

KING Television
January 1, 2015 through March 31, 2015

Quarterly Programming Providing the
Most Significant Treatment of Community Issues

1st QUARTER 2015 PROGRAMS

HEALTH

Pushing Limits, Saving Lives

Tue, 1/20/15, 9:30-10pm

Futuristic medicine is saving the lives of the littlest patients at Seattle Children's. From 3-D printed hearts to liquid ventilation, doctors and families reveal the amazing benefits of innovative treatments.

ENVIRONMENT

The Human Toll of Hanford's Dirty Secrets

Thu, 1/1/15, 5:30-6am

A review of KING 5's year-long investigation into worker safety problems dating back decades at Hanford, the largest nuclear waste dump in the country.

ARTS

Going Home

Sat, 1/10/15, 6-6:30pm

Local artist Mike Reagan is on a mission to heal hearts and honor our service men and women who've made the ultimate sacrifice. Reagan's stunning hand drawn portraits are part of his Fallen Heroes project, inspired by a 19 year old marine who died in his arms 46 years ago. This special reveals how Reagan honors that young marine and so many other veterans with his gifts of love and respect.

1Q PUBLIC ISSUES REPORT - 2015

COMMUNITY AFFAIRS

Major PSA Campaigns

The following list represents those campaigns KING 5 took on as official community partnerships. The airtime used on KING and KONG was donated and in most cases, production of the spot was donated by KING 5 Television.

- | | | |
|-----------------------------|-----|-----------------|
| • Jefferson Awards (:30) | 794 | \$107,785 value |
| • Climb for Clean Air (:30) | 178 | \$27,105 value |

Ascertainment

The Puget Sound Association of Broadcasters meets monthly to meet with non-profit organizations around the region. Below is a summary of their presentations.

JANUARY - Hosted by KING, Attended by Betsy Robertson, Michael Konopasek, Joan Kinsey

- 1) YearUp!
One-year intensive training program for low-income young adults.
- 2) Lifelong
Community Health Organizations serving people with chronic illnesses.
- 3) WARN
Washington Anti-Trafficking Response Network, assisting victims of human trafficking
- 4) Beecher's Pure Food Kids Foundation
No-cost, commercial-free program for 4-5th graders, skills to make healthy food choices

FEBRUARY - Hosted by: KSTW, Daystar, Ion Television, Attended by Erin Anderson

- 1) Operation Ward 57
Supporting wounded, injured and ill post 9/11 service members
- 2) SouthEast Effective Development (SEED)
Facilitating and investing in equitable community renewal, affordable housing, local arts
- 3) The ManKind Project
Global network on charitable organizations challenging & rewarding men for every stage of life
- 4) Old Dog Haven
Loving and safe homes for senior dogs who have been abandoned or are about to be homeless

MARCH - Hosted by: KCTS, Attended by Betsy Robertson

- 1) Rain City Rock Camp for Girls
Building self-esteem and encouraging creative expression through music
- 2) American Cancer Society
Helping people get well, stay well, find cures and fight back against cancer
- 3) Washington State Fair Foundation
Supporting scholarship & educational programs. Preserving history and improving the future.

2015 1st QUARTER ISSUES REPORT

EVENING MAGAZINE SEGMENTS (7:30PM weekdays)

Burke Birds 2/27 3:21

Uber Green House 2/27 3:33

FCC REPORT FOR NEW DAY NORTHWEST, 1st QUARTER, 2015
JANUARY THROUGH MARCH

All segments are in-studio and average 7:00 trt
Program airs weekdays at 11am

HEALTH

Vegan cooking instructor shows us a gluten free Pasta Alfredo and discusses the benefits of vegan eating, 1-13-2015

Advances in hip and pelvic surgery with preventative tips, 3-11-2015

ARTS

Comedic icon Dame Edna Everage brings her Farewell Tour to Seattle, 1-14-2015

Comedian-acrobat Frank Olivier performs his latest act from 'Twisted Cabaret', 2-5-2015

SENIORS

AARP discusses legislative issues in the coming year affecting seniors, 1-19-2015

Grief counseling, available to customers and the public, at Bonney-Watson Funeral Homes, with the only such in-house service in the state, 3-12-2015

CHILDREN-FAMILIES

Pediatrician Ben Danielson discusses early dental needs of babies and young children as part of the Might Mouth campaign, 2-4-2015

Rob Lieber, financial writer for the NYT, talks about his new book 'The Opposite of Spoiled,' about raising financially literate, non-materialistic children, 2-9-2015

ANIMALS

Tuxes and Tails, the annual fundraiser for Seattle Humane, is expanding this year, also some adoptable pets, 2-24-2015

Dr. Cary Waterhouse of Lake Union Veterinary Clinic answers viewers' questions about pet health, 1-13-2015

ENVIRONMENT

Master gardener Ciscoe Morris shows us alternatives to cut flowers for Valentines Day, 2-9-2015

Master gardener Ciscoe Morris shows us how to grow tulips and keep them coming back year after year, 3-23-2015

EDUCATION

We featured 'Girls Can Do,' with entertainment and Ted-type talks on raising girls with a belief in themselves and their ability in all fields, especially STEM, 2-4-2015

TRANSPORTATION

Triple A Travel discusses the new Seahawks fan cruise along the Alaskan coast, 2-2-2015

2015 1st QTR KING 5 NEWS STORIES

EDUCATION

KING 5 News at 5:00PM, 1/14/15, 2:37

An Everett mother who couldn't find a school to suit her son's needs opened her own. She thought students would flock to the school, but only a handful have. Unless the school gets about \$50,000 dollars in donations or a few more students in the coming weeks the school may have to close for good.

Morning KING 5 News, 2/24/15, 2:30

The pros and cons of trying to finance a college education using the Washington State GET program.

Morning KING 5 News, 3/4/15, 1:20

The students at White Center Elementary School are offered a free nutritious breakfast in the first 15 minutes of their day. The results have been that the students are able to focus on the subjects and are not complaining about being hungry.

