ARTICLE 1: SALE AND PURCHASE

1.1 Station Assets. On the terms and subject to the conditions hereof, on the Closing Date (defined below), Seller shall sell, assign, transfer, convey and deliver to Buyer, and Buyer shall purchase and acquire from Seller, all right, title and interest of Seller in and to all assets, properties, interests and rights of Seller, real and personal, tangible and intangible, that are used or held for use in the operation of the Station, except the Excluded Assets (defined below) (the “Station Assets”), as follows:

If this Agreement is terminated for any other reason, the Deposit and any interest accrued thereon shall be disbursed to Buyer. The parties shall each instruct the Escrow Agent to disburse the Deposit and all interest accrued thereon to the party or parties entitled thereto and shall not, by any act or omission, delay or prevent any such disbursement.

1.7 Prorations and Adjustments.

Prorations and adjustments shall be made no later than ninety (90) days after Closing.

(c) Notwithstanding anything to the contrary contained herein, there shall be no adjustment for and Seller shall remain solely liable for any contracts or agreements not included in the Assumed Obligations.

1.8 Allocation. After Closing, Buyer and Seller shall allocate the Purchase Price in accordance with the respective fair market values of the Station Assets and the goodwill being purchased and sold in accordance with the requirements of Section 1060 of the Internal Revenue Code of 1986, as amended (the “Code”). The allocation shall be determined by mutual agreement of the parties. Buyer and Seller each further agrees to file its federal income tax returns and its other tax returns reflecting such allocation as and when required under the Code. If the parties cannot agree on an allocation of the Purchase Price, the parties shall hire Bond and Pecaro, Inc. to determine such allocation, which shall be binding on the parties. The parties shall instruct the appraiser to deliver its report within ninety (90) days after his appointment. Buyer and Seller shall each be responsible for one-half of the cost of such appraisal.

1.9 Closing. The consummation of the sale and purchase of the Station Assets pursuant to this Agreement (the “Closing”) shall take place within ten (10) business days after the date that the FCC Consent (defined below) becomes Final (defined below), subject to the satisfaction or waiver of the last of the conditions required to be satisfied or waived pursuant to Articles 6 or 7 below (other than those requiring a delivery of a

certificate or other document, or the taking of other action, at Closing). The date on which Closing is to occur is referred to herein as the “Closing Date.”

1.10 FCC Consent.

(a) Within five (5) business days after the date of this Agreement, Buyer and Seller shall file an application (the “FCC Application”) requesting FCC consent to the assignment of the FCC Licenses from Seller to Buyer (the “FCC Consent”). ARTICLE 2: SELLER REPRESENTATIONS AND WARRANTIES

Seller represents and warrants to Buyer as follows:

2.1 Organization. Seller is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization, and is qualified to do business in each jurisdiction in which the Station Assets are located. Seller has the requisite power and authority to own and operate the Station, to carry on the Station’s business as now conducted by it, and to execute, deliver and perform this Agreement and the documents to be made pursuant hereto.

2.2 Authorization. The execution, delivery and performance of this Agreement and the documents to be made pursuant hereto have been duly authorized and approved by all necessary action of Seller (the “Seller Authorization”) and do not require any further authorization or consent of Seller. This Agreement and the documents to be made pursuant hereto are legal, valid and binding agreements of Seller enforceable in accordance with their respective terms, except in each case as such enforceability may be limited by bankruptcy, moratorium, insolvency, reorganization or other similar laws affecting or limiting the enforcement of creditors’ rights generally and except as such enforceability is subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

2.3 No Conflicts. The execution, delivery and performance by Seller of this Agreement and the documents to be made pursuant hereto do not conflict with any organizational documents of Seller or any law, judgment, order or decree to which Seller

is subject, and do not require the consent, approval or authorization, or filing with, any third party or any court or governmental authority, except the FCC Consent, and except for counter-party consent to assign those Station Contracts designated on *Schedule 1.1(c)*.

