ISSUES/PROGRAMS LIST FOR April, May, June 2023

1. ISSUES IN EDUCATION BROADCAST SATURDAY AT 7:30am and 8:00pm

4/1/23 Where Are All the Missing Christians?

When nuclear Russia and the Muslim nations come against Israel, we are near the end of this age! The super sign of end times is Israel being restored and threatened by a nation from the north. Jimmy Evans, author of *Where Are The Missing People? The Sudden Disappearance of Millions and What Happens Next*, says Russian president Vladimir Putin could be "Gog" in Ezekiel 38. Russia is motivated to invade Israel for their wealth and their recently discovered natural gas. Muslim nations aligned with Russia must invade Israel for their Imam to appear. When Gog attacks Israel, God will destroy his army with burning sulfur.

4/8/23 The Resurrection and the Life

Most people have no idea of the infinitely high price God paid for their salvation! Pastor Robert Nash, author of *Last Words -7 Sayings From the Heart of Christ on the Cross*, says while Jesus was gasping for every breath, he spoke words filled with hope and compassion. William Frey, says, "Since God can raise the dead, death has lost its power over us." John MacArthur, of *Grace to You*, tells how the disciples were terrified before the resurrection but after seeing Jesus, they became fearless & transformed the world. Chuck Smith says, "The crucifixion wasn't an accident but designed by God to show his love and forgiveness for sin."

4/15/23 Nuclear Iran's Threat to the World, pt 1

The religious leaders in Iran believe they can accelerate the coming of their Muslim Messiah by destroying Israel. Mark Hitchcock, author of *Iran and Israel* says the stage is being set for a war between Iran, Russia and other countries against Israel. Amir Tsarfati, author of *Revealing Revelation*, says Israel is preparing their military for a strike on Iran's nuclear facilities. But Russia has supplied Iran with advanced fighter jets and sophisticated defenses. China is becoming active in the Middle East. Greg Laurie says that this war may lead into the one prophesied by Ezekiel that God intervenes to destroy Israel's enemies.

4/22/23 Nuclear Iran's Threat to the World, pt 2

No generation has witnessed more fulfilled prophecy, since Christ, as this present generation. Yet many more prophecies are on the threshold of fulfillment. Iranian leaders believe the only way to bring the Caliphate into world dominion is to destroy Israel. Joel Rosenberg, author of *Damascus Countdown*, predicted 9/11 nine months before it happened, now suggests Israel will launch a preemptive strike against Iran, but if they fail to get all the nuclear warheads, retaliation from the Islamic world would be overwhelming. He says, "An atomic Iran could do in 6 minutes what it took Hitler 6 years to do, kill 6 million Jews."

4/29/23 Why I Left Islam, pt 1

Why do Muslim terrorists want to kill us? Walid Shoebat knows – he was one. Americans have no idea the motivation of Muslims or how to combat Islamic terror. Walid Shoebat believed his only chance to go to heaven was to die in jihad. Walid came here from the Middle East as a college student to raise money and recruit students for jihad. For naïve Americans

who think Islam is just another religion, he details the horrors of jihad and the barbaric Sharia Law. Walid, now a Christian and author of *Why I Left Jihad and Why We Want to Kill You*, warns of the dangers of Islam that's winning university students.

5/6/23 From Jihad to Jesus,

Most Americans are unaware of how pervasive Islam has become in our schools. Schools only give one side to students without telling them how intolerant and cruel Sharia Law is, or that it was Christianity that gave this country the freedoms we have. Ex-Muslim Jerry Rassamni, author of *From Jihad to Jesus*, tells how barbaric he was in killing Christians in Lebanon. Jerry Rassamni is a living miracle, a once hardened Muslim terrorist who has been transformed. This magnificent message is filled with compassion, and told with Biblical wisdom that will bring tears to your eyes. Allah and Christ are opposites.

