Recruitment Summary Form

WTTG/FOX 5 & WDCA 20 Washington DC

Job Fairs

WTTG/FOX 5 & WDCA 20 participates in annual national job fairs. For the period June 1, 2007 through May 31, 2008, WTTG/FOX 5 & WDCA 20 participated in the following job fairs:

- National Hispanic Journalist Conference (NAHJ) June 15-18, 2007, San Jose, CA
- National Association of Black Journalist (NABJ) August 8-11, 2007 Las Vegas, NV
- Howard University Job Fair – The communications department at Howard University host an annual job fair for communications students in the Metro DC area. Fox Television Stations Inc participated in the job fair and representatives from several NewsCorp companies attended. This job fair was held October 25-26, 2007 on the Howard University Campus, Washington DC.
- Morgan State University Career Fair – The School of Communications Career Fair April 17, 2008

Job fairs provide applicants and potential candidates with the opportunity to learn about Fox Television Stations, Inc. and the job opportunities within the station group. A list of current job openings and station contact information is available upon request.

Internship Program (Exhibit 1)

Description: WTTG/FOX 5 & WDCA 20 continues to offer an academic credit internship program for college/university, junior, senior and graduate students. Generally, internships are available in the following departments: News (including Sports), Creative Services (including Promotions and Graphic Design), Research/Programming, Human Resources, Legal and Community Affairs.

The objectives of the program are to:

- Provide students majoring in journalism, communications, media and related disciplines the opportunity to receive on-site exposure to and training from experienced television broadcast professionals who are in job positions to which students aspire.
- Provide students majoring in journalism, communications, and media and related disciplines the opportunity to garner practical application experience and exposure to a work environment in their desired career.
- Identify students for the Station's job applicant pool for employment opportunities.

Eligibility Criteria:

- College junior and senior, and graduate students
- Receipt of academic credit

Work Study Scholarship Program

Current Work Study Student: Christopher Williams

Description: The Work Study Scholarship Program provides minorities, interested in pursuing careers in media, an opportunity to garner practical application work experience during their high school and college years to assist them in preparing to obtain jobs in the media.

In practice, WTTG/FOX 5 & WDCA 20 selects a college bound high school student, preferably a junior or senior to work at the Station during their summer, semester and holiday break periods, through completion of a four-year undergraduate college program. Typically, the student is assigned to work in various departments, on rotation, for exposure to the various operations of the Station.

In addition to providing this paid opportunity, the Stations match the student's gross earning, placing the funds in an interest bearing account, to be used toward the student's college expenses.

Eligibility Requirements:

- Good academic standing and record
- Recommendation from principal, teachers and guidance counselors
- Interested in pursuing a career in media

Minority & Women Referral Sources (Exhibit 2)

WTTG/FOX 5 & WDCA 20 regularly sends a list of current employment opportunities (attached) to minority and women organizations as part of its recruitment initiatives designed to increase the pool of minority and female applicants.

Job Line

WTTG/FOX 5 & WDCA 20 maintains and regularly updates a twenty-four (24) hour, seven (7) day a week job line that provides a brief description of the Station's current employment opportunities. The job line number is 202-895-3233.

Web Site

WTTG/FOX 5 & WDCA 20 maintains and regularly updates a twenty-four (24) hour, seven (7) day a week web site that provides a brief description of the Station's current employment opportunities. The web site address is www.MyFoxDC.com

Fall 2009	July 3, 2009

If you are interested in receiving additional information or have any questions about our Academic Credit Internship Program, Please contact the Human Resources Department at (202) 895-3232 or address written correspondence to:

WTTG/WDCA - Fox Television Stations, Inc.
Human Resources Department
5151 Wisconsin Avenue, NW
Washington, DC 20016

For consideration:

Applicants should forward resume, letter of interest, an application and academic credit confirmation to: Human Resources Department, WTTG/WDCA – Fox Television Stations, Inc., 5151 Wisconsin Avenue, NW, Washington, DC 20016. For additional information and an application you may contact the Human Resources Department at 202/895-3232 or visit our website at www.myfoxdc.com (click on “About Us”, then “Careers” and finally “Academic Credit Internship).

NEWS DEPARTMENT: Under the supervision of the Assignment Editors, all News student interns will gain hands-on experience in the day-to-day operations of a fast-paced news environment. Overall, an internship with the News Department will involve assisting the news staff with compiling packets of information, answering phones and other duties that will be useful in the news gathering process. This internship may include some field experience with News Reporters to cover developing stories. Student interns are expected to assist producer with researching, and preparing news packets for News Anchors and scanning wires. Also, student interns will assist Assignment Desk Editors and News Producers with phone calls to assist in the development of stories, as well as filing press releases, sorting scripts and writing practice scripts as needed. Base knowledge of broadcast journalism, including terms, structure, various duties/positions required. This internship requires learning the news computer system.

