Career Day at Sunny Hill Intermediate (Sharon Clarks)

4 messages

Jennifer Medford <jmedford@westtnpbs.org>
To: Miranda Barnes <mbarnes@westtnpbs.org>

Thu, Mar 17, 2022 at 7:43 AM

Good Morning!

Sharon texted the other day and asked if we could come for a Career Day in May. I am available that day but I know you are swamped. So if you could get me job descriptions I will share with students of the different aspects of the station.

Thanks,

Jennifer Medford
Manager of Education and Community Engagement
P.O. Box 966

Thu, Mar 17, 2022 at 2:04 PM

Jennifer,

You might want to touch base with Darrell on this since I am sure you are looking for more than my job description. He will have ones for his and the production assistant and crew. Also, have you asked your neighbors in the hall for theirs? Just checking!

Miranda

I am looking for a job description with a background -technical background or college degree students would need to go in your field. I want students to know what it would take if they wanted to go into your field and specifically here at West TN PBS.

2023 West TN P2P 8th Grade Career Expo

Robin Sealy <rsealy@tiptonco.com>

Tue, Feb 14, 2023 at 11:46 AM

To: "pnoll@westtnpbs.org" <pnoll@westtnpbs.org>, "kcobb@westtnpbs.org" <kcobb@westtnpbs.org>, "jmedford@westtnpbs.org" <jmedford@westtnpbs.org>, "mhinson@westtnpbs.org" <mhinson@westtnpbs.org>, "dconner@westtnpbs.org" <dconner@westtnpbs.org>

Good Morning,

I reached out earlier to Miranda Barnes who was my contact in 2020 and 2022. I just looked at your website and don't see her listed, so I'm reaching out to each of you.

In 2020 WLJT attended the West TN Pathways2Possibilities 8th Grade Career Expo. In 2022, Miranda had arranged to attend, but had a conflict at the last minute.

We would love to have you attend for 2023 and exhibit in the Arts, AV Technology, and Communications pathway.

This is an interactive, hands on career exploration event for 8th graders (public, private, and home-school). We have over 3,000 students from 10 west TN counties registered to attend over the two day event.

Set up for the event is on March 7th, and students will attend on March 8th and 9th.

This is a video of the 2022 event- West TN 8th Grade Career Expo 2022 - YouTube

This is a video of the 2020 event-

West TN P2P 8th Grade Career Expo 2020 - YouTube

At about the 49 second mark and the 55 second mark you can see your PBS exhibit.

We would love to have you join us again. There is no cost to attend the event, and we provide breakfast and lunch to exhibitors on the 8th and the 9th.

I would be happy to answer questions by email or phone. My cell number is listed below.

I know this is short notice, but I didn't realize Miranda was no longer with the station. If you are willing to attend, I will send you an exhibit reservation form where you can request tables, chairs, etc.

Thanks so much!

Robin

The Carroll County Technical Center conducted our 2nd Annual Spring Career Exploration Day on Thursday, April 6th. Due to inclement weather, the event was moved to James Neely Tennessee Career Center. Every student enrolled in our CTE courses were given the opportunity to participate in this wonderful activity. One of the most important facets of education is the development of quality educational experiences. Our semester career events are a great opportunity for students to connect to a path that is appealing, fulfilling, and possibly lead to a desired career. This career exploration activity is a vital means to bridge the gap between education and the workforce. This years' event numerous vendors from businesses, schools, military services, and community services from Carroll County, West, and Middle Tennessee. Our students appeared genuinely motivated, excited, and inspired as they actively participated in this hands-on event. One of the main goals of our event is to demonstrate the many job and career opportunities that are offered to our students across Carroll County and West Tennessee.

This years' businesses and vendors included: Carroll County Schools Coordinated Health, Carey Counseling Center, Carroll County Prevention Coalition, Carroll County Inclusion Park, Huntingdon Fire Department, Granges, Tennessee Army National Guard, United States Army, United States Air Force, Manpower of Paris, VP Racing Fuels, Parham Heating and Air, TCAT – Paris, TCAT, McKenzie, Murray State University, Nashville State, University of Memphis at Lambuth, University of Memphis Kemmons Wilson School, University of Tennessee at Martin Admissions, University of Tennessee at Martin – Parsons Center of Nursing, ZLINE Kitchen and Bath, Tennessee Department of Labor, Carroll County Sheriff's Office, Baptist Memorial Hospital Carroll County, West Tennessee Public Utility District, HydroGear, West Tennessee PBS, AAN, Inc, Bethel University, Bethel University Nursing Department, Jackson State Community College, Kelloggs, and Lincoln Tech Nashville.

To: "jmedford@westtnpbs.org" <jmedford@westtnpbs.org>

Hi, I'm Laura Carter, the STEM Coordinator at Trenton Rosenwald Middle School. I met you at the Career Expo in Ripley. I would love for you to come to speak to my 7th/8th grade STEM class about what you do and career opportunities at West TN PBS. You may already have a particular topic you discuss at schools, and that's fine, too! Do you have any time in your schedule between now and the end of the school year to fit us into your schedule?

