Arthur	Mon. – Fri. 12:30 p.m.	0:30	Based on the best-selling children's books by Marc Brown. The series revolves around an eight-year-old aardvark, his four year-old sister DW, and their family and friends. ARTHUR is a show about being a kid, exploring the world, and finding your place in it. It's about kids finding inner strengths, learning to make choices for themselves, taking responsibility for them and of course, having fun. In each episode, Arthur and his gang guide us through stories that deal with real "kid issues" timeless difficulties and joys that all kids experience. The series also models the joys and rewards of literacy by presenting the many ways kids and adults incorporate reading and writing into their lives. Above all, ARTHUR is a comedy that tells its stories from a kids' point of view, never moralizing or talking down to them.
California Science Center Fun Lab TV	Thurs. 5:00 p.m.	0:30	Explore with Monica & Mariela as they investigate the plants and animals that live in and around the California Science Center; observe what happens when a lobster gets too big for its exoskeleton; and discover the shocking truth about static electricity by doing a hands-on experiment!
Camp TV	Mon. – Fri. 3:00 p.m.	1:00	A day camp experience in your living room! An enthusiastic head counselor, played by Zachary Noah Piser, guides "campers" as they learn through play. Content partners include the New York Public Library, the New Victory Theater, Lincoln Center for the Performing Arts, Bedtime Math, Wildlife Conservation Society, the Memphis Zoo, and more.
Cat In The Hat Knows A lot About That	Mon. – Fri. 1:00 p.m.	0:30	Whisks pre-schoolers off on a voyage of scientific discovery. "The Cat in the Hat Knows a Lot About That!"

			features six-year-olds Sally & Nick, best friends and next door neighbors, who are transported on magical journeys to all corners of the globe where the natural world becomes their playground. With the Cat as their guide, his two energetic helpers, the zany duo, Thing One and Thing Two and the enigmatic Fish along for the ride, every outing becomes an unpredictable adventure. In each episode, Sally and Nick head off with the Cat in his one- of-a-kind custom vehicle, the Thinga-ma-jigger, a quintessentially Seussian contraption that instantly transforms from plane to boat to submarine with just a flick of the jigger-ma-whizzer or a honk of the shrinkamadoodle. They go everywhere from the ocean bottom, to a rainforest, or to the centre of a beehive. The Cat in the Hat "knows a lot" but he doesn't know everything making him the perfect guide for learning and fun.
Curious Crew	Wed. 5:30 p.m.	0:30	Rob Stephenson and inquisitive kids take a hands-on approach to scientific exploration.
Curious George	Sat. 8:00 a.m. Mon. – Fri. 9:30 a.m.	0:30	Uses entertaining and comical stories to teach learn math, science, and engineering; based on the children's book series.
Cyberchase	Mon. – Fri. 11:30 a.m.	0:30	Energizes kids ages eight to eleven with math power. Full of cyber-mysteries with eye-popping animation and a sly comic flair CYBERCHASE sends the message that math is fun - it's about problem solving and, boy, does it come in handy. Each episode takes the kids on a thrilling adventure driven by a different math concept - from tackling time in ancient Egyptian tombs to cracking codes in creepy caves or making sense of numbers in a fractured airy world.
Daniel the Tiger's Neighborhood	Sat. 7:30 a.m. Mon. – Fri. 9:00 a.m.	0:30	"Daniel Tiger's Neighborhood" is an animated series with live-action interstitials. Fred Rogers' original Neighborhood of Make Believe is recreated in vibrant color and texture; his signature puppet Daniel Striped Tiger is transformed

			into a curious and playful 4-year-old joined by his friends O the Owl, Prince Wednesday, Katerina Kittycat and Miss Elaina. The series curriculum is school-readiness and social-emotional learning, and each preschool themed episode offers a musical strategy for children and parents to use together.
Dinosaur Train	Mon. – Fri. 2:30 p.m.	0:30	"Dinosaur Train" is an animated series for 3-to-6 year olds. The series features a curious young T-rex named Buddy who, together with his adopted Pteranodon family, takes the Dinosaur Train to meet, explore, and have adventures with all kinds of dinosaurs and prehistoric creatures.

Elinor Wonders Why	Mon. – Fri. 11:00 a.m.	0:30	This animated series for preschoolers aims to encourage children to follow their curiosity, ask questions when they don't understand and find answers using science inquiry skills. The main character Elinor, the most observant and curious bunny rabbit in Animal Town, introduces kids ages 3-5 to science, nature and community through adventures with her friends Ari, a funny and imaginative bat, and Olive, a perceptive and warm elephant. As kids explore Animal Town, they meet all kinds of interesting, funny, and quirky characters, each with something to teach us about respecting others, the importance of diversity, caring for the environment, and working together to solve problems.