WEB NEWS: Under the supervision of the Web Producers, student interns will gain hands-on experience in the day-to-day operations of a fast-paced web news environment. Overall, an internship with web news will involve assisting the web producers with compiling packets of information, researching, scanning wires and other duties that will be useful in the news gathering web posting process. Student intern should possess an awareness that journalism has moved into multimedia platforms and understand that they may need to apply journalistic skills across many mediums. Student intern should be well versed in computer skills and file organization. Good editorial judgment is needed. Strong writing and organizational skills required. Interns should have an understanding of Web standards, design and usability with knowledge of common Web and application architectures. Interns should have background knowledge of print and broadcast newsroom standards and styles. Familiarity of audio/video digitizing, editing and encoding techniques, background knowledge of Internet publishing software and content management systems HTML, Dreamweaver, FLASH and Photoshop a plus. This internship requires learning the news computer system.

SPORTS DEPARTMENT: Under the supervision of the Sports Producers, the student intern(s) will gain hands-on experience in the day-to-day operations of the Sports Department. Student intern(s) will be exposed to how the Sports Department covers stories; and edit and air sports for the Ten O'clock News. Student intern(s) will assist in all facets of production. Duties include but are not limited to: checking wire reports, logging feeds and games, preparing initial scripts, working with editors to produce high-lights, and retrieving and achieving videotapes. This internship may include some field experience to cover sports events with a camera crew and Sportscaster. Student intern(s) must be self-starters, organized, and able to work evening and weekends hours. This internship requires learning the news computer system.

WEATHER: Under the supervision of the Weather Producers, Meteorologists, and Weather Anchors, weather interns will learn to operate WSI weather graphics system and be capable of creating a ready-for-broadcast weather show by the end of the internship. Interns will learn the Baron Fastrac and Viper Radar systems in addition to FOX 5's live Doppler Radar and be capable of assisting the on-air Meteorologists in tracking and analyzing severe storms. Interns will also learn the Skyalert crawl system for weather alerts and will assist the on-air Meteorologists with preparing crawls (with strict supervision) for broadcast. Interns will study meteorological model data and create local forecast for comparison with the on-air Meteorologists forecast. As time permits, interns will practice delivering a weathercast at the Chromakey Wall and in the WeatherCenter.

PROMOTIONS DEPARTMENT: Student interns will be responsible for time coding tapes, monitoring and coding squeezebacks, screening promos for content and choosing video and music for specific promotions. Student interns will be required to perform basic administrative assistance duties, including logging tapes for producers. They will have the opportunity to write scripts, participate in daily editing sessions and go out into the field on various promo shoots, offering the student a birds-eye view of on-air promotions.

RESEARCH/PROGRAMMING DEPARTMENT: Under the supervision of the Research Director, the student intern(s) will assist with the daily operations of the Research Department. The student intern(s) will assist with the ratings analysis of television shows, distribute the ratings to various departments, and write some copy for sales presentations. The student intern(s) may be exposed to programming meetings, and provide administrative support as needed. Will learn the various research tools Nielsen, Scarborough, and BAR reports.

COMMUNITY AFFAIRS: *Note: For some semesters, this internship is combined with the Sales Department Internship to create one full internship.* Under the supervision of the Community Affairs Manager the student intern(s) will participate in every aspect of the Community Affairs office. The student intern(s) will handle inquiries from the public, and will be involved in some production work. The student intern(s) will provide administrative support for community affairs campaigns, log incoming PSA tapes, write/change orders for Master Control, update mailing lists of community organizations and compile FCC Quarterly Issues Reports. This internship will also include pre-production work to develop WTTG'S Community Events Calendar, write scripts for the calendar, as well as conduct control room production sessions for Public Service Announcements. Student intern(s) will recommend music for graphics, screen; and critique and recommend incoming videotapes for airing. Student intern(s) will be exposed to the practices and procedures of public relations in broadcasting. Will assist in gathering information from news talent for press releases. Student intern(s) should be a self-starter, detailed-oriented, and have good phone skills.

SALES: *Note: For some Semesters, this Internship is combined with the Community Affairs Department Internship to create one full internship.* The Sales Department is responsible for generating revenue via negotiations with commercial advertisers. Student intern(s) will provide administrative support to account executives and sales coordinators. Internship activities may include typing, faxing, filing, copying, etc. There will also be telephone interaction with clients and advertising agencies. There may be opportunities for the student intern(s) to spend time in the Traffic and Research departments as well. Student intern(s) must have a desire to work in Sales and enjoy working in a fast-paced environment.