I look forward to hearing from you!

My name is Amanda Pruitt, and I am a teacher at Huntingdon High School. I got your contact information from Lori Nolen who used to work at the Dixie in Huntingdon, TN. She spoke highly of you all. My English IV classes are putting together a career exploration day for our K-12 students. In a nutshell, Huntingdon students (kindergarten through 8th grade) will be visiting and experiencing different careers. We will have different sections for different career clusters. For example, healthcare will have its own section, and within that section, students will complete hands-on activities that deal with the healthcare field. Students might put together a heart model, tour an ambulance simulator, get a crash course in CPR, etc. The possibilities are endless. We plan on having several career clusters. The catch is that we want all children to participate in hands-on activities not just meet and greet with people. We would love to have someone from PBS there for students to learn from those who already do this sort of thing. We hope to set up a green screen and have students deliver a newscast or deliver the weather. The date for this is October 6 from 9-2. Do you think someone from PBS would be interested in coming to this event?

Jennifer Medford <jmedford@westtnpbs.org>

Thu, Aug 24, 2023 at 12:34 PM

Cc: Darrell Conner <dconner@westtnpbs.org>

Thu, Aug 24, 2023 at 2:03 PM

If they have a green screen they might want a meteorologist. We could go and do something else – but I would suggest she talk with someone at WPSD or WBBJ or that part. As far as hands on for my department – We could do script writing... I guess Darrell or Charles could show them how to shoot a camera. But I know they are awfully busy! Darrell??? What do you think?

Thu, Aug 24, 2023 at 2:10 PM

Oh sorry I missed that.

Jen, I am going to respond and let her know that this sounds wonderful but it should like something that WPSD might want to do... or WBBJ. Unless there is something that you want to do with them? I just don't think we are the typical tv station she is looking for. We don't do weather or a newscast.

Thu, Aug 24, 2023 at 2:16 PM

To: Mandy Hinson <mhinson@westtnpbs.org>, Darrell Conner <dconner@westtnpbs.org>

I will see what I can do and add your suggestions Mandy. Availability and not really having true graphic program for the green screen make difficult. I don't mind going and setting up my green screen and doing a mock set up. However we just won't have production. I have an older camera Darrell let's me use. I will make suggestions for wbbj or channel 6 to go.

Good Morning! West TN PBS will not be able to attend this one. We did come up with some suggestions. WBBJ or WDSP would be great options. I do know WBBJ has done some career days for other schools. I can come and talk about the jobs and bring a camera for them to physically touch and learn about but will not have our production team with us. We have several projects we are working on and the production team will not be able to come this year. Please keep us in mind in the future.

To: Jennifer Medford <jmedford@westtnpbs.org>

Not a problem! We contacted WBBJ already and can do a zoom meeting with Moe Shamel, but they cannot come either. We just came up with this idea a few weeks ago, so it is short notice, but thank you for considering us. We would be glad to have you come and explain the camera to them. I believe we are still going to try and do a green screen and use our camera here to do something with the little ones. Hopefully, this works out well, and we can continue to do this.

West TN PBS

West TN PBS attended the Career Day here at Carroll County Technical Center on Wednesday, October 25, 2023 with 350 students learning about careers in public media.

Carroll County Technical Center

October 26, 2023 · 🌐

The Carroll County Technical Center conducted our 3rd Annual Career Exploration Day on Wednesday, October 25th. Students from the CCTC were given the opportunity to participate in this wonderful activity. One of the most important facets of education is the development of quality educational experiences. Our annual career day is a great opportunity for students to connect to a path that is appealing, fulfilling, and possibly lead to a desired career. This career exploration activity is a vital means to bridge the gap between education and the workforce. This years' event had close to 60 vendors and over 100 representatives from businesses, schools, military services, and community services from Carroll County, West and Middle Tennessee. These counties included Carroll, Benton, Henry, Weakley, Humphreys, Gibson, Madison, Lauderdale, Chester, Shelby, and Davidson. Our students appeared genuinely motivated, excited, and inspired as they actively participated in this hands-on event. One of the main goals of our event is to demonstrate the many job and career opportunities that are offered to our students across Carroll County and West Tennessee. CCTC student Everly Johnson was the winner of the "SWAG BAG" that was donated by the Tennessee Department of Corrections in Henning, Tennessee. The CCTC wished to express our appreciation to Corinth Coca Cola for sponsoring this years' event. In addition, the CULINARY ARTS program at the CCTC prepared an outstanding lunch for participants.

Good Afternoon! I hope your students learned a lot yesterday and maybe helped peaked their interest in how different degrees can be used. If you could share pictures please do! We love to put it on our social media page as well. We can work on more dates if you want to do more. Also when you get the dates for your interview day sent up let me know.