KING 5 News at 4:00PM, 3/5/15, 1: 20

Dozens of Washington's top CEO's and education leaders are pressuring lawmakers to pay for computer classes in our schools. It is predicted that 20,000 new jobs in our state will require computer science knowledge.

KING 5 News at 5:00PM, 3/14/15, 2:00

Seattle University hold a class for 500 middle school girls from all over the state of Washington in science, math and engineering. The program is called expanding your horizons and introduces the young women to education and career opportunities in these fields.

KING 5 News at 6:30PM, 3/24/15, 4:45

Increasing numbers of studies show that freeway pollutants can have harmful effects on people up to 500 feet from the roadway. This is especially a concern for students who attend schools that are close to freeways. A UW pediatric health specialist says kids with higher traffic exposure have more respiratory infections, they miss school and their parents have to miss work to take care of them.

Morning KING 5 News, 3/25/15, 2:30

The state has upgraded the standard GED test for the first time in about a decade. The education leaders say that this new higher standard sets people up to be successful after they have their GED in hand and ultimately that is what this is about.

SENIOR CITIZENS

KING 5 News at 5:00PM, 1/27/15, 1:35

The Meals on Wheels organization is delivering emergency survival gear to the elderly. They are given enough supplies to make it for three days.

KING 5 News at 5:00PM, 1/30/15, 2:16

Engineers at Florida University are coming up with ideas to turn homes into “smart” residences for seniors. To allow the elderly a comfortable living environment such things as doors, hallways and entry ways must be oversized. The AARP has a website that is devoted on tips on turning a regular home into a “smart house”.

HEALTH

KING 5 News at 5:00PM, 1/2/15, 2:15

News research shows you should be eating more dark leafy greens. Kale is one example of vegetable that contain more than 100 percent of vitamins a, c and k to improve bone health and skin elasticity.

KING 5 News at 5:00PM, 1/2/15, 1:49

The yearly warning to remind folks that carbon monoxide monitors must be placed in specific places in your house in order to work properly and save you from the toxic fumes.

Morning KING 5 News, 1/5/15, 1:10

A flu outbreak in our state has claimed the lives of seven people. Although this year’s vaccine is not exactly targeting the strain that is going around, it can certainly make illness less severe. Doctors are still advising that you get a flu shot.

KING 5 News at 5:00PM, 1/5/15, 1:47

People with pain in the knees can get a new treatment using a device called lovera that applies nitrous oxide (laughing gas) to relieve the pain. Results last two to three months so it is not a cure. The cost is about \$1,000 per treatment and it is not yet covered by insurance. The closest doctors are in California.

Morning KING 5 News, 1/6/15, 2:20

The state has banned so-called ‘warehousing’ of mentally ill patients in regular hospitals because there was no room in treatment facilities. The state mental health care facilities are now able to keep people from suffering on the street and being a harm to themselves or others.

KING 5 News at 5:00PM, 1/6/15, 2:46

To determine whether your child may be dyslexic check the signs. Make sure they have no trouble rhyming or have difficulty learning the alphabet or don’t like to read.

KING 5 News at 5:00PM, 1/7/15, 2:05

Researchers are attempting to develop a vaccine for Malaria using mosquito venom.

Morning KING 5 News, 1/7/15, 1:40

Marijuana has been used effectively in children to eliminate or at least control seizures.

KING 5 News at 5:00PM, 1/8/15, 1:37

Hip resurfacing is a procedure that leaves the patient's own normal bone and just places a metal surface over the cap of it, sort of like capping a tooth. One year after the operation, patients who had resurfacing were less likely to limp, had less thigh pain and were able to return to impact sports.

KING 5 News at 5:00PM, 1/9/15, 1:51

Researchers have found that stroke patients can improve the functions they have lost by playing video games.

KING 5 News at 5:00PM, 1/12/15, 1:36

For those suffering from peripheral artery disease or pad, a narrowing of the arteries in the leg there is new hope. A drug coated balloon not only opens the artery but also delivers a chemotherapy drug directly the vessel wall to prevent scar tissue. Unlike stents, which can twist and break in the leg, this procedure can be done over and over again.

KING 5 News at 5:00PM, 1/13/15, 1:46

A wet wrap therapy seems to help some patients that have eczema. First, soak in a lukewarm bath for about 20 minutes, then apply lotion or medicated cream to the skin surface and cover with wet cloths with a dry layer of clothing on top. Stay in this cocoon-like state for two hours. This process may be repeated several times a day.

KING 5 News at 5:00PM, 1/14/15, 2:04

Apostherapy was developed in Israel in the 1990's with the goal to retrain the brain and muscles to walk in a way that takes pressure off painful areas. It doesn't require specific exercises, instead custom mechanical pods are placed on the bottom of shoes to re-align the patient's knees, hips and back. Patients swear by the results they experience.

KING 5 News at 5:00PM, 1/15/15, 2:26

Migraine sufferers are turning to therapy for help in controlling their pain. Therapy does not necessarily cure migraines but it can help patients identify and avoid patterns and triggers. It also helps patients deal with the stress of having so much pain which can migraines to get worse.

KING 5 News at 5:00PM, 1/15/15, 1:15

Some senior care facilities are taking extra precautions is shielding their patients from the spread of the flu. Meals are now served in their rooms as opposed to the dining areas.

KING 5 News at 5:00PM, 1/16/15, 1:37

National surveys tell us that people that exercise drink as much or more than people that don't exercise. Binge drinking soon after an intense workout can have a negative effect on muscle recovery.

KING 5 News at 5:00PM, 1/19/15, 1:51

More evidence that even if we workout, sitting around the rest of the time puts our health at risk. A study shows that sitting time was associated with a higher risk of all causes of mortality, heart disease mortality, cancer mortality and diabetes, independent of exercise.