2.4 FCC Licenses.

(a) Seller holds the FCC Licenses listed and described on *Schedule 1.1(a)*. Such FCC Licenses constitute all of the authorizations required under the Communications Act of 1934, as amended (the “Communications Act”), or the rules, regulations and policies of the FCC for the present operation of the Station. The FCC Licenses are in full force and effect and have not been revoked, suspended, canceled, rescinded or terminated and have not expired. There is not pending or, to Seller’s knowledge, threatened any action by or before the FCC to revoke, suspend, cancel, rescind or modify any of the FCC Licenses (other than proceedings relating to FCC rules of general applicability), and there is no order to show cause, notice of violation, notice of apparent liability, or notice of forfeiture or complaint pending or, to Seller’s knowledge, threatened against Seller or the Station by or before the FCC. Seller and the Station are in compliance in all material respects with the FCC Licenses, the Communications Act and the rules, regulations and policies of the FCC. The Station is operating at full power in accordance with its FCC-licensed parameters.

(b) Seller and the Station Assets are in compliance in all material respects with all rules and regulations of the Federal Aviation Administration (“FAA”) applicable to the Station. All reports and filings required to be filed with, and all regulatory fees required to be paid to, the FCC by Seller with respect to the Station (including, without limitation, all required equal employment opportunity reports) have been timely filed and paid. All such reports and filings are accurate and complete. Seller maintains public files for the Station as required by FCC rules.

(c) The operation of the Station does not expose workers or others to levels of radio frequency radiation in excess of the “Radio Frequency Protection Guides” recommended in “American National Standard Safety Levels with Respect to Human Exposure to Radio Frequency Electromagnetic Fields 3 kHz to 300 GHz” (ANSI/IEEE C95.1-1992), issued by the American National Standards Institute, and renewal of the FCC Licenses would not constitute a “major action” within the meaning of Section 1.1301, *et seq.*, of the FCC’s rules.

2.5 Taxes. Unless exempt therefrom, Seller has filed all foreign, federal, state, county and local income, excise, property, sales, use, franchise, employment and other tax returns and reports which are required to have been filed by it under applicable law in connection with the Station’s business, and has paid all taxes which have become due pursuant to such returns or pursuant to any assessments which have become payable.

2.6 Personal Property. *Schedule 1.1(b)* contains a list of all material items of Tangible Personal Property included in the Station Assets. Each item of Tangible Personal Property is in good operating condition and repair (ordinary wear and tear excepted), is free from material defect or damage, is functioning in the manner and

purposes for which it was intended and has been maintained in accordance with industry standards. None of the Tangible Personal Property is subject to any capitalized lease or similar conditional sales agreement.

2.7 Real Property. Seller does not own any real property that is used in the operation of the Station. *Schedule 1.1(c)* includes a description of any lease or similar agreement under which Seller is lessee or licensee of, or holds, uses or operates, any real property in the business or operation of the Station. The real property leases provide sufficient access to the Station's facilities without need to obtain any other access rights. The placement, operation and maintenance of the Station's transmitter site equipment is authorized by and subject to the Special Land Use Permit described in *Schedule 1.1(c)*. To Seller's knowledge, the Station's tower, guy wires and anchors, ground systems and other facilities and improvements do not encroach upon any adjacent premises, and no facilities from adjacent premises encroach upon the Station's properties.

2.8 Contracts. Each of the Station Contracts is in full force and effect, and is binding upon Seller and, to Seller's knowledge, the other parties thereto (subject to bankruptcy, insolvency, reorganization or other similar laws relating to or affecting the enforcement of creditors' rights generally). Seller has performed its obligations under each of the Station Contracts in all material respects, and is not in material default thereunder, and to Seller's knowledge, no other party to any of the Station Contracts is in default thereunder in any material respect. There are no Station Contracts between Seller and any affiliate of Seller. Seller has delivered to Buyer true and complete copies of each Station Contract, together with all amendments thereto.