5/13/23 Axis of Evil, pt 1

We are living in the most dangerous time since WW III! An axis of evil, consisting of Russia, China and Iran, is preparing for war with us. TV host Mark Levin says China is not just preparing to take Taiwan but is at war with us. Pastor Greg Laurie says that China could have a 200 million-man army as prophesied in Revelation 9:16. America may fall as a world power due to the rapture. Pastor John Hagee says Joe Biden is a pathetic leader like Neville Chamberlain who tried to appease Hitler. End-times prophecy expert, Amir Tsarfati says if America doesn't back, Israel it will be replaced as a superpower by China.

5/20/23 Axis of Evil, pt 2

What are the signs that America is nearing the end of world dominance? Four star General Jack Keane says America can not successfully oppose China by ourselves. Pastor John Hagee says when Russia and its allies attack Israel, God will destroy them. China's flag is red and yellow as mentioned in Revelation 9:16. Pastor Mark Hitchcock author of *Russia Rising* says Satan wants to destroy America to create a one-world government. America is rapidly declining due to printing trillions of dollars and unrestricted immigration with open borders. Pastor Greg Laurie says China's military is more advanced than America's.

5/27/23 The High Cost of Freedom

Although some veterans have gone to help secure Ukraine's border, our commander-in-chief has opened up our borders to illegals! Mark Levin, author of *American Marxism* says, "The greatest crisis of our time is Biden's violation of our immigration laws to change the populace of America." John Steer, author of *Wounded Soldier*, gives fascinating accounts of his experiences in Viet Nam. Gary Horton, a former Army Ranger, who fought for our freedoms, is not given the freedom to speak about his Christian faith in public schools. Schools have re-written our history, banned the flag, and banned the motto and the pledge.

6/3/23 What is a Woman?

The new Supreme Court justice can't define the word "woman" yet she is determining Supreme Court cases. Dennis Prager says the confirmation of Judge Jackson will be the decline of our civilization. Judge Ketanji Jackson could not answer when life begins, meaning she has the same ideology as those who legalized child killing in 1973. Michael Gurian, author of *Raising Boys By Design*, says boys learn differently than girls and need to be taught differently. Gov. Ron DeSantis signed legislation to protect grade school kids from being sexualized. Other guests: Lt Gov. Mark Robinson, Pastor Jack Hibbs of Calvary Chino.

6/10/23 End Times Scenario

Jeff Kinley, the author of *Aftershocks – Christians Entering a New Era of Global Crisis*, about prophetic end-times events, such as the first time in history we have the technology where the whole world can simultaneously see God's two witnesses written about in Revelation. John Hagee says America is not invincible. John MacArthur says when God was taken out of our culture, we've degenerated to not knowing male from female. Ben Shapiro answers a student that he won't go along with the insanity of multiple genders. The antichrist, fully possessed by Satan, will perform miracles to convince the world that he is God!

6/17/23 Caesar's Schools Produce Romans

If public schools just teach academics, why do nearly 90% of Christian students lose their faith in Christ after going through public schools? What does the Bible say about educating children? Voddie Baucham, author of *Fault Lines*, was raised by a teenage, single, Buddhist mother in the LA ghetto but succeeded in earning an MA from South East Baptist Seminary. He says Christians are making a big mistake in trusting Caesar's schools to disciple Christian students. Jesus said a student will become like his teacher. Relativism trains kids to break the Commandments. Christian teachers must teach an ungodly curriculum.

6/24/23 Is Communism Coming to America? Part 1

We take our precious God given freedoms for granted. Powerful forces want to make our nation socialist even communist. Immigrant Jamie Glazov describes the terror and oppression in the USSR before coming here but how America was like heaven. As a graduate student, Jamie tells how university professors believe and teach that communism is wonderful and capitalism is oppressive! Russian military scientist, Dr Igor Shafhid, former communist and author of *Inside the Red Zone*, says, "We could lose a city to terrorists and recover, but if we adopt a communist ideology, the whole country is lost."