KING 5 News at 5:00PM 1/20/15, 2:48

When a baby does not respond to CPR a seamless transition to life support ECMO is next. Doctors and Children's hospital have a very expensive real-life doll to practice this procedure over and over so the team is ready when the real crisis arrives.

KING 5 News at 5:00PM, 1/20/15, 2:02

Seattle Fire Stations are being tested for the MERSA virus. Because the virus has been found not only at the stations but also affecting the firemen themselves, rules are being changed on equipment decontamination and placement when returning from runs.

KING 5 News at 5:00PM, 1/21/15, 2:57

The Virginia Mason Hospital has discovered that one of its medical instruments was infected with the superbug C-R-E. There have been eleven patients that have died and the cause of their death may be the superbug C-R-E.

KING 5 News at 5:00PM, 1/23/15, 1:54

You can lose weight by doing yoga exercises.

KING 5 News at 5:00PM, 1/25/15, 2:20

Studies are showing that the group of people that most desperately need the HPV vaccine are children and teenagers.

KING 5 News at 5:00PM, 1/28/15, 1:50

A doctor has come up with a way for men to find out their risk for both low and high grade prostate cancer by entering some information into an online calculator for free.

KING 5 News at 5:00PM, 1/29/15, 1:58

Being treated with steroids for certain medical conditions can increase the odds of developing osteoporosis. To prevent this condition doctors supplementing with Vitamin D, calcium and regular weight-bearing exercise.

KING 5 News at 5:00PM, 2/2/15, 1:51

Researchers are working on a device that when placed on a deaf person's tongue allows them to process sound.

KING 5 News at 5:00PM< 2/3/15, 1:58

In non-alcoholic fatty liver disease the liver becomes swollen with fat. The condition is on the rise in children. The overwhelming proven therapy for this whether it is a child we're talking about or an adult is healthy weight loss.

KING 5 News at 5:00PM, 2/4/15, 1:11

People who have been vaccinated for measles between 1957 and 1971 have a new way to find out whether they have enough antibodies to avoid getting the disease. A simple blood test can be taken and the results are back within three to five days.

KING 5 News at 5:00PM, 2/5/15, 1:42

There is research being done on a pill that will burn body fat and reduce cholesterol. Fexaramine doesn't dissolve into the blood stream creating less side effects like hearts issues for example. If the drug passes all of the tests it may be available in about seven years.

KING 5 News at 4:00PM, 2/9/15, 3:30

Dr. Wendy Sue Swanson, the Mama doc, discusses measles and the importance of getting vaccinated.

KING 5 News at 5:00PM, 2/9/15, 2:04

Studies have now found that the vast majority of people who are put on statins, about 75 percent of them, are not put on them because they have vascular disease, but because they have risk factors. Those factors can be reduced by eating a Mediterranean diet, exercising, reducing stress, maintaining a normal weight and not smoking.

KING 5 News at 5:00PM, 2/9/15, 1:40

Technicians in the Kineta Biotech lab in Seattle are not seeking a vaccine that can address a multitude of viruses, they are developing a drug that lets your body defeat them all. This anti-viral drug acts like an antibiotic. It is a drug you can take after you get sick to get better faster, a drug that doesn't depend on vaccines but can enhance them. A drug that makes your system stronger.

KING 5 News at 5:00PM, 2/10/15, 1:53

Tamiflyu is an over-the-counter medication that help relieve flu symptoms. But it doesn't taste very good and children sometimes have difficulty taking it. Pharmacists can now flavor the medication so that it will be easier for children to swallow.

KING 5 News at 5:00PM, 2/10/15, 1:48

More than 150 thousand Americans suffer from chronic severe heart failure. There are only about 2,100 donor hearts available each year, so L-VADS remain an important treatment option. The LOVAD relieves symptoms such as being constantly tired or short of breath. It also lets the heart recover function by giving it a chance to rest.

Morning KING 5 News, 2/11/15, 3:00

Dr. Wendy Sue Swanson, the Mama doc, answers the most asked questions about vaccinating your children against diseases.

KING 5 News at 4:00PM, 2/11/15, 1:01

People come to Vashon Island to escape the mainstream of the mainland. It's a place where folks prefer a more natural way of life especially when it comes to medicine.

KING 5 News at 5:00PM, 2/11/15, 4:00

Representative June Robinson of Everett and Representative Joe Schmick of Colfax discuss a bill in the legislature that would no longer allow parents to exempt their children from vaccines for personal reasons. Nearly 20 percent of the school age children are not vaccinated against measles, among the highest in the state.

KING 5 News at 5:00PM, 2/11/15, 2:14

Winter allergy season has arrived. If you have cold like symptoms that have lasted longer than seven days you may be allergic to dust mites, molds or pet dander.

KING 5 News at 5:00PM, 2/12/15, 1:47

The current measles outbreak is causing quite a discussion about the importance of vaccines. The vaccine hesitant population is very different from vaccine refusing. Being hesitant boils down to one thing, the fear of the unknown. The hope is that people can allow their logic to bring them to a place where they can see that their decision, like many other decisions ends up affecting an entire population.

KING 5 News at 5:00PM, 2/13/15, 2:20

A dietician says eating more colorful vegetables and along with eating less of the processed food that harms our health is a way to prevent type 2 diabetes. Processed meats include hot dogs and deli meats should be avoided along with white bread, white flour, white pasta, pastries and baked goods.

KING 5 News at 5:00PM, 2/16/15, 1:53

Foods to eat to avoid the flu should contain vitamin a – c – d and e. Also look for foods with zinc, which include most of your proteins and grains. In addition focus on probiotics such as yogurt. It contains a bacteria that fights away the bad germs in your body.

KING 5 News at 4:00 & 5:00PM, 2/17/15, 1:15

The Clallam County Health Department has asked that the students at Olympic Christian School that have not been vaccinated for measles say home for the next ten days. This in response to the outbreak of that disease in that county.