2.9 Environmental. No hazardous or toxic substance or waste (including, without limitation, petroleum products) or other material regulated under any applicable environmental, health or safety law is located or has been generated, stored, transported or released on, in, from or to the Station Assets by Seller, or to Seller's knowledge, by others. Seller has complied and is in compliance in all material respects with all environmental, health and safety laws applicable to the Station or the Station Assets. Seller has not received in respect of the Station or Station Assets any notice or claim to the effect that it is or may be liable under any environmental, health or safety law. To Seller's knowledge, neither the Station nor any Station Assets are the subject of any investigation by any governmental authority with respect to a violation of any environmental, health or safety law. Seller has delivered to Buyer true and complete copies of all environmental reports and assessments in its possession that are applicable to the Station.

2.10 Intangible Property. Seller has all right, title and interest in and to the Station call letters and other Intangible Property. *Schedule 1.1(d)* contains a description of all material Intangible Property. Seller's use of the Intangible Property does not infringe upon any third-party rights, and Seller has received no notice of any claim that any Intangible Property or the use thereof conflicts with, or infringes upon, any rights of any third party (and there is no basis for any such claim of conflict). No Intangible Property is the subject of any pending, or, to Seller's knowledge, threatened legal

proceedings claiming infringement or unauthorized use. The Station has the exclusive right to use the Intangible Property.

2.11 Employees. There are no employees of the Station that are available for Buyer to hire.

2.12 Station Assets. Except for the Excluded Assets, the Station Assets constitute all the assets used or held for use in the business or operation of the Station. The Station Assets are sufficient to permit Buyer to operate the Station as currently conducted by Seller. Seller has good and marketable title to the Station Assets, free and clear of Liens, except for Permitted Encumbrances. At Closing, Seller will transfer to Buyer good and marketable title to the Station Assets, free and clear of Liens, except for Permitted Encumbrances. Seller maintains sufficient insurance policies with respect to the Station and the Station Assets.

2.13 Compliance with Law. Seller has complied and is in compliance with all laws, regulations, rules, writs, injunctions, ordinances, franchises, decrees or orders of any court or of any foreign, federal, state, municipal or other governmental authority which are applicable to the Station or the Station Assets. There is no action, suit or proceeding pending or, to Seller's knowledge, threatened against Seller in respect of the Station or the Station Assets. To Seller's knowledge, there are no complaints, claims or investigations pending or threatened against Seller in respect of the Station or the Station Assets. Seller has all permits, licenses and other governmental authorizations necessary to conduct the business and operation of the Station as currently conducted by it.

2.14 No Finder. Except for Kalil & Co., whose fees will be paid by Seller, no broker, finder or other person is entitled to a commission, brokerage fee or other similar payment in connection with this Agreement or the transactions contemplated hereby as a result of any agreement or action of Seller or any party acting on Seller's behalf.

2.15 Disclosure. This Agreement and the documents made pursuant hereto do not and will not contain any untrue statement of material fact or omit to state a material fact required to be made in order to make the statements herein and therein not misleading in light of the circumstances in which they are made.

ARTICLE 3: BUYER REPRESENTATIONS AND WARRANTIES

Buyer represents and warrants to Seller as follows:

3.1 Organization. Buyer is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization, and if such qualification is necessary, is (or will be at Closing) qualified to do business in each jurisdiction in which the Station Assets are located. Buyer has the requisite power and authority to execute, deliver and perform this Agreement and the documents to be made pursuant hereto.

