

ISSUES/PROGRAMS LIST FOR October, November, December 2023

1. ISSUES IN EDUCATION BROADCAST SATURDAY AT 7:30am and 8:00p

10/7/23 Marxism in America, pt 2

How did America go from being independent to being in debt over \$30 trillion dollars, invaded by over 2 million illegals, and led by an incompetent President? Is the current leadership in Washington just weak and confused or radical and Marxist? Victor Davis Hanson, author of *The Dying Citizen – How Progressive Elites and Globalism are Destroying the Idea of America*, tells how President Trump made America oil independent, reduced the price of oil that crushed Russia's economy and halted their invasion aspirations. Biden's radical policies of open borders and appeasement will give the Republicans an upcoming victory.

10/14/23 10/14/23 Christ with Us in Suffering

What do many Christians with weak faith do when disaster strikes? Radio and TV host, Joni Eareckson Tada, author of more than 50 books including, *An Unforgettable Story*, has suffered for over 50 years with quadriplegia and extreme pain. Then she got breast cancer! What helps is focusing on Jesus and his suffering to pay for our salvation. Tim Hansel, author of *You Gotta Keep Dancin'- In The Midst of Life's Hurts You Can Choose Joy*, suffered a tragic fall that broke his back, causing him to be in extreme pain, says, "This light and momentary affliction is preparing for us an eternal weight of glory beyond comparison!"

10/21/23 DNA Disproves Evolution

Who's right, the public school science teacher or the pastor? Most pastors don't teach the scientific source of origins but leave that to the secular science teachers. Is it any wonder a majority of public school students become evolutionists? James Perloff, author of *Tornado in a Junkyard* and *The Case Against Darwin*, gives solid scientific reasons to believe the Biblical account and reject the myth of evolution. Darwin didn't know about genetics, but we know now that genetics disproves evolution. The consequences of evolution are endemic as seen in the evils of abortion and communism. Marx saw people as evolved animals

10/28/23 Evil Attack on Israel

More than 5,000 rockets have been exploded into Israel towns with up to 1,000 Hamas terrorist storming across the Israeli border by land and sea. Gaza was given by Israel in exchange for peace years ago. Why do Muslims kill Jews? More than 1000 Israelis were murdered and others kidnapped to be tortured and abused. Children and elderly people were slaughtered. Babies were beheaded. What part did Russia and Iran have in this massacre? Amir Tsarfati says the technology and training was from Russia and Iran. David Rubin, author of *Confronting Radicals*, says his 3 year-old was shot by Muslim terrorists.

11/4/23 Palestinian Terrorist Come to Christ

With the huge influx of illegals from our southern border, which Biden keeps wide open, some are Muslim terrorists! Kamal Saleem was a Muslim terrorist who came to recruit students into Jihad, but through a life threatening car accident, he turned to Christ, and Christ appeared to him. How could anything other than an authentic experience with the Risen Christ explain the complete transformation of the hardened mind of this Muslim terrorist? Kamal is a fearless and zealous Christian who goes into Mosques to convert Muslims to Christ. Kamal Saleem comes face to face with Imams to confront them about Christ.

11/11/23 Honoring Veterans

On the Korean Memorial are these words, "Freedom is not free!" Think of the high price paid by our brave veterans. Many gave their tomorrows for our todays. This Veterans Day inspirational program features a captivating account by Korean veteran Ed Reeves, who fought for his life in minus 30 to 40 degree temperatures. It was so cold, the bullet holes in his body froze shut and kept him from bleeding to death. Even after almost all the others were killed, Ed Reeves clung to his faith and Bible, and fought on despite his life-threatening wounds without ammunition. This miraculous account is spell binding.