IT: Under the supervision of the IT Manager, student Interns will gain hands on IT experience helping provide basic level support to administrative and News staff on hardware/software, printers, client network connectivity problems and other interface peripherals; Student intern(s) will perform hardware/software testing and installation using Norton Ghost and assist with asset management. Student intern(s) should have good communication, client interface skills, and patient manner in dealing with user questions and problems required. Student intern should also possess good technical, multi-tasking and problem solving skills, along with superior oral and written communication skills and the ability to effectively use web applications and MS Office products.

HUMAN RESOURCES DEPARTMENT: Under the supervision of the Human Resources Manager, the student intern will receive practical application experience and exposure to fundamental human resources generalist functions including applicant tracking, applicant screening and interviewing, referencing, and employee in-processing and out-processing. Administrative/clerical duties may include word-processing, assisting with the phone (e.g. answering, screening, referring, and making calls), handling incoming and outgoing mail, and maintaining jobline, job postings, mailing lists, and various administrative/clerical assignments. Student intern must be customer service oriented, highly confidential, and possess good verbal, written, organizational, and multi-tasking skills, and high level of attention to details.

To Whom It May Concern:

Attached is a list of employment opportunities (**posted as April 16, 2007**), currently available at WTTG-FOX 5/WDCA-My20, located in Washington, DC. Please feel free to publish the listing in your organization's newsletter or journal, and/or announce it through your jobline, whichever is applicable. Any applicant referrals will be greatly appreciated.

If you have any questions regarding our employment opportunities, or if I may be of any assistance, please do not hesitate to contact me at 202/895-3232.

Thank you, in advance, for your assistance and consideration.

Sincerely,

Carolyn Sheedy
Human Resources Director

OPPORTUNITIES

Exhibit 2A

WTTG/ FOX5- DC
WDCA/My20- DC

The following represents brief/broad position descriptions. It is not intended, nor should it be construed, to represent a comprehensive and/or exhaustive description of all duties/responsibilities and requisite skills of each position.

ENGINEERING MANAGER: Regular Full-Time: WTTG/WDCA is seeking an experienced, hands-on technical manager who will assist the VP of Engineering, and Director of Engineering by overseeing the day-to-day technical operations of fast-paced, news-oriented stations. WTTG/WDCA is in the process of transitioning its technical facilities to High Definition, including HD digital video and audio systems built around 3 gigabit technology for both Master Control and Production Control. We are looking for an individual with a solid technical background to assist in the design, operation, and maintenance of these systems. The successful candidate will need to have 6 or more years experience providing Engineering and IT support to broadcast News and Master Control/On-Air operations at a major market television station. This position includes managerial responsibilities as well as the need to understand complex digital video, digital audio, and LAN systems, with a proven ability to diagnose and rectify problems quickly. The need to understand users' workflow requirements and provide training on new systems requires that the candidate have excellent communications skills and a proven ability to work well with others under pressure. A solid background in video, audio, RF, and IT components and systems, and project management experience, is a must. Experience with Harris/Louth Automation and Avid ISIS systems would be beneficial. A college degree in an Engineering field is preferred, SBE certification, as well as prior experience working with labor contracts in a represented facility. Responsibilities include the following: Develops Video, Audio, and IT solutions and conceptual engineering design specifications that meet the stations requirements. Helps generate cost-to-complete budgets, timelines, equipment lists, floor plans, and rack and console elevations. Assists Operations, Maintenance, and IT with solutions to on-air problems. Schedules Master Control and Production Control Room crews. Responsible for the successful completion of one or more major capital projects, and/or short term operating funded project. Must be detail oriented with the ability to multi-task and prioritize in a fast-paced News environment.

EXECUTIVE PLANNING PRODUCER: Regular Full-Time: Oversees the Assignment Desk and Planning in the day-to-day process of gathering news. Works with news managers to implement vision for newsroom. Guides direction of editorial meetings. Works with the Managing editor to determine story selection and long-range story planning. Oversees planning for daily and well as for special events, particularly logistics. Works with Assignment Editors to direct field crews to story locations. Works with reporters to develop stories. Approves reporter scripts. Assist in coverage of breaking news. Other duties as deemed appropriate, and as assigned. Must have excellent supervisory and management skills. Must have exceptional editorial judgment and the ability to deliver compelling live television. Must have strong writing and storytelling skills and a thorough understanding of market/news dynamics. Must be a strong communicator. Must be able to copy-edit and conceptualize stories. Must be able to read and interpret ratings and research data. Organized. Detail-oriented. Ability to meet deadlines and work under pressure. Able to challenge employees to grow and develop newsgathering and reporting skills to consistently deliver informative, compelling and accurate newscasts. Must have at least five (5) years progressive news experienced working in a mid to major market.

