

## Quarterly Issues Report - 1st Quarter 2019

WNTK Talk Radio is actively involved in matters and issues that are of importance to our local listening audience. We dedicate a minimum of five hours of programming weekly, specifically and exclusively, to the communities we serve, with on air interviews discussing a vast array of topics, events, concerns, and conversations relevant to the Dartmouth-Lake Sunapee Community.

The below list contains various interviews WNTK Talk Radio has conducted for local issues. This list does not represent an exhaustive list of the total accumulation of our quarterly issues, yet these segments/programs are meant to provide examples of the various interview topics WNTK covers on a consistent, daily basis.

### Issue: Public Interest

Weatherize New London - Broadcast January 23rd, 2019 at 8:15 AM, duration 15 minutes

Jamie Hess and Joy Kubit for New London Energy stop into the studio to discuss weatherize efforts for the Lake Sunapee Region, specifically the official launch of the 2019 Weatherize-Solarize campaign for the 6 towns of Andover, New London, Newbury, Sutton, Warner and Wilmot, including information, and incentives about alternative energy installation in homes, and more specifically solar and energy efficient devices.

### Issue: Public Health

Good Neighbor Clinic - Broadcast February 6th, 2019 at 8:15 AM, duration 15 minutes.

Eula Lee Kozma, Development Director of Good Neighbor Health Clinic, and Kristi Saunders, Hospice and Palliative Medical Director at Lake Sunapee VNA, discuss the efforts of the Good Neighbor Clinic for the region. The Good Neighbor Health Clinics promote the health of people in the Greater Upper Valley who are in need and do not have the means to pay, by providing free medical and dental care, mentoring aspiring health care professionals, and advocating for improved access to dental and health care. Also discussed was free women's clinic in Claremont February 6th.

### Issue: Humanitarian

Wags and Wiggles Rescue - Broadcast February 15th, 2019 at 7:30 AM, Duration 10 Minutes.

Christiane LaBrecque Dionne, Vice President and events coordinator for Wags and Wiggles Rescue talks about the efforts of the non profit, including adopting older animals, and a capitol campaign created to raise funds to build a shelter for the organization.

Issue: Public Health

West Central Behavioral Health - Broadcast March 11th, 2019 at 8:30 AM, duration 15 minutes.

WCBH offers a wide range of specialized services for individuals of every age who are struggling with mental and behavioral disorders. We provide a full continuum of care, including outpatient, emergency, case management, residential and continuing care services. We speak with Suellen Griffen Adams regarding free mental health and first aid training classes in March and April in Claremont and Hanover.

Approved