Thanks again for letting us come!

Hey Jennifer!

I just got them finished and have attached them for you. I also reached out to the social media girl at Ridgemont to see if she wanted to share them on our school page as well.

Don't forget March 22nd is PBS car at Lake Road Careers on Wheels and I might not be there. I'd already agreed to go with another school for a UTM tour that day. So Jennifer Robertson will be your contact if I am not there. Her number is 731-621-0055.

Still waiting to hear about a date on the high school job fair (mock interview) so will let you know as soon as she sets that date.

Thanks so much!

Hello all,

I hope this message finds you well.

I am thrilled to introduce myself as the new Career Advisory Specialist at Lexington High School. As part of our commitment to fostering career readiness and exploration among our students, I am excited to announce the launch of our program, LEAP (Learn and Earn Advancement Program).

In line with our mission to expand work-based learning opportunities and Career and Technical Education (CTE) courses, we are organizing a Career Expo. This event aims to enlighten our students and parents about the diverse array of career pathways available within our community.

We cordially invite you to participate in our Career Expo as a representative of the esteemed opportunities offered by your organization. Your presence would provide invaluable insights and inspiration to our students.

Here are the details of the event:

Date: March 14, 2024

Time: 6:00-8:00PM

Location: Lexington High School Gym

Table Setup: We will provide one table for your company. If additional space or tables are required, please inform us, and we will be happy to accommodate your needs.

Contribution: You are encouraged to bring any materials or displays that showcase the opportunities your company offers. Additionally, if you would like to contribute door prizes or assist with food options to enhance the event experience, your support would be greatly appreciated.

Attached to this email, you will find our event flyer, which provides further information about the Career Expo.

With 19 companies already confirmed for participation, this promises to be an enriching and engaging event for all involved.

Thank you for considering this invitation. Your participation would be instrumental in making this event a success. Please don't hesitate to reach out if you have any questions or require further information.

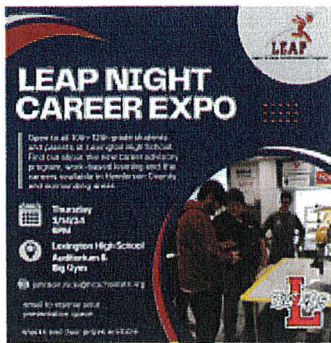

We look forward to welcoming you and your team to the Career Expo.

Warm regards,

--

Good morning!

We are so excited about **Wednesday, March 20** for our Carroll County Career Connections Day! You are on our confirmed list to attend. If there has been a change, please let me know.

Please read the following information as we prepare for the BIG day!! We are expecting about 60 different organizations to participate! **CCTC address is 1235 Buena Vista Rd., Huntingdon, TN.**

- **BRING A CHAIR!** We have limited access
- **Arrive 7:20-7:30ish.** Give yourself time to drop off items and park your car at a different location (470 Mustang Drive behind the Career Center). Students will begin about 8:15.
- ~~The weather looks cool in the morning, so dress in layers. During the afternoon looks sunny and high 60s. There is little to no cover so prepare for the sunshine!!~~
- There could be some wind, so if you have papers have a way for them to not blow away.
- **Lunch** (10:45ish-11:45ish) is provided by our culinary arts program. Menu is as follows: BBQ Pulled chicken with bun, slaw, potato salad, pickle, cowboy baked beans, and dessert.
- Coffee will be ready when you arrive and drinks throughout the day inside our building
- **FOOD TRUCKS** During the morning we will have the Farmers Perk; afternoon Paradise Ice. You may want to bring some cash the food trucks were a big hit in the fall.

Please email me with any dietary restrictions or allergies!

Thanks,

Nancy

Cara

Hey! I know someone was supposed to reach out to you, but I thought I would double check. Are you planning to come to our career day March 20?

All seniors from the county are planning to come so probably around 400ish kids throughout the day.

West TN PBS

EXCITING NEWS: All the school districts in Carroll County are teaming up to present **Carroll County Connections Career Day**. We want you to be a part of this inaugural event!! You will meet students enrolled at CCTC, Clarksburg High School, Hollow Rock Bruceton Central High School, Huntingdon High School, McKenzie High School, and West Carroll High School.

I am contacting you to invite you to our Spring Carroll County Connections Career Day at **Carroll County Technical Center (1235 Buena Vista Road, Huntingdon, TN)** on **Wednesday, March 20, 2024**. I am attaching a flyer to this email. This is such a fun day for all students and staff! We will have around 400 students from schools across our county! This event will be held outside in our school parking lot, and if it rains our backup plan will be to hold the event at the Carroll County Civic Center, 201 Fairgrounds Rd., Huntingdon.

West TN PBS

West TN PBS Attended Lake Road Elementary Vehicle Career Day on March 22, 2024 with about 395 students participating.
