1)

You may not think of yourself as much of a fighter—or a fighter at all, of any kind. But man or woman . . . young or old . . . if you're a Christian, you're in a continuous battle with an unseen foe. That foe—that enemy—is temptation. Question is, whose fault is temptation? How do you defend against it? And what's the connection between handling temptation and . . . Benefiting from Life's Trials? John MacArthur looks at all those questions on the next GRACE TO YOU.

Thursday, January 26, 2023 - "Whose Fault is Our Temptation?" (#2)

The Bible says in this life you will have trouble. But God's Word also shows you how to know peace and joy—and avoid the temptation to sin—even in your darkest days. You're not going to want to miss John MacArthur's lesson on the next GRACE TO YOU . . . as he continues a tremendously practical study titled . . . Benefiting from Life's Trials.

Friday, January 27, 2023 - "Born to Holiness"

The wickedness of man . . . the eternal penalty for sin . . . and salvation in Christ. No doubt you're familiar with those elements of the gospel message. But what about the issue of regeneration? What exactly does it mean to be regenerated? How does it happen? Why is it necessary? And . . . what's the connection between being regenerated and benefiting from trials? Those questions are the focus of John MacArthur's lesson on GRACE TO YOU . . . as he wraps up his timely series . . . Benefiting from Life's Trials.

Series: Guidelines for Singleness and Marriage

Monday, February 6, 2023 – “Christian Liberty and Sexual Freedom”

Welcome to the start of what promises to be a compelling — if not eye-opening — couple of weeks on GRACE TO YOU as John MacArthur kicks off a study that has implications for you, whatever your marital status. From 1 Corinthians, the title of his study . . . *Guidelines for Singleness and Marriage*.

Tuesday, February 7, 2023 – “To Marry or Not to Marry” (#1)

Read through the Bible and you'll find plenty of good reasons to get married. Of course, you'll also find valid reasons to stay single. How do you know which option is right for you? Can you know that for sure? “To Marry Or Not to Marry” . . . that's John MacArthur's focus on GRACE TO YOU as he begins a study from 1 Corinthians titled . . . *Guidelines for Singleness and Marriage*.

Wednesday, February 8, 2023 – “To Marry or Not to Marry” (#2)

A Time magazine cover story a few years back looked at the falling marriage rate here in the U.S and the rising number of couples living together before marriage. In the end, the article's author said marriage wasn't as popular these days as in years past, but it's “still the best avenue most people have for making their dreams come true.” Is that really the benefit of marriage? On GRACE TO YOU, John MacArthur answers those and other questions as he continues his study *Guidelines for Singleness and Marriage*.

Thursday, February 9, 2023 – “Divine Guidelines for Marriage” (#1)

On the next edition of GRACE TO YOU, John MacArthur continues his compelling look at the biblical *Guidelines for Singleness and Marriage*. He focuses on a lesson to help you understand how your marriage—even if you're married to an unbeliever—can honor God . . . and help lead others to salvation. Be sure to tune in.

Friday, February 10, 2023 – “Divine Guidelines for Marriage” (#2)

What does Scripture say about whom you should marry . . . or not marry? What about if you're already married but want out? What does God's Word say about that? John MacArthur helps answer those questions in his series titled . . . *Guidelines for Singleness and Marriage* on the next GRACE TO YOU.

Series: Guidelines for Singleness and Marriage (cont.)

Monday, February 13, 2023 – “Christians and Social Revolution”

The Bible says when Christ saves you, the old things pass away. But does that mean you're to help that process along by removing every reminder of your sinful past? What if part of your past includes a non-Christian spouse . . . an unbelieving husband or wife? On GRACE TO YOU, John MacArthur examines that perplexing question . . . moving ahead in the study he calls . . . *Guidelines for Singleness and Marriage*.

Tuesday, February 14, 2023 – “Reasons for Remaining Single, Part 1” (#1)

Maybe you're in your 30s or 40s and you're still single . . . maybe you know someone like that and you wonder why he or she isn't married. Is it somehow disbedient for a Christian not to marry? Or could there be good motives—clear, biblical ones—for staying single? Consider that when John MacArthur continues his study titled *Guidelines for Singleness and Marriage* on the next GRACE TO YOU.

Wednesday, February 15, 2023 – “Reasons for Remaining Single, Part 1” (#2)

Near the end of his life, the famed reformer, Martin Luther proclaimed, “There is no more lovely, friendly or charming relationship, communion or company, than a good marriage.” Of course, Luther's joy makes sense when you understand what Scripture teaches about marriage. Fact is, marriage is a positive thing in the Bible. So . . . why would the apostle Paul ever call it a bad idea? Be sure to tune in for GRACE TO YOU when John MacArthur shows you five biblical reasons to remain single.

Thursday, February 16, 2023 – “Reasons for Remaining Single, Part 2” (#1)

In the book of Genesis, God said all His creation was good, but that the union He made between Adam and Eve was very good. If you're in a Christian marriage, no doubt you've seen how good it can be when couples serve the Lord together and raise a family to honor Him. So how then could a commitment to your spouse be bad for your spiritual growth? On GRACE TO YOU, John MacArthur explains how to maintain priorities that please God in your marriage. Tune in as he continues a practical study titled *Guidelines for Singleness and Marriage*.

Friday, February 17, 2023 – “Reasons for Remaining Single, Part 2” (#2)

It is definitely a joy to witness the wedding of two committed Christians . . . and see God bless their lives as they serve Him together and, in most cases, raise a family. But what if you're not married . . . and perhaps don't have a strong desire to find a spouse. Are you somehow missing out on God's best by remaining single? John MacArthur sheds light on that issue in his series called *Guidelines for Singleness and Marriage* . . . here on GRACE TO YOU.
