Issue: Wellness in the Workplace

Issue: Brandi Meyer (SIH Workcare.ready.well)

Synopsis: Southern Illinois Healthcare (SIH) provides a program which uses their occupational health, rehabilitation and wellness programs to ensure an employer always has healthy employees. The program is called WORK.care.ready.well, and offers a variety of comprehensive programs to deal with injury management, pre-employment testing, early intervention services, biometric screenings, and personal health coaching. Brandi Meyer with SIH joined the program to discuss the unique challenges each employer faces when establishing worksite health programs, and gave listeners more information on where to find other resources related to managing a workplace environment in regards to employee health.
