

PUBLIC FILE REPORT – AUGUST 1, 2021 THROUGH JULY 31, 2022

As a licensee of the Federal Communications Commission, Redwood Empire Stereocasters affords equal employment opportunity without regard to race, color, religion, national origin, or sex.

NOTE: Beginning in March of 2020, the State of California was shut down due to the pandemic. This had a significant effect on the operations, personnel and recruitment activities of the employment unit. Because of still spiking Covid cases, our recruitment activities were halted. We did no recruiting during this period.

Station KJZY-FM 106.3FM, went under a Local Marketing Agreement as of February 23, 2022. We no longer do recruiting for this station.

Stations KZST-FM 1001.FM, KBBL-FM 93.7FM and KWVF-FM 102.7FM went under a Local Marketing Agreement as of June 1, 2022. We no longer do recruiting for these stations.

EEO Annual Report for Redwood Empire Stereocasters

This Annual EEO Report is filed on behalf of KZST (FM), KBBL (FM), KJZY (FM) and KWVF (FM), (the “Stations”) in compliance with the FCC’s EEO reporting requirements. KZST, KBBL, KJZY and KWVF, owned by Redwood Empire Stereocasters, share at least one employee. Thus, FCC rules deem the Stations a “single employment unit” and require the filing of a joint report. This report includes information from August 1, 2021, through July 31, 2022, and will be placed in the Stations’ public files on the FCC website and on the Stations’ respective websites.

Job Vacancy Information

KZST, KBBL, KJZY and KWVF are equal opportunity employers that are committed to meeting the Stations’ EEO obligations. All full-time job vacancies are posted with several sources, including national and local minority organizations, schools, newspapers, and help-wanted and industry websites. The Stations’ list of recruitment sources has been updated to include email addresses and will be used to notify potential applicants for full-time positions. The Stations will continue to actively seek out new sources. The Stations encourage organizations that distribute employment information or refer prospective candidates to contact us so that they may be placed on our mailing list to receive notification of future vacancies. The Stations will broadcast announcements four times a year in rotating dayparts inviting interested organizations to be added to our recruitment list. Notices on the Stations’ websites extend a similar invitation.

Long-Term Recruitment Measures

See NOTE above.

The Stations participate in long-term recruitment measures both individually and together. Job/Career Fairs are attended by Stations' General Manager, Sales Manager (Regional or Local) and/or Business Manager; and if another specific opening exists, the appropriate department head attends.

The Stations participate in other Job Fairs in the Sonoma County area when needed. The Stations participate in Career Days at local schools, particularly at Sonoma State University and Santa Rosa Junior College when invited.

As a member of the Sonoma County EAC (Employer Advisory Council) the stations have several benefits in the workforce development. The EAC supports local workforce development efforts including sponsorship of job fairs and veterans' outreach programs.
