## WPTK PROGRAMS THAT ADDRESS COMMUNITY ISSUES

TalkRadio 850 WPTK airs a variety of regular programs that deal with issues affecting our community and our listeners. The station airs no less than 8 hours each weekday of programs that deal with issues of politics, economy, human relations, morality, and other general topics affecting the community. Following are examples of issues oriented programs and a brief description of each:

**1. The Morning Drive** (Monday - Friday, 6:00 a.m.-10:00 a.m.)

A locally-produced morning talk show highlighting various local, national, and international topics in addition to newscasts, weather, and traffic; hosted by Doug Kellet.

**2. Andrea Tantaros** (Monday – Friday, 10 a.m. – 1:00 p.m.)

Andrea Tantaros is a nationally recognized political commentator and syndicated columnist best known for her role as a co-host of Fox News Channel's hottest hit show, "The Five". Tantaros delivers unfiltered and unconventional analysis, offering audiences candid and often humorous insight into politics, policy, current events and our country's most contentious culture wars.

**3. Clark Howard** (Monday – Friday, 1:00 p.m. – 3:00 p.m.)

The nationally produced Clark Howard show is helping millions of Americans through all types of financial trouble. He simplifies complex issues, allays fears, and offers sound advice to help families thrive during financial crisis. In addition to the program, listeners are kept up to date with news updates from the North Carolina News Network.

**4. Bill LuMaye Show** (Monday – Friday, 3:00 p.m. – 7:00 p.m.)

**5. Jason Lewis** (Monday – Friday, 7:00 p.m. – 9:00 p.m.)

The Jason Lewis Show, home of Beatle Bumper Fridays, deals with the serious issues of politics, economics, and cultural affairs, but Jason's sense of humor brings a good deal of levity to the show. Lighter topics include sports, music and movies. And you'll definitely hear plenty of Elvis and Beatles' trivia during any given broadcast.

**6. Lars Larson** (Monday – Friday, 9:00 p.m. – 1:00 a.m.)

This nationally produced talk show features an occasional "west coast" view as it originates in Seattle, but still manages to capture the feelings of Middle America. In addition to the program, listeners are kept up to date with news from the North Carolina News Network.
