Dear Ms. Washburn:

We have completed our review of the response of Tribune Broadcasting Denver License, LLC, licensee of the KDVR(TV) and KFCT(TV), to the February 12, 2014 random audit letter sent to it in accordance with the provisions of Section 73.2080(f)(4) of the Commission's Equal Employment Opportunity (EEO) rules. KWGN-TV is included in the employment unit, and is licensed to KWGN, LLC. Both licensees are direct wholly-owned subsidiaries of Tribune Company. KDVR(TV) and KFCT(TV) were acquired by Tribune on December 27, 2013. The response is information captured from the time the stations were acquired.

As a result of our review, we find no further action is required. In accordance with Section 73.3526(e)(10) for commercial stations or Section 73.3527(e)(11) for noncommercial stations, the licensee must place a copy of this letter, our audit letter, and its audit response in the public inspection files of each station. The licensee must maintain these materials in the files until grant, by final order, of its next renewal application of its license for the station to which the file relates. Additionally, pursuant to Section 73.3526(e)(10) of the Commission's rules for commercial stations or Section 73.3526(e)(11) for noncommercial stations, the licensee must upload copies of this letter, our audit letter, and its audit response in the stations' online public inspection files. The materials must remain in the online public files until the next grant of the renewal application, by final order, of the license for the station to which the file relates. Should you have any questions regarding this matter, please contact the EEO Staff at (202) 418-1450. Thank you for your cooperation.

Sincerely,