KING 5 News at 5:00PM, 2/17/15, 1:44

Children with conditions that force them to stay in the hospital for long periods of time can be helped by the aid of the “virtual rock star”. A music therapist sets the stage and enables the patients to star in their own rock video. This helps with respiration, the deep breathing through singing and the dancing, more movement which is great for the body.

4PM KING 5 News, 2/18/15, 1:30

Now that Lent is upon us we are reminded of the healthy ways to fast.

KING 5 News at 5:00PM, 2/19/15, 2:10

According to the American Society of Plastic Surgeons there has been a 310 percent increase in men getting Botox injections compared to a decade ago.

KING 5 News at 5:00PM, 2/20/15, 2:30

Pregnancy can create pain in the low back area, sciatica, neck and head. That pain is caused by the hormone relaxing ligaments while muscles in the body tighten. The first line of defense is a pregnancy-specific adjustment, making sure the pelvis is completely aligned. Next is a series of exercises to stretch and strengthen worn ligaments and muscles. That is followed by muscle relaxation on a hydrobed and then a pregnancy massage.

KING 5 News at 5:00PM, 2/22/15, 2:18

For those allergic to peanuts, wearing a peanut patch over a long period of time can be the way to eventually rid the body of the life-threatening effects of the nut. The patch has a peanut substance on one side that is in direct contact with the skin and it is changed every day. Early test results show that after time the patient can tolerate small amounts of peanuts. This is considered a breakthrough.

KING 5 News at 5:00PM, 2/23/15, 2:15

The UW Medical is now using CT scanners that emit less radiation than the old models at least 60 to 80 percent less. The new scanner is especially beneficial to those who need multiple scans and for younger patients.

KING 5 News at 5:00PM, 2/24/15, 2:40

It is not just calcium but vitamin D that helps make bones. From the day you're born until you're 35 you make more bones than you dissolve and from 35 on, you dissolve more bone than you make. Not getting enough Vitamin D has also implicated a number of other health issues including multiple sclerosis, heart disease, diabetes, some cancers and memory loss.

KING 5 News at 5:00PM, 2/25/15, 1:58

A new battery powered headband called the Celfaly is a device that applies electrical stimulation to certain nerves across the forehead. Over time this repeated stimulation of the nerves makes them less likely to send the signals that generate migraine headaches.

KING 5 News at 5:00PM, 2/26/15, 1:63

Soup broth made from beef, pork and poultry bones with a little cider vinegar which helps pull out a little extra collagen and produces extra flavor are becoming very popular. Enthusiasts say it helps muscle, stomach and skin health.

KING 5 News at 5:00PM, 2/27/15, 1:48

There is a new electric wheelchair on the market that is designed for off-road use. It is equipped with a gun rack and a fishing pole holder.

Morning KING 5 News, 3/2/15, 3:00

Dr. Emily Cooper talks about why diets don't work, primarily they wind up impacting your metabolism which throws your hormones out of whack and ends up, often, having the opposite effect to what is intended. That's why you so often gain the weight right back and more.

KING 5 News at 5:00PM, 3/2/15, 2:15

Scientists at Northeastern University have discovered an antibiotic that looks to be effective at killing deadly pathogens like MRSA and tuberculosis. Even more promising is that those pathogens weren't able to develop a resistance to the antibiotic.

Morning KING 5 News, 3/3/15, 1:30

Obesity if not considered a medical disease. We need to understand that this is a complex condition and diets and exercise don't solve it for the majority of people and in fact often make it worse according to Dr. Emily Cooper.

KING 5 News at 5:00PM, 3/3/15, 1:40

Bellingham Washington is considered the thinnest city because the majority of their population is in the normal weight range. Reason for this include the wide range of athletic activities that the area provides and the abundance of grocers focusing on healthy living.

KING 5 News at 5:00PM, 3/3/15, 2:15

While coffee, drugs and alcohol can be considered as addictions, other things can be thought of as soft addictions. A case in point would be compulsive habits such as exercise and the obsession over each point lost.

Morning KING 5 News, 3/4/15, 1:40

Dr. Emily Cooper explains why fad diets can sometimes cause weight gain instead of weight loss.

Morning KING 5 News, 3/5/15, 3:00

Dr. Emily Cooper on sleep and its effects on metabolism.

KING 5 News at 5:00PM, 3/6/15, 2:40

Some foods just have bad reputations eggs and potatoes are two examples. There was never a study that showed that an egg yolk raised cholesterol levels. Potatoes may be starch heavy but they also contain a lot of nutritious elements.

KING 5 News at 4:00PM, 3/6/15, 1:30

The Washington State Legislature is considering a bill that would allow persons without a dental background to handle non-dental part of the practices. Some dentist's fear that this law might allow corporations to dictate what procedures dentists could use on their patients.

KING 5 News at 5:00PM, 3/6/15, 1:40

Rounding the week of stories on obesity, Dr. Emily Cooper reveals the best ways to take off that excess weight.

KING 5 News at 6:30PM, 3/6/15, 2:02

Team Fatties – a group of people who are not just overweight, they are men and women who are just flabby, some are battling illness, other have eating disorders. But they are all getting healthier, bettering themselves and with the support that has eluded them for so long. Feeding and strengthening their spirits is one goal of this group.

KING 5 News at 5:00PM, 3/6/15, 1:55

The American Heart Association says if you set a goal of dropping 10-percent of your body weight, for most that's 15 to 25 pounds you are strengthening your heart. By losing just that amount, blood pressure decreases by five millimeters. This reduces your heart attack risk by 25 percent.

KING 5 News at 4:00PM, 3/9/15, 2:30

The antibiotic Levaquin is the brand name for a drug called levofloxacin. The drug caused tendinopathy and peripheral neuropathy, in other words nerve damage. The FDA's own stats show that 1200 people have died and nearly 100 thousand have had side effects from this drug.

KING 5 News at 5:00PM, 3/10/15, 2:10

Adults who don't sleep well get groggy during the daytime; kids have the opposite reaction, so are more likely to be misdiagnosed. There's a huge diagnostic overlap between children who have sleep difficulties with ADHD, so that child may be mislabeled as having ADHD.