11/18/23 The Last Hour

Why do evil people prosper but the righteous suffer? Jesus said he is coming to take his followers to be where he is. He is coming down, and we are going up. This is the rapture. But when will the rapture of His church occur? Prophecy expert Amir Tsarfati, author of The Last Hour, says the rapture rescues us from God's Great Tribulation, while Christ's second coming ends the Great Tribulation and begins the Millennium. Christ's second coming is not FOR the Church, but WITH the church. The dynamic preacher, Amir Tsarfati, says the Biblical pattern is God rescuing the righteous and judging the unrighteous!

11/25/23 Israel's Defense of Their Land pt 1

Israel is at war for their survival, yet protestors support Hamas terrorists. Not since the Nazi holocaust has such inhuman, demonic, atrocities been committed against the Jews. But ironically people are protesting, not against Hamas, but against the Jews. Amir Tsarfati, the author of The Last Hour, says people are deceived into thinking Israel is occupying Palestinian land, when the opposite is true. Pastor Jack Hibbs says, "Ignorance is satan's strategy to deceive the nations." Palestine has never been a nation but is a name given to Israel's enemy by the Emperor Hadrian. Benjamin Netanyahu says Israel will annihilate the enemies of Israel.

12/2/23 Israel's Defense of Their Land pt 2

Protests in support of Hamas is support for barbarians and against civilization. Gov Ron DeSantis said he would cancel visas of those who support terrorism. US Sen. Katie Britt talked to those who witnessed the horrors of terrorism said it's despicable and pure evil. Jeff Ballabon, of the ACLJ, said the massive world-wide anti-semitism portends another holocaust. Sebastian Gorka said, if people can justify beheading of innocent babies, they can justify anything evil. Pastor Billy Crone, author of The Final Countdown the God who owns everything gave the land to Abraham and his descendants way before Islam existed.

12/9/23 The Courage To Leave Hamas

An American woman visiting Israel miraculously escaped certain death from Hamas as her uncle took the shrapnel for her. The son of a founder of Hamas, Mosab Yousef, gave up his power, position and even Islam for freedom! He says the Palestinian people have been hijacked by Hamas. The problem is not with the Muslim people but with their archaic 6th and 7th century religion of Islam. Israel overcame the holocaust and instead of blaming others for their suffering, they were able to build a democratic nation benefiting the world with technology and medical inventions. Unlike the surrounding Arab nations.

12/16/23 Classic Christian Composers

Christmas would not be Christmas without Christmas music. It's ironic that public schools censor out any music that mentions Jesus as Lord, yet the greatest musicians were Christians. Mozart, Beethoven, Bach, Handel... were born again Christians who loved our Lord. Dr Patrick Kavanaugh, author of *Devotions from the World of Music*, and *Raising Musical Kids*, gives some fascinating details into the lives of the world's greatest composers and some great ideas how to help your child develop a love for good music. What do you say when your little Mozart wants to quit his music lessons?

12/23/23 When God Became A Man

The greatest event in all history was that the Creator of the universe became a baby, the man Jesus. It's amazing that the God who created everything came to earth as a single cell, says famed actor Bruce Marchianno. Pastor Francis Chan, author of *Crazy Love*, gives an impassioned Christmas message exclaiming how God emptied himself and left heaven to become a man! If you want to know what God is like, look at Jesus! Jesus shows that God isn't angry but loving, patient and kind. When a primitive tribe first heard the gospel and how God had forgiven them of all sins, they leaped for joy and celebrated for hours. gospel and how God had forgiven them of all sins, they leaped for joy.

12/30/23 Flight to Heaven

Is heaven a real place or just a theoretical concept? Captain Dale Black, author of *A Pilot's True Story - Flight to Heaven, A Plane Crash, A Lone Survivor, A Journey to Heaven and Back*, describes his horrific plane crash into a mausoleum going 135 mph and falling 70 feet on to concrete. His body was clinically dead, but his spirit went to an incredibly awesome place -Heaven. What do angels look like? Jesus promised mansions awaiting God's children, but what are they like? Dale Black describes Heaven's music and the brilliant colors, flowers, and water. What impressed him most was Christ's love! This is a life-changing program.
