ARTICLE I **SALE OF TIME**

1.1 Sale of Time. Subject to the provisions of this Agreement and to applicable rules, regulations and policies of the FCC ("Rules and Regulations"), Licensee agrees to make the Station's broadcasting transmission facilities available to Programmer for broadcast of Programmer's programs on the Station (the "Programming"). Subject to Section 2.4 below, Programmer will have the right to broadcast on the Station up to twenty-four (24) hours of programming each day during the Term (as defined in Section 1.2 below).

1.2 Term. The term of this Agreement shall begin as of the Effective Date and shall continue unless earlier terminated in accordance with the terms of Section 10.1. and/or 10.2 below (the "Term").

ARTICLE II

PROGRAMMING AND OPERATING STANDARDS AND PRACTICES

2.1 Compliance with Standards. Programmer agrees to work with Licensee to ensure mutually acceptable Programming, and all Programming delivered by the Programmer and all programming supplied by the Licensee during the term of this Agreement shall be in accordance with the Rules and Regulations, and the programming policies set forth on Schedule 2.1 ("Program Policies"). The Licensee reserves the right to refuse to broadcast any Programming containing matter that the Licensee believes is not in the public interest or that may violate the right of any third party, or that the Licensee determines is, or in the opinion of the Licensee may be deemed to be, indecent (and not broadcast during the safe harbor for indecent programming established by the FCC) or obscene by the FCC or any court or other regulatory body with authority over the Licensee or the Station. If the Programmer does not adhere to the Program Policies or the Rules and Regulations, the Licensee, upon written notice to Programmer, may suspend or cancel any specific program not so in compliance.

2.2 Political Broadcasts. The Programmer shall maintain and deliver to the Licensee all records and information required by the Rules and Regulations to be placed in the Station's online public inspection files pertaining to the broadcast of political programming and advertisements and to the broadcast of sponsored programming addressing political issues or controversial subjects of public importance, in accordance with the provisions of Sections 73.1943 and 73.3526 of the Rules and Regulations. The Programmer shall consult and cooperate with the Licensee and adhere to all applicable Rules and Regulations, as announced from time to time, with respect to the political advertisements and programming (including, without limitation, the rights of candidates, as appropriate, and to the equal opportunity provisions of the Rules and Regulations) and the charges permitted therefor. The Programmer shall promptly provide to the Licensee such documentation relating to such programming as the Licensee is required to maintain in its public inspection files, or as the Licensee may reasonably request.

2.3 Handling of Communications. The Programmer and the Licensee shall cooperate in promptly responding to all mail, email, cables, telegrams, or telephone calls directed to the Station in connection with the Programming provided by the Programmer or any other matter relevant to its responsibilities hereunder. The Programmer shall provide copies of all such correspondence to the Licensee, and the Licensee shall provide copies of all such correspondence to the Programmer. Promptly upon receipt, the Programmer shall advise the Licensee, and the Licensee shall advise the Programmer, of any public or FCC complaint or inquiry known to the Programmer or the Licensee, as applicable, concerning such Programming, and each shall provide the other with copies of any letters from the public, including complaints concerning such Programming. Upon the Licensee's request, the Programmer shall broadcast material responsive to such complaints and inquiries. Notwithstanding the foregoing, the Licensee shall handle all matters or inquiries relating to FCC complaints and any other matters required to be handled by the Licensee under the Rules and Regulations.

2.4 Preemption and Failures to Broadcast. The Licensee may, from time to time, preempt portions of the Programming to broadcast emergency information or programs it deems would better serve the public interest. The Programmer shall be notified in writing, at least two days in advance, of any preemption of any of the Programming for the purpose of broadcasting programs the Licensee deems necessary to serve the public interest unless such advance notice is impossible or impractical, in which case the Licensee shall notify the Programmer promptly, in

writing, upon making such determination. Such preemption shall occur to the extent that the Licensee deems preemption necessary to carry out its obligations as an FCC licensee. Notwithstanding the foregoing, with prior notice to Programmer, Licensee shall have the right to take the Station off the air for up to four hours per week for regular maintenance, during the hours of 1:00 a.m. to 5:00 a.m. Monday through Sunday.

2.5 Rights in Programs. 2.6 Payola and Plugola. The Programmer agrees that it will take all reasonable steps to assure that neither it nor its employees or agents will accept any gift, gratuity, or other consideration, directly or indirectly, from any person or company for the playing of music, the presentation of any programming, or the broadcast of any commercial announcement over the Station without reporting the same to the management of the Licensee and without such broadcast being announced as sponsored. It is further understood and agreed that no commercial message, plugs, or undue reference shall be made in programming presented over the Station to any business venture, profit-making activity, or other interest (other than non-commercial announcements for bona fide charities, church activities, or other public service activities) without the same having been approved by the management of the Licensee and said broadcast being announced as sponsored.

2.7 Advertising and Programming. Programmer and Licensee have agreed on a plan for the responsibility of expenses to be paid after the Effective Date, as outlined in Appendix B attached hereto. Licensee shall be solely responsible for any expenses incurred by it in connection with the broadcast of Programming and advertising on the Station prior to the Effective Date. Licensee shall also be entitled to all revenue in connection with the Station prior to the Effective Date. The Programmer does not assume any obligation of the Licensee under any contract or advertising arrangement entered into by the Licensee on or after the Effective Date that interferes in any way with the Programmer's Programming. The Programmer will advise the Licensee of its lowest unit charges for political advertising.

2.8 Streaming Programming. Licensee and Programmer shall continue with current audio streaming vendors. Programmer shall consider options that may result in efficiency or cost savings.

2.9 Compliance with Laws. At all times during the term of this Agreement, the Programmer and the Licensee shall comply in all material respects with all applicable federal, state, and local laws, rules, and regulations.