KING 5 News at 5:00PM, 3/11/15, 2:00

In this state it is now legal to use medical marijuana to treat post- traumatic stress disorder.

KING 5 News at 5:00PM, 3/11/15, 2:00

Near death experiences typically occur during times of crisis, including near drowning, surgery or severe illness. They all seem to share the same elements. Things like having a sense of being lifted out of your body, feeling extreme peace and seeing deceased relatives. Researchers believe that near death experiences occur when a person's consciousness or awareness separates from their physical body.

Morning KING 5 News, 3/12/15, 2:30

A new documentary focuses on a project that assists those suffering from PTSD. Too many of our veterans deal with homelessness, substance abuse, domestic violence issues and depression and they don't know that there is a solution. This program outlines ways these individuals can get the help they need.

KING 5 News at 5:00PM, 3/12/15, 2:00

A person dealing with schizophrenia can suffer from hallucinations and hearing voices in their heads. After a patient has been diagnosed with the condition it is important that he receives medication and therapy. The next step in the recovery process involves an app on the patient's cell phone that allows a physician to monitor patients with psychosis and to contact that person if there is any sign of trouble.

KING 5 News at 6:30PM, 3/12/15, 2:30

Huskies for Suicide Prevention and Awareness is a student run group focused on reducing stigma, providing resources and helping peers with stress management and mental illness.

KING 5 News at 4:00PM, 3/13/15, 1:16

Tumwater school district is expanding the physical education program by providing classes in bicycle riding. The hope is that the students will develop the habit of using this mode of transportation not only to and from the school but also other adventures.

KING 5 News at 5:00PM, 3/16/15, 2:00

A recent study reveals mastectomy rates for early cancers are on the rise. Experts aren't sure why but one reason may be that women are getting more breast M-R-I's.

KING 5 News at 5:00PM, 3/17/15, 1:35

A doctor is leading a study looking at how children with autism spectrum disorder play and interact with typically developing kids. They need to understand what things help them to interact but also what things are getting in the way of being able to play with others. To test this, researchers took saliva samples with kids with A-S-D to measure the stress hormone cortisol. The higher the cortisol means the less motivated the child is to play with the other kids.

KING 5 News at 5:0PM, 3/18/15, 1:35

Some people dealing with sleep apnea and have given up on the C-PAP mask which pushes air into the airways by using high pressure. The Inspire is an implantable device that can sense when a sleeping person stops breathing at the same time it sends a signal to the battery to stimulate the tongue to move it forward so that the patient is able to continue to breathe normally.

KING 5 News at 5:00PM, 3/19/15, 1:45

Some people don't like that effect of muscle aches when taking a cholesterol reducing statin drug. Not comes an alternative treatment called P-C-S-K-9 inhibitors. This drug blocks the action of a key protein in the body. That protein is called P-C-S-K-9, which allows the liver to clear cholesterol from the blood and the cholesterol levels drop in the blood

KING 5 News at 5:00PM, 3/20/15, 2:00

Bodybuilders and other athletes are turning to breast milk to enhance their physique.

KING 5 News at 5:00PM, 3/23/15, 1:50

A new tool has been developed to assist doctor performing brain surgery. It is called surgical theater; a 3-D imaging technique that allows the surgeon to look deep inside the brain before surgery to see the problem areas much better than he will even see them during surgery. With this information he can plan a road map for the procedure.

KING 5 News at 5:00PM 3/24/15, 2:10

Recent research show female athletes get just many, if not more, concussions as males. Doctors are still trying to figure out why girls are more susceptible, it could be hormones, weaker neck muscles or simply they are more likely to report the condition.

ENVIRONMENT/ANIMALS

KING 5 News at 5:00PM, 1/19/14, 1:46

Boeing has hired divers to get to the bottom of some of the hard to reach Duwamish river pollution. In order to get to the hard to clean "corners" of the polluted area, divers are using a vacuum like device.

KING 5 News at 5:00PM, 2/11/15, 1:57

Scientists are tracking the wolverine population beginning near the Canadian border and finding that the animals are thriving and growing in our state as far south as Cle Elum.

KING 5 News at 5:00PM, 3/6/15, 1:40

Acidic water eats holes in shellfish. For shellfish larvae, they'll die if they can't form a shell. There is a contest of sorts pitting 16 teams against each other to create a cheap instrument to measure acid levels around the world.

KING 5 News at 5:00PM, 3/26/15, 1:45

Blurs and halos in vision are signs of cataracts, which occur when the lens gets cloudy. There is a new lens that can be used that will give the patients both near and distance vision.

KING 5 News at 5:00PM, 3/27/15, 1:54

The University of Rochester is now testing a pill form of a vaccine for the HIV virus. Doctors say this approach has the potential to protect against multiple types of H-I-V with no shots.

KING 5 News at 5:00PM, 3/30/15, 2:00

Heart patients can now have an implantable device that monitors the condition of the heart, wirelessly sending data from their home to a doctor. This will allow the patients to stay out of the hospital and potentially reduce visits to the clinic so that he can spend more time at home.

KING 5 News at 5:00PM, 3/31/15, 2:20

A rare autoimmune disease called Scleroderma is a skin disease that actually causes the skin to harden. In children it can be a really big issue because children are still growing so that hard skin can prevent normal development of their limbs and can prevent normal development of their joints. There is no known cure and doctors do not know what causes it.

CHILDREN /YOUTH/FAMILIES

Morning KING 5 News, 1/4/15, 4:57

Pierce County opens the Youth and Young Adult Crisis Center and Emergency Shelter. A recent study has shown that nearly 500 youth and young adults are homeless or at risk of becoming homeless.

Morning KING 5 News, 1/7/15, 1:40

Marijuana has been used effectively in children to eliminate or at least control seizures.

