Hello Linda:

Larry Walke in NAB's Legal Dept has reviewed your email chain with Quigley. Under the FCC's rules, you can request documentation that Quigley is a legally qualified candidate for President under the FCC's rules, in which case he is entitled to reasonable access. However, even so, a legally qualified candidate is not entitled to special payment terms (like Net-15) that differ from a station's normal business practice. So if your regular policy is to collect payment from political advertisers up front (or under some other arrangement subject to a showing of credit worthiness or some other conditions, etc.), it is within your rights to require the same for Quigley. If you have any other questions, Larry can be reached at 202.429.5313.

I hope this is helpful for you.

Regards,  
Brad
