**(H1-S1C PART 1)** [Mickey Robinson - Broadstreet Publishing]

I'm \_\_\_\_\_. All of us want to LOVE the life we live. There's a quote that puts it well: "The important thing is not how many YEARS in your LIFE but how much LIFE is in your YEARS". Mickey Robinson pushed himself to live a life of adventure – taking things to the extreme in whatever he did. But one day, when just a teenager, he was in a horrific SKYDIVING accident that by all accounts should have taken his life. And, for a brief time – it DID. That's when he got a glimpse of HEAVEN that changed everything. He tells his incredible story in his new book "Falling Into Heaven", available now.

Mickey chased a life of adventure, in part, because there was a hole in his heart left by a broken relationship with his dad.

Peter's wife Gracie was in a devastating car accident and lost both her legs. "Hope For The Caregiver" tells their amazing story and offers encouragement from the perspective of someone who went through unimaginable loss and pain, but kept the faith.

Peter, for someone right now who is going through something difficult and it just doesn't make sense - what would you say to them to inspire HOPE?
