

PUBLIC FILE REPORT – AUGUST 1, 2019 THROUGH JULY 31, 2020

As a licensee of the Federal Communications Commission, Redwood Empire Stereocasters affords equal employment opportunity without regard to race, color, religion, national origin, or sex.

EEO Annual Report for Redwood Empire Stereocasters

This Annual EEO Report is filed on behalf of KZST (FM), KBBL (FM & HD2), KJZY (FM) and KWVF (FM), (the “Stations”) in compliance with the FCC’s EEO reporting requirements. KZST, KBBL FM & HD2, KJZY and KWVF, owned by Redwood Empire Stereocasters, share at least one employee. Thus, FCC rules deem the Stations a “single employment unit” and require the filing of a joint report. This report includes information from August 1, 2019, through July 31, 2020, and will be placed in the Stations’ public files on the FCC website and on the Stations’ respective websites.

Job Vacancy Information

KZST, KBBL FM & HD2, KJZY and KWVF are equal opportunity employers that are committed to meeting the Stations’ EEO obligations. All full-time job vacancies are posted with several sources, including national and local minority organizations, schools, newspapers, and help-wanted and industry websites. The Stations’ list of recruitment sources has been updated to include email addresses and will be used to notify potential applicants for full-time positions. The Stations will continue to actively seek out new sources. The Stations encourage organizations that distribute employment information or refer prospective candidates to contact us so that they may be placed on our mailing list to receive notification of future vacancies. The Stations will broadcast announcements four times a year in rotating dayparts inviting interested organizations to be added to our mailing list. Notices on the Stations’ websites extend a similar invitation.

Long-Term Recruitment Measures

The Stations participate in long-term recruitment measures both individually and together. Job/Career Fairs are attended by Stations’ General Manager, Sales Manager (Regional or Local) and/or Business Manager; and if another specific opening exists, the appropriate department head attends.

The Stations co-sponsor a Job/Career Fair twice a year with The Santa Rosa Press Democrat.

The Stations participate in Career Days at local schools, particularly at Sonoma State University and Santa Rosa Junior College when invited.

The Stations participate in a scholarship program for local students to facilitate their study of broadcasting. This is the University Scholarship Program through Sonoma State University SSU Academic Foundation.
