

(Calls) -FM (city of Lisc) , IL Issues/Programs List
Filed (07.08.16), for the 2nd Quarter APR-JUNE 2016

Program: Week in Review

Date/Time: 4/17/16 :50am

Length: 9 Min

Issue: Mollys Law/FOIA

Issue: IL State Rep Terri Bryant

Synopsis: New legislation in the state of IL to improve access to investigations including death investigation by members of the family. This was born out of two death investigation both of which occurred in the Carbondale area. One where a man walked into the woods after a fight and died of hypothermia and the other for which the law is named Molly Young after the investigation claimed she killed herself while with a Jackson County Dispatcher. The law was signed into effect and sponsored by the guest.

Program: Week in Review

Date/Time: 5/15/16 :20am

Length: 20 Min

Issue: SO IL Health Assessment (SIH)

Issue: Angie Baily and Woody Thorne

Synopsis: After a lengthy assessment by southern Illinois biggest health provider we talked about the result. What is killing southern Illinoisans? Cancer, Obesity/Cardiovascular based issues and Suicide. Outlined the death rates and talked about the plan for SIH to improve in these specific areas

Program: Week in Review

Date/Time: 6/5/16 :40am

Length: 20 min

Issue: Effort to build a Casino and Hotel in Williamson County

Issue: Walkers Bluff Owner Cynde Bunch and Emily Burke

Synopsis: The owners of Walkers Bluff want to build two 300 room hotels on the property that is now a Winery/Restaurant. She says that with a gambling license they will be unable to build the two hotels and to get that license it must be issued by the State of IL which up to this point it has not moved on the issue. She says this would create over a 1,000 jobs in counties that have the highest unemployment in the state.

Program: Morning Meeting

Date/Time: 6/26/16 :40am

Length: 20 Min

Issue: Carbondale IL Total Eclipse of the Sun 2017

Issue: Bob Baer of the SIU Physics Dept

Synopsis: The timing and expectations and safety issues of the AUG 2017 eclipse. The dangers to eyesight, when and what you must use for safe viewing along with the expectations for attendance and the coming plans and services that will be offered by SIU.