3.2 Authority. The execution, delivery and performance of this Agreement and the documents to be made pursuant hereto have been duly authorized and approved by all necessary action of Buyer (the "Buyer Authorization") and will not at Closing

require any further authorization or consent of Buyer. This Agreement and the documents to be made pursuant hereto are legal, valid and binding agreements of Buyer enforceable in accordance with their respective terms, except in each case as such enforceability may be limited by bankruptcy, moratorium, insolvency, reorganization or other similar laws affecting or limiting the enforcement of creditors' rights generally and except as such enforceability is subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

3.3 No Conflicts. The execution, delivery and performance by Buyer of this Agreement and the documents to be made pursuant hereto do not conflict with any organizational documents of Buyer or any law, judgment, order, or decree to which Buyer is subject, and do not require the consent, approval or authorization, or filing with, any third party or any court or governmental authority that has not been obtained or will not be obtained prior to Closing, except the FCC Consent.

3.4 Qualification. Buyer is qualified to hold the FCC Licenses under the Communications Act and the rules, regulations and policies of the FCC as they exist on the date of this Agreement.

3.5 No Finder. No broker, finder or other person is entitled to a commission, brokerage fee or other similar payment in connection with this Agreement or the transactions contemplated hereby as a result of any agreement or action of Buyer or any party acting on Buyer's behalf.

ARTICLE 4: SELLER COVENANTS

4.1 Covenants. From the date hereof until Closing, Seller shall:

(a) operate the Station in the ordinary course of business consistent with past practice and keep its books and accounts, records and files in the ordinary course, and preserve the business and goodwill of the Station and the Station Assets;

(b) operate the Station in accordance with the terms of the FCC Licenses and in compliance in all material respects with the Communications Act, FCC rules, regulations and policies, and all other applicable laws, rules and regulations, and maintain the FCC Licenses in full force and effect, and timely file and diligently prosecute any necessary applications for renewal of the FCC Licenses;

(c) keep all Tangible Personal Property in good operating condition (ordinary wear and tear excepted) and repair and maintain adequate and usual supplies, spare parts and other materials as have been customarily maintained in the past, and otherwise preserve intact the Station Assets and maintain in effect its current insurance policies with respect to the Station and the Station Assets;

(d) at the request of Buyer, from time to time give Buyer access during normal business hours to the Station Assets, and provide Buyer all other information concerning the Station Assets as Buyer may reasonably request;

(e) pay accounts payable in the ordinary course of business consistent with past practice;

(f) not, without the prior written consent of Buyer:

(i) sell, lease or otherwise dispose of any Station Assets except for non-material dispositions in the ordinary course of business of items which are replaced by assets of comparable or superior kind, condition and value;

(ii) create, assume or permit to exist any Liens on the Station Assets, and not dissolve, liquidate, merge or consolidate with any other entity, except for Permitted Encumbrances;

(iii) modify any of the FCC Licenses; or

(iv) amend or terminate any of the Station Contracts, or enter into any contract, lease or agreement with respect to the Station except for agreements entered into in the ordinary course of business that will be paid and performed in full before Closing.

ARTICLE 5: JOINT COVENANTS

5.1 Confidentiality. Subject to the requirements of applicable law, all non-public information regarding the parties and their business and properties that is disclosed in connection with the negotiation, preparation or performance of this Agreement shall be confidential and shall not be disclosed to any other person or entity, except on a confidential basis to the parties' attorneys, accountants, investment bankers, investors and lenders, and their respective attorneys for the purpose of consummating the transaction contemplated by this Agreement.

5.2 Announcements. Prior to Closing, no party shall, without the prior written consent of the other, issue any press release or make any other public announcement concerning the transactions contemplated by this Agreement, except to the extent that such party is so obligated by law, in which case such party shall give advance notice to the other, and except as necessary to enforce rights under or in connection with this Agreement. Notwithstanding the foregoing, the parties acknowledge that this Agreement and the terms hereof will be filed with the FCC Application and thereby become public.

5.3 Control. Consistent with FCC rules, control, supervision and direction of the operation of the Station prior to Closing shall remain the responsibility of Seller as the holder of the FCC Licenses.

