**Issue:** Community/Recycling  
**Description:** The City of Laredo has implemented a New Recycling and Trash Pick up schedule. As the start date for the new trash and recycling pick-up schedule draws near, Silvia Garza, Director of the City of Laredo Solid Waste Department came in to remind listeners and residents of the impending changes but also and more importantly, how to properly use their new recycling bins. What can be recycled and also, what shouldn't be. Recycling is important, easy to do and reduces the amount of trash in our landfill.

**Issue:** Crime Prevention Awareness  
**Description:** The City of Laredo and District 8 host the 6<sup>th</sup> Annual National Night Out. A local event was held at Uni-Trade Stadium, located at 5620 Sinatra Parkway, from 6:00 to 9:00 p.m. National Night Out is designed to (1) Heighten crime prevention awareness; (2) Generate support for local anticrime programs; (3) Strengthen neighborhood spirit and police---community partnerships; and (4) Send a message to criminals letting them know that neighborhoods are organized and fighting back. While the traditional "lights on" and front porch vigils remain a part of NNO, activities have been expanded. Citizens can meet local law enforcement and community officials while enjoying an evening of food, music, games and much more. The event is open to the public and everything is free of charge. The annual gathering is a great opportunity for locals to come together and learn about how to help each other for the betterment of our community.