PRODUCER: Regular Full-Time: Produces assigned newscasts. Selects stories, assembles them in a line-up, orders and reviews graphics, writes and copy-edits stories and coordinates reporter presentations. Responsible for taking the show into the control room and timing it so that it includes commercial breaks. Must participate in the editorial process that leads to story assignments. Occasionally produces content in the field and produces long form stories for air. Must have exceptional news judgment, strong writing and copy-editing abilities, strong communication skills, and ability to develop and assemble content in an understandable fashion. Must be able to work well under pressure and meet deadlines. Must be exceptionally creative and able to find new ways to present information. Must be self-motivated and able to work without supervision. Good and quick decision maker. Able to supervise the work of others. At least three years of newsroom experience, preferably as a line producer.

WEB PRODUCER (NEWS): Regular Full-Time: The Web Producer is part of the Web team responsible for all aspects of the Stations' web sites, including but not limited to ad sales content, production of special sections including news, advertising, style, interface design and update. The local web staff allows local stations to focus on local content and local events and campaigns. Work in concert with a National Team to create the most innovative and dynamic web sites. Work closely with National Sales and Editorial team to manage all production/quality aspects of Stations' web sites. Conceptualize/produce high profile creative on-line material. Perform duties of on-line writer/producer, specializing in print style writing, copy editing and editorial gathering. Facilitate the editorial gathering of local web news, glean information from various sources and contacts and reproducing the above material into strong compelling web material. Applications include HTML, JSP, FLASH and photoshop. Interface with Editorial managers and supervisors from the Broadcasting side of newsroom to create a cohesive working atmosphere, managing the delivery of content using new distribution platforms. Ensure Web sites are coded to standards consistent with web style guides set by National in-house team. Bachelor's degree plus 2-3 years of web production experience. Expert knowledge of web production, traffic reporting and ad serving systems. Solid understanding of web standards, design and usability. Knowledge of common web and application architectures. Knowledge of print and broadcast newsroom standards and styles. Understanding of user on-line behavior. Highly skilled in all areas of a/v digitizing, editing and encoding techniques. Advanced knowledge of internet publishing software and content management systems. Position demands excellent print/web writing, web editing, interface design and web production skills. Handle multiple demands and competing priorities simultaneously in a strict deadline-oriented environment. Excellent communication skills. Ability to work under pressure as a cohesive member of a team. Knowledge of HTML, JSP, FLASH and Photoshop. Please include with resume URL samples of work.

WRITER / FILL-IN PRODUCER (NEWS): Regular Full-Time: Writer will collect information, review video, assemble content, select and assemble stories, order and review graphics, write and copy-edit stories and coordinate reporter presentations. This position will also work as a fill in producer. Candidate must have 3 years newsroom experience, preferably as a line producer. Prior experience in planning or special project preferred. Position requires exceptional news judgment, strong writing and copy-editing abilities, communication skills and an ability to work fast and accurately under significant deadline pressure

STAFF ACCOUNTANT: Regular Full-Time: The Staff Accountant will be responsible for WTTG monthly General Ledger close, including account analysis and reconciliation. Candidate will also be responsible for some external reporting, including fixed asset maintenance and assisting in the preparation of the annual business plan for the station. Degree in Accounting with at least 3 years of financial accounting experience (broadcast industry preferred). Solid proficiency with Excel and Word essential. Ability to work in deadline oriented environment and strong analytical skills a must. Individual must be detail oriented and be able to handle numerous projects simultaneously with little supervision. Requires strong organizational skills and good written and verbal communication skills.

SALES COORDINATOR: Regular Full-Time: Sales Coordinator provides a high volume of administrative support to Local Sales Managers. Individual will maintain account files, process orders, revisions and cancellations and also handle competitive checks and credit issues for accounts. Candidate must have excellent communication, organization and multi-tasking skills and be able to work well under pressure. Must be proficient in Power Point and Excel. Assists in presentation preparation. Experience with programming, rates and demographics preferred. College degree, 1-2 years of TV Broadcast experience and knowledge of broadcast software, including Donovan, a plus.

For consideration, please forward resume and letter of interest to: Human Resources, WTTG & WDCA FOX Television Stations, Inc., 5151 Wisconsin Avenue, NW, Washington, D.C. 20016. Fax: 202-895-3286 email:WTTG-HR@foxtv.com Web site: www.MYFOXDC.com NO PHONE CALLS PLEASE.
EOE/M/F/D/V

WTTG & WDCA offers an academic credit internship program for college juniors, seniors and graduate students. For additional information, please contact the Human Resources Department at 202/895-3232.