5.4 Risk of Loss. The risk of loss of or damage to any of the Station Assets shall remain with Seller at all times until 12:01 a.m. local time on the day of Closing, and prior to Closing, Seller shall repair and if necessary, replace any lost or damaged Station Assets.

5.5 Broadcast Interruption. If, prior to Closing, the Station is off the air or operating at a power level that results in a material reduction in coverage (a “Broadcast Interruption”), then Seller shall return the Station to the air and restore prior coverage as promptly as possible. Notwithstanding anything herein to the contrary, if prior to Closing there is a Broadcast Interruption in excess of twenty-four (24) hours, then Buyer may postpone Closing until the date five (5) business days after the Station returns to the air and prior coverage is restored in all material respects, subject to Section 10.1.

5.6 Consents. Prior to Closing, Seller shall obtain the Required Consents (defined below) in a form reasonably acceptable to Buyer. In addition, Seller shall use commercially reasonable efforts to obtain the other consents (in a form reasonably acceptable to Buyer) noted on *Schedule 1.1(c)* and customary estoppel certificates (in a form reasonably acceptable to Buyer) from the lessors under the leases. To the extent that any Station Contract may not be assigned without the consent of any third party, and such consent is not obtained prior to Closing, this Agreement and any assignment executed at Closing pursuant hereto shall not constitute an assignment thereof, but to the extent permitted by law shall constitute an equitable assignment by Seller and assumption by Buyer of Seller’s rights and obligations under the applicable Station Contract, with Seller making available to Buyer the benefits thereof and Buyer performing the obligations thereunder on Seller’s behalf; provided, however, that *Schedule 1.1(c)* identifies those consents the receipt of which is a condition precedent to Buyer’s obligation to close under this Agreement (the “Required Consents”).

5.7 Final Order.

(a) For purposes of this Agreement, the term “Final” shall mean that action shall have been taken by the FCC (including action duly taken by the FCC’s staff, pursuant to delegated authority) which shall not have been reversed, stayed, enjoined, set aside, annulled or suspended; with respect to which no timely request for stay, petition for rehearing, appeal or certiorari or *sua sponte* action of the FCC with comparable effect shall be pending; and as to which the time for filing any such request, petition, appeal, certiorari or for the taking of any such *sua sponte* action by the FCC shall have expired or otherwise terminated.

(b) If Closing occurs prior to a Final FCC Consent, and prior to becoming Final the FCC Consent is reversed or otherwise set aside, and there is a Final order of the FCC (or court of competent jurisdiction) requiring the re-assignment of the FCC Licenses to Seller, then the purchase and sale of the Station Assets shall be rescinded. In such event, Buyer shall reconvey to Seller the Station Assets, and Seller shall repay to Buyer the Purchase Price and reassume the Assumed Obligations.

(c) Any such rescission shall be consummated on a mutually agreeable date within thirty (30) days of such Final order (or, if earlier, within the time required by such order). In connection therewith, Buyer and Seller shall each execute such documents (including execution by Buyer of instruments of conveyance of the Station Assets to Seller and execution by Seller of instruments of assumption of the

Assumed Obligations) and make such payments (including repayment by Seller to Buyer of the Purchase Price) as are necessary to give effect to such rescission.

The covenants and agreements in this Agreement shall survive Closing until performed. No investigation by the parties made heretofore or hereafter shall affect the representations and warranties of the parties contained in or made pursuant hereto.

9.2 Indemnification.

(a) From and after Closing, Seller shall defend, indemnify and hold harmless Buyer and its affiliates and their respective employees, officers, directors, successors and assigns (each a "Buyer Indemnified Party") from and against any and all losses, costs, damages, liabilities and expenses, including reasonable attorneys' fees and expenses ("Damages") incurred by Buyer arising out of or resulting from:

(a) The indemnified party shall give prompt written notice to the indemnifying party of any demand, suit, claim or assertion of liability by a third party that is subject to indemnification hereunder (a "Claim"), but a failure to give such notice or delaying such notice shall not affect the indemnified party's rights or the indemnifying party's obligations, except to the extent the indemnifying party's ability to remedy, contest, defend or settle with respect to such Claim is thereby prejudiced.