Hero Elementary	Mon. – Fri. 6:30 a.m.	0:30	If you're a kid with superpowers, you belong at Hero Elementary! It's where young heroes in training can learn how to master their less-than-perfected powers and practice day-saving action. But when their superpowers aren't enough for the job, they can always rely on an additional arsenal of powers: The Superpowers of Science! These kids may be superhuman, but it's science that makes humans truly super.
Into the Outdoors	Fri. 5:30 p.m. (April – May only)	0:30	Aims to get kids to want to go outside to explore, discover and understand the natural world around them. Part science lesson and part travelogue, the show not only tells viewers that they should help with energy conservation, it also explains why energy conservation is important. The young explorers featured on the show uncover the science behind sensible solutions to creating a healthy planet. But it's not all about science, there's craziness and laughter mixed in, because well learning should be fun.
Let's Go Luna	Mon. – Fri. 7:30 a.m.	0:30	Set in a world populated by anthropomorphic animals, focuses on three friends—Leo, a wombat (from Australia), Carmen, a butterfly (from Mexico), and Andy, a frog (from the United States)—who travel around the world with their parents' traveling performance troupe "Circo Fabuloso". Along their stops, Luna the Moon, depicted about 5 feet (1.5 m) tall with arms, legs and a face, and wearing a straw hat and red boots, occasionally comes down to Earth to teach them about local languages, music, food, and other customs. When they meet her, the children sing "Luna, come and play, show us the world, lead the way". Two half-hours, consisting of two segments each and four in total, takes place at a single country where the gang stop at, learn about, and meet friends around the world. With a team of cultural anthropologists on board, Let's Go Luna! is "meticulously researched to ensure cities and regions are authentically and respectfully portrayed".
Let's Learn	Mon Fri. 4:00 p.m.	1:00	An educational public television series for children ages 3 to 8, featuring lessons by educators, STEM specialists, teaching artists, and others. 130 one-hour programs

			include instruction in literacy, math, science, social studies and the arts to supplement at-home learning. The series also supports social-emotional learning and 2 brings viewers on virtual field trips to see dance performances, meet animals, visit botanical gardens and more.
Math Park	Mon. – Fri. 6:00 a.m.	0:15	A fast-paced interactive series for students in grades 2-5. An energetic cast of characters help make learning math concepts and skills an exciting experience. As the characters find themselves in interesting math predicaments, they ask the home viewers to talk back to the television. This helps make Math Park an active rather than passive viewing and learning experience. All segments are based on state and national mathematics learning standards, including the Common Core Standards.
Mister Rogers Neighborhood	Sat. 7:00 a.m.	0:30	Mister Rogers talks in a way young child can understand, at a pace they can absorb and with a consistency that creates a calm, safe place for preschoolers. Topics with sensitive emotional concerns are always carefully blended with fun and whimsy to match a young child's interests and level of understanding.
Molly of Denali	Mon. – Fri. 8:00 a.m.	0:30	This series follows the adventures of Molly, a feisty and resourceful Alaska Native girl, as she helps her parents run the Denali Trading Post in their Alaskan village. Viewers are introduced to the rich history and modern-day experience of family life in the heart of the Alaskan tundra through the More or Less eyes of Molly, her parents, and her friends. Designed to help kids develop skills around informational text such as using a map and following an instruction manual, this is the first nationally distributed children's series in the U.S. to feature an Alaska Native lead character.
Odd Squad	Mon. – Fri. 10:30 a.m.	0:30	A PBS KIDS live-action media property designed to help kids ages 5-8 learn math. The show focuses on two young agents, Olive and Otto, who are part of the Odd Squad, an agency whose mission is to come to the rescue whenever something unusual happens. A math concept is

			embedded in each of their cases, as Olive and Otto work together to problem-solve and save the day in each episode. ODD SQUAD is created by Tim McKeon (Foster's Home for Imaginary Friends, Adventure Time, The Electric Company) and Adam Peltzman (The Electric Company, The Backyardigans, Wallykazam!) and produced by Sinking Ship Entertainment and The Fred Rogers Company.
Peg + Cat	Mon. – Fri. 12:00 p.m.	0:30	This series is designed to engage preschool children and teach them how to solve math-based problems with Peg, a chatty and tenacious five year-old, her feline pal, Cat, and her smart, handsome, cool friend Ramone.
Pinkalicious & Peterific	Mon. – Fri. 1:30 p.m.	0:30	Pinkalicious imagines creative possibilities everywhere she looks. Aimed at kids 3-5, PINKALICIOUS & PETERRIFIC encourages viewers to engage in the creative arts and self-expression, including music, dance, theater and visual arts. Get creative with Pinkalicious, Peter and all their friends in Pinkville!
Sesame Street	Mon. – Fri. 7:00 a.m. Sat. 8:30 a.m.	0:30	SESAME STREET has garnered more than 100 awards, including 101 Emmys, two Peabodys, four Parents' Choice Awards and an Action for Children's Television Special Achievement Award. The series delivers academic and social education that prepares kids for grade school. Since its premiere, the show's base curriculum has been set by academic research on preschoolers. Encore episodes focus on music and art and how these tools can be used to develop the whole child - the cognitive, social, emotional and physical attributes. In addition, "Elmo's World," which looks at the world through the eyes of a three-year-old, continues as a featured segment. Themes include birthdays, pets, teeth, families, games and more.
The Story Pirates Present: SPTV	Tues. 5:15 p.m.	0:15	All about helping kids use their awesome imaginations to write great stories. Each week our host and Story Pirate, Alex, takes viewers on hilarious adventures showcasing original stories written by real kids and providing fun, creative writing lessons.

