The Required Monthly Test (RMT) from IEMA (Illinois Emergency Management Agency) scheduled for 2/6/18 at 12:15AM failed to propagate through the CAP\IPAWS system.

This was due to a procedural error within the system.

This error has been corrected. No RMT retransmission will happen for February.

The next RMT is scheduled for March 6, 2018 at 10:15AM.

Please place this document with your EAS log.

You will also need to make a note in your EAS log referencing the failed RMT, addressing both the failure to receive the RMT and the failure to forward the RMT because it was not received.