(b) The indemnifying party shall have the right to undertake the defense or opposition to such Claim with counsel reasonably satisfactory to the parties. In the event that the indemnifying party does not undertake such defense or opposition in a timely manner, the indemnified party may undertake the defense, opposition, compromise or settlement of such Claim with counsel selected by it at the indemnifying party's cost.

(c) Notwithstanding anything herein to the contrary:

(i) the indemnified party shall have the right, at its own cost and expense, to participate in the defense, opposition, compromise or settlement of any Claim, and shall have the right to consult with the indemnifying party and its counsel concerning any Claim, and the indemnifying party and the indemnified party shall cooperate in good faith with respect to any Claim; and

(ii) the indemnifying party shall not, without the indemnified party's written consent, settle or compromise any Claim or consent to entry of any judgment which does not include a release of the indemnified party from all liability in respect of such Claim.

ARTICLE 10: TERMINATION AND REMEDIES

10.1 Termination. This Agreement may be terminated prior to Closing as follows:

(a) by mutual written consent of Buyer and Seller;

(b) by written notice of Buyer to Seller if Seller:

(i) does not perform the obligations required to be performed by it under this Agreement on the Closing Date; or

(ii) otherwise breaches in any material respect any of its representations or warranties or defaults in any material respect in the performance of any of its covenants or agreements contained in this Agreement and such breach or default is not cured within the Cure Period (defined below);

(c) by written notice of Seller to Buyer if Buyer:

(i) does not perform the obligations required to be performed by it under this Agreement on the Closing Date, all conditions to its obligation to do so having been satisfied or waived; or

(ii) otherwise breaches in any material respect any of its representations or warranties or defaults in any material respect in the performance of any of its covenants or agreements contained in this Agreement and such breach or default is not cured within the Cure Period;

(d) by written notice of Buyer to Seller, or of Seller to Buyer, if the FCC denies the FCC Application; or

(e) by written notice of Buyer to Seller, or of Seller to Buyer, if Closing does not occur by the date one (1) year after the date of this Agreement.

The term "Cure Period" as used herein means a period commencing the date Buyer or Seller receives from the other written notice of breach or default hereunder and continuing until the earlier of (1) fifteen (15) days thereafter or (2) the Closing Date.

Termination of this Agreement shall not relieve any party of any liability for breach or default under this Agreement prior to the date of termination. Notwithstanding anything contained herein to the contrary, Sections 1.6 (Deposit), 5.1 (Confidentiality), 5.2 (Announcements) and 11.1 (Expenses) shall survive any termination of this Agreement.

10.2 Specific Performance. In the event of a breach or threatened breach by Seller of any representation, warranty, covenant, obligation or agreement under this Agreement, at Buyer's election, in addition to any other remedy available to it, Buyer shall be entitled to an injunction restraining any such breach or threatened breach and to enforcement of this Agreement by a decree of specific performance requiring Seller to fulfill its obligations under this Agreement, in each case without the necessity of showing economic loss or other actual damage and without any bond or other security being required.

10.3 Liquidated Damages. If this Agreement is terminated by Seller pursuant to Section 10.1(c), then the Deposit shall be disbursed to Seller as liquidated damages and the sole and exclusive remedy of Seller (and any interest accrued thereon shall be disbursed to Buyer). Seller hereby waives all other legal and equitable remedies it may otherwise have as a result of any breach or default by Buyer under this Agreement.

ARTICLE 11: MISCELLANEOUS.

Buyer may assign its right to acquire the Station Assets (in whole or in part) without Seller's consent, but any such assignment shall not relieve Buyer of any obligations under this Agreement or require the filing of a new FCC Application.