KING 5 News at 4:00PM, 2/11/15, 1:35

The Coupeville Elementary school "lunch ladies" check the students on every Friday to make sure they have enough to eat on the weekend. The Meals 2 Kids program delivers food packs containing breakfast, lunch, snacks, drinks and fruit to teachers who discreetly distribute them to the kids when they head home on Friday afternoon. They gave away more than 12,000 of them last year alone.

KING 5 News at 6:30PM, 2/17/15, 4:01

There are more than 32,000 homeless children who manage to attend school in Washington. That is an increase of more than 50% in just 5 years. A bill in the legislature would allow 15 grants of half a million dollars each to connect school districts with homeless housing.

KING 5 News at 5:00PM, 3/4/15, 1:50

Parents should never tell children to clean their plate but allow them to decide with their body it full. There should also be no good or bad foods. Just because a particular food may be loaded with fat and sugar doesn't be you can't every eat it, the child should be taught that you eat those foods in moderation.

Morning KING 5 News, 3/26/15, 3:30

The Seattle School District has released the results of the health survey for middle and high school students. Indication are that some students are using certain drugs more and fewer kids are having sex.

ECONOMY

KING 5 News at 5:00PM, 1/8/14, 1:47

A recent study has found that Washington State's outdoor recreation industry generates over 200 thousand jobs and about 21 billion dollars to our economy.

KING 5 News at 6:00PM, 1/8/14, 1:50

The Northwest Multiple Listing Service reports prices of Homes in the Tacoma area have increased nearly 10 percent over the past year. That amount is almost double the increase compared to neighboring King and Thurston counties.

KING 5 News at 5:00PM, 1/23/14, 1:41

Saudi Arabia's change in leadership will probably have an impact on the price of oil.

ARTS

Morning KING 5 News, 3/6/15, 3:00

Roosevelt High School's drama students stage the production of "The Little Mermaid".

MEET THE PRESS (6am Sundays on KING)

2015 1st QUARTER MEET THE PRESS TOPICS

Chuck Todd is NBC News Political Director and the moderator of "Meet the Press," the flagship Sunday Morning public affairs program and longest-running broadcast in television history.

"MEET THE PRESS" 1/4/15— SEN. BARRASSO: SCALISE MADE A 'GRAVE MISTAKE;' MAYOR BOWSER: DC RESIDENTS "DESERVE FULL DEMOCRACY AND STATEHOOD"

Sen. Barrasso on the first bill from the new Republican Congress: "The president's going to see the Keystone XL pipeline on his desk, and it is going to be a bellwether decision by the president..." DC Police Chief Lanier on relationships with the community and the police: "You want to do it every single day. You can't do it in crisis." Mayor Bowser on DC marijuana law: "We're going to explore every option to get our law enforced"

JANUARY 4, 2015 -- Today's "Meet the Press with Chuck Todd" featured interviews with **Sen. Amy Klobuchar (D-MN)** and **Sen. John Barrasso (R-WY)**; a discussion with **Lt. Gen Daniel Bolger (Ret.)** and The Carnegie Endowment's **Sarah Chayes**; a conversation with Washington D.C. **Mayor Muriel Bowser**, Washington D.C. Police Chief **Cathy Lanier** and Washington D.C. Chancellor of Public Schools **Kaya Henderson**; and a political panel with NBC News' **Andrea Mitchell**, BuzzFeed's **John Stanton**, The New York Times' **Helene Cooper** and Yahoo News' **Matt Bai**.

"MEET THE PRESS" 1/11/15 -- AG HOLDER: US IS "AT WAR WITH TERRORISTS," NO DECISION ON PETRAEUS; BROOKS: "LET'S GET OFFENDED A LITTLE MORE"

Holder: "The thing that keeps me up most at night -- this concern about the lone wolf who goes undetected" AG dodges on Petraeus decision: "will have to be decided by the appropriate people in the Justice Department" Reza Aslan: the Muslim community needs "to do a better job of providing a counternarrative"

JANUARY 11, 2015 -- Today's "Meet the Press with Chuck Todd" featured an interview with Attorney General **Eric Holder**; a discussion about religious extremism with **Reza Aslan** and **Arsalan Iftikhar**; a conversation with Yemeni journalist **Mohammed al Kibsi** who met one of the Charlie Hebdo gunmen when he was in Yemen; a deep dive into the status of Guantanamo Bay with former State Department special envoy **Clifford Sloan**, **Carol Rosenberg** of the Miami Herald, and AEI's **Danielle Pletka**; as well as a panel discussion with **David Brooks** and **Helene Cooper** of *The New York Times*, **Rich Lowry** of *The National Review*, and NBC's **Andrea Mitchell**.

Today's program also included reports from NBC's **Richard Engel** and **Bill Neely** in Paris; and a look at why it seems Europe has a bigger problem with radicalized Muslims than the U.S. from **Ayman Mohyeldin** in Dearborn, Michigan.

COMING UP ON "MEET THE PRESS WITH CHUCK TODD" 1/18/15—U.S EXCLUSIVE: CHARLIE HEBDO EDITOR-IN-CHIEF; SEN. GRAHAM ON TERROR; SOTU PREVIEW

U.S. EXCLUSIVE: For the first time on American television, we will hear from Gérard Biard, the editor-in-chief of Charlie Hebdo, who is now running the magazine. Chuck will ask him to react to the Pope's position on free speech and to discuss his controversial new cover.

Gérard Biard

Editor-in-Chief, Charlie Hebdo

TERROR ABROAD: With thwarted terror plots in Belgium, how are we avoiding near misses at home? Plus as the devastating attacks by Boko Haram continue in Nigeria, how will the U.S. respond to stop the violence?

Sen. Lindsey Graham (R-SC)

Dan Pfeiffer

White House Senior Advisor

###

THE 2016 FIELD: What does the emergence of old political faces, like Romney and Clinton, mean for potential new faces in the race for 2016?

Matt Kibbe

President and CEO, FreedomWorks

Katrina vanden Heuvel

Editor and Publisher, *The Nation*

###

POLITICAL PANEL: With the State of the Union next week, Chuck and the panel will preview the President's address. Can the President and the Republican-controlled Congress find common ground in some of the proposed initiatives?