Wild Kratts	Mon. – Fri. 10:00 a.m.	1:00	Joins the adventures of Chris and Martin Kratt as they encounter incredible wild animals, combining science education with fun and adventure as the duo travels to animal habitats around the globe. Each adventure explores an age-appropriate science concept central to an animal's life and showcases a never-before-seen wildlife moment, all wrapped up in engaging stories of adventure, mystery, rescue, and the Kratt brothers' brand of laugh- out-loud-comedy that kids love. Real-life Chris and Martin introduce each "Wild Kratts" episode with a live action segment that imagines what it would be like to experience a never-before-seen wildlife moment, and asks, "What if?" The Kratt brothers transition into animation and the adventure begins, bringing early-elementary school children into the secret lives of extraordinary creatures, many of which have never been animated before including Tiger quolls, Draco lizards, and Caracals!
Xavier Riddle and the Secret Museum	Mon. – Fri. 8:30 a.m.	0:30	Follows the adventures of Xavier, Yadina and Brad as they tackle everyday problems by doing something extraordinary; travelling back in time to learn from real-life inspirational Marie Curie, Harriet Tubman and Jackie Robinson when they were kids. Each adventure will help young viewers make the connection between the skills that made these historical heroes and those same qualities within themselves, helping them discover that, they too, can change the world.

#### **ISSUE: MULTICULTURALISM**

Blue Sky Metropolis	Mon. 10:00 p.m.	1:00	How did Southern California become the	
	(May only)		aerospace capital of the world? What were	
			the consequences of this development for	
			the region, for the nation, and for aerospace	
			itself. "Blue Sky Metropolis" is a series of four	
			one-hour episodes that examines the largest	
			homegrown industry that, nevertheless, has	
			received only a fraction of the attention	
			heaped upon the Hollywood entertainment	
			business. Like its counterpart, aerospace	
			was an industry created by dreamers drawn	
			to a region that was invented by dreamers -	
			civic boosters comprised of newspaper	
			publishers, real estate developers and	
			Hollywood moguls. Their entrepreneurial	
			spirit surely resonated with those	
			imaginations attuned to the possibilities of	
			flight. "Blue Sky Metropolis" explores the	
			intersection of aerospace and Southern	
			California from multiple perspectives:	
			technology, popular culture, politics, race,	
			business, labor, environment and gender.	
Chasing Silver: The Story	Tues. 10:00 p.m.	1:00	The history of Gorham Manufacturing	
of Gorham	(June only)		Company based in Providence, Rhode	
			Island. Established in 1831 as a small	
			silversmithing enterprise, the company grew	
			to become a global titan of silver	
			manufacturing. The three-part documentary	
			series takes an intimate look at the people	
			and historical events that led Gorham on a	
			tumultuous ride through soaring prosperity	
			and devastating hardship.	

Craftsman's Legacy	Sat. 7:00 p.m.	0:30	Goes on a quest to discover the true craftsmen in today's world. Traveling across the country, Gorges interviews the men and women responsible for carrying the tools, trades and traditions of fine craftsmanship into the 21 <sup>st</sup> century. From a glass blower to a guitar maker, a weaver to a potter, every episode explains the history of a traditional craft and the importance of that craft in the United States today. Other tradespeople include: a woodworker, a snowshoe maker, a knife-maker, a boat-maker, a saddle-maker, a stone carver and a blacksmith. Gorges,a welder by trade, meets and interviews master craftsmen, and learns why they chose their craft, where they learned their skills, how they live using their talents, and the challenges and importance of keeping that tradition alive in a modern-day world. He then takes on the role of apprentice on a project under the guidance of the master craftsman. In these inspiring segments, Gorges proves that, with the right tools and careful direction, a person with no experience can learn the basic skills of a craft to create something of lasting value. As owner of Voodoo Choppers, Gorges creates custom motorcycles and stylish works of art for high-end restaurants and luxury homes. His one-of-a-kind choppers have been featured on The Discovery Channel.	Eric Gorges
The Last Pig	Thurs. 8:00 p.m. (4/21)	1:00	Chronicles the life of a farmer in crisis: after a decade of raising pigs, he can no longer bear the ultimate act of betrayal. Set against the stunning backdrop of Upstate New York, Documents his final year on the farm. Deeply immersive, the film is a poetic snapshot, a contemplation on compassion, ethics, and	

			the changing landscape of animal agriculture. In intimate detail, it captures the farmer's personal upheaval as he questions his own morality and the value of life. Through the story's simple intimacy, the farmer's moral quandary quietly becomes our own.