Carol Lee

White House Correspondent, *The Wall Street Journal*

Robert Gibbs

Fmr. White House Press Secretary & Founding Partner, The Incite Agency

Kelly O'Donnell

NBC News Capitol Hill Correspondent

Michael Steele

Fmr. Chairman of the Republican National Committee

McDonough: "worried about the political situation on the ground" in Yemen McDonough: "Our relationship with Israel is many faceted, deep and abiding." Huckabee on presidential run: "I think it's pretty evident that I'm moving in that direction" Kareem Abdul-Jabbar: extremists are "using religion as a mask to act on their political motives"

JANUARY 25, 2015 -- Today's "Meet the Press with Chuck Todd" featured an interview about the United States' fight against ISIS with White House Chief of Staff **Denis McDonough**; a discussion about 2016 politics with former Arkansas Governor **Mike Huckabee** (R); an conversation about violence in the name of Islam with NBA legend **Kareem Abdul-Jabbar**; and a political panel with NBC News special

correspondent **Tom Brokaw**, Baltimore mayor **Stephanie Rawlings-Blake** (D), **Helene Cooper** of the *New York Times* and radio talk show host **Hugh Hewitt**.

Plus: an exclusive interview by NBC News chief foreign correspondent **Richard Engel** with a man who was captured by ISIS in Syria and spent a month inside the terror organization

“MEET THE PRESS” 2/1/15: RYAN WANTS ‘COMMON GROUND’ ON TAX REFORM; GATES: ‘LONG WAY’ FROM DEFEATING ISIS; NFL’S PASH ON ‘A CHALLENGING’ YEAR

Rep. Ryan on Romney’s decision: "I was going to support Mitt in whatever it is he decided to do." Rep. Ryan on going through the VP vetting process: "I haven't even given any thought to that." Robert Gates on the most important question to ask 2016 candidates: "What kind of people do you want around you to advise you?" The NFL PA’s DeMaurice Smith on safety in football: "I don't think that we will ever be content that the game is as safe as it can be." The NFL’s Jeff Pash says this year ‘was challenging and it was a learning experience.’

FEBRUARY 1, 2015 -- Today’s “Meet the Press with Chuck Todd” featured an exclusive interview with **Rep. Paul Ryan (R-WI)**; a conversation about ISIS with **former Secretary of Defense Robert Gates**; a discussion about concussions and safety in football with former NFL pro-bowler **Leonard Marshall** and interviews with the NFL PA’s executive director **DeMaurice Smith** and the NFL’s General Counsel **Jeff Pash**; and a political panel with TODAY’s **Savannah Guthrie**, Bloomberg Politics’ **Mark Halperin**, CNBC’s **Jim Cramer** and the Washington Post’s **Kathleen Parker**.

Plus, a NerdScreen about what snack and beer choices say about your politics. Later today, Savannah Guthrie will have an exclusive live interview with President Obama during the Super Bowl Pre-Game show.

“MEET THE PRESS” 2/8/15: SEC. KERRY ON IRAN TALKS: NO EXTENSION W/O ‘OUTLINES’ OF A DEAL + KERRY: U.S. ‘ON THE ROAD’ TO DEFEATING ISIS

Sec. Kerry: ‘No doubt that assistance of economic kind and other kinds will be going to Ukraine.’ Sec. Kerry on a 2016 run: “Well, nobody says never. But I mean, I have no concept of it.” Fmr. Amb McFaul on Putin & Ukraine: "This is not just a contest about interest, this is a contest about values for him."

FEBRUARY 8, 2015 – Today’s “Meet the Press with Chuck Todd” featured an exclusive interview with **Secretary of State John Kerry**; a discussion of religion and politics with author and Executive Editor at Random House, **Jon Meacham**; and a panel discussion with **Fmr. Amb. Michael McFaul**, NBC News’ **Andrea Mitchell**, the BBC’s **Katty Kay**, **Stephen Henderson**, Editorial Page Editor, Detroit Free Press, and the New York Times’ **David Brooks**.

“MEET THE PRESS” 2/15/15 -- MCCAIN: “UNCONSTITUTIONAL” TO RESTRAIN POTUS; REED: FIGHT ISIS TO PROTECT OURSELVES; VA SEC. ON ACCOUNTABILITY

Engel: “I was completely discouraged by what I saw” in Iraq Sen. McCain: we cannot cut funding for DHS Sec. McDonald describes VA as “a health care system” and “one of the largest businesses in this country”

FEBRUARY 15, 2015 -- Today's "Meet the Press with Chuck Todd" featured interviews with Senate Armed Services Committee Chairman **John McCain** (R-AZ) and Ranking Member **Jack Reed** (D-RI); the first Sunday show interview with VA Secretary **Robert McDonald**; a conversation about SNL's effect on politics and comedy with **Dana Carvey**; and a panel discussion with NBC's **Joe Scarborough**, White House Correspondent for American Urban Radio Networks **April Ryan**, the *Washington Post's* **Kathleen Parker**, and former senior advisor to President Obama, **David Alexrod**.

The program also featured a live report from chief foreign correspondent **Richard Engel**, a look at the plight of homeless veterans in Los Angeles by special correspondent **Tom Brokaw**, and a **NerdScreen** breakdown of new polling one year out from the first 2016 votes.

"MEET THE PRESS" 2/22/15: SEC. JOHNSON CALLS FOR "VIGILANCE" AFTER MALL OF AMERICA THREAT; BARBOUR RESPONDS TO GIULIANI & WALKER

Former RNC Chairman Haley Barbour: "They [Democrats] prefer to talk about Rudy Giuliani until the cows come home." Sec. Johnson says threat of DHS funding shut down is "bizarre and absurd" Sen. Corker: "We certainly need to make sure that Homeland Security is fully funded"

FEBRUARY 22, 2015 – This morning's "Meet the Press with Chuck Todd" featured interviews with **Homeland Security Sec. Jeh Johnson**, former RNC chairman and former Gov. **Haley Barbour** (R-MS), and Senate Foreign Affairs Committee chairman **Bob Corker** (R-TN); a deep dive into the future of voting rights in America with Rep. **Charles Dent** (R-PA) and **Sherrilyn Ifill**, President and Director-Counsel, NAACP Legal Defense & Educational Fund; and a panel discussion with The Washington Post's **Michael Gerson**, Fmr. White House Press Secretary **Robert Gibbs**, The Washington Post's **Nia-Malika Henderson** and The Cook Political Report's **Amy Walter**.

"Meet the Press" previewed **Savannah Guthrie's** exclusive interview with the family of **Kayla Mueller**, in which Kayla's father said the U.S. "put policy in front of American citizens' lives."

The program also included a report from NBC News chief foreign correspondent **Richard Engel** on the spread of ISIS, a **NerdScreen** breakdown of politics and the entertainment bubbles, and a behind-the-scenes look at House of Cards from **Cynthia McFadden**.

"MEET THE PRESS" 3/1/15 EXCLUSIVE: GOP LEADER MCCARTHY ENDORSES NUCLEAR OPTION, SAYS DEMOCRATS ARE KEEPING DHS FROM BEING FULLY FUNDED

House Majority Leader Kevin McCarthy: I don't think going nuclear when you have 57% of the Senate voted for the Collins amendment that would take away the president's action. I think they should change the rules. McCarthy: If there's somebody that's not being an adult, it's the Democrats that are trying to use an advantage to a rule to not let the majority govern in the Senate. Potential GOP 2016 Candidate Dr. Ben Carson: "I do not believe that religious beliefs should dictate one's public policies and stances."

MARCH 1, 2015 – This morning’s “Meet the Press with Chuck Todd” featured interviews with **House Majority Leader Kevin McCarthy** (R-CA); Rep. **Jan Schakowsky** (D-IL); former Sen. **Joe Lieberman** (I-CT); **Gary Kasparov**, chairman of the Human Rights Foundation; **Dr. Ben Carson**, professor emeritus of neurosurgery, Johns Hopkins University & author, “One Nation”; **Tony Messenger**, editorial page editor for the St. Louis-Post Dispatch; and a panel discussion with **Chris Cillizza**, political reporter for The Washington Post; **Helene Cooper**, Pentagon correspondent for The New York Times; **Hugh Hewitt**, host of “The Hugh Hewitt Show,” and **Maria Hinojosa**, host of NPR’s “Latino USA.”

The show also has an exclusive first look at a **new NBC News/Wall Street Journal poll** revealing nearly half of American voters believe congressional Republicans should not have invited Israeli Prime Minister Benjamin Netanyahu to address Congress on Tuesday without first notifying President Barack Obama.

“MEET THE PRESS” 3/8/15: SEN. FEINSTEIN: HILLARY NEEDS TO ‘STEP UP’; SEN. GRAHAM: ‘IRAN IS OUR ENEMY’; REP. LEWIS REFLECTS ON SELMA ANNIVERSARY

Sen. Dianne Feinstein on Hillary Clinton Email Controversy: “She needs to step up and come out and state exactly what the situation is.... Silence is going to hurt her.” Sen. Lindsey Graham: “Iran is our enemy.” Rep. John Lewis: “Still have a lot of work to go” on segregation efforts

MARCH 8, 2015 – This morning’s “Meet the Press with Chuck Todd” featured interviews with Sen. **Dianne Feinstein** (D-CA); Sen. **Lindsey Graham** (R-SC); Rep. **John Lewis** (D-GA); Sen. **Claire McCaskill** (D-MO); **Curt Schilling**, former American League Baseball pitcher; and a panel discussion with **Jonathan Martin**, national political correspondent for The New York Times; **Kathleen Parker**, columnist for The Washington Post; **Manu Raju**, senior congressional reporter for POLITICO; and **Amy Walter**, national editor for The Cook Political Report.

The show also has an exclusive first look at a **new NBC News/Wall Street Journal poll** revealing support for 2016 presidential candidates among Republican primary voters.

UPDATED: COMING UP ON “MEET THE PRESS WITH CHUCK TODD” 3/15/15: USN ADM. MULLEN ON IRAN; SENS. KAINE & WICKER, REP. GOWDY ON HILLARY EMAIL CONTROVERSY

ONE-ON-ONE WITH MULLEN: Retired Adm. Michael Mullen discusses current U.S. relations – and his past dealings – with Iran and ISIS.

Former Adm. Michael Mullen

Former Chairman of the Joint Chiefs of Staff

###

IRAN, HILLARY & 2016: Senator Tim Kaine and Senator Roger Wicker address this week's congressional letter to Iran and offer insight into how both parties are handling the email controversy as all eyes turn to the 2016 presidential race.

Sen. Tim Kaine (D-VA)

Sen. Roger Wicker (R-MS)

###

WHAT THIS MEANS FOR THE BENGHAZI PANEL: The Hillary Clinton email controversy has revived the House Select Committee on Benghazi, and its chairman, Rep. Trey Gowdy, is adamant the investigation remains much more than a pursuit of the would-be Democratic presidential contender's missing correspondence.

Rep. Trey Gowdy (R-SC)

###

BEING FRANK: Former Massachusetts Rep. Barney Frank discusses his new memoir releasing this Tuesday as well his thoughts on the Hillary Clinton/email controversy and the status of the Dodd-Frank Wall Street Reform and Consumer Protection Act five years later.

Fmr. Rep. Barney Frank (D-MA)

Author, "Frank: A Life in Politics from the Great Society to Same-Sex Marriage"

###

POLITICAL PANEL: The panel will discuss 2016 as a change election, Gov. Scott Walker's declaration of himself as the GOP presidential frontrunner and a look at what's really at issue when it comes to Iran.
